2 - 3:30 p.m. EST

The quest to achieve and maintain well-being can be particularly challenging for members of the legal profession. Panelists will share personal experiences, provide updates on available resources for attorneys in need of assistance, and answer questions. The hope is that the program will equip participants to better take care of themselves and each other.

This continuing legal education (CLE) event will address well-being issues by providing a forum for members of the legal community to explore strategies to achieve and maintain wellness.

Pre-registration is required. This event is free and open to the public. For more information on resources available to legal professionals visit, [New Jersey Lawyers Assistance Program](#) and the [NJSBA Lawyers Helping Lawyers](#).

NOTE: The New Jersey Judiciary Diversity, Inclusion, and Community Engagement Program is an approved CLE provider (# 1720). This event is 1.8 CLE credits in ethics/professionalism.
