Executive Summary:

As Egg Harbor Township continues to satisfy its affordable housing obligations, this Fourth Round Housing Element and Fair Share Plan provides a housing policy framework with a variety of options to provide affordable housing opportunities.

Through this Fourth Round Housing Element and Fair Share Plan, the Township promotes provision of a variety of housing types over a range of affordability, encourages the ongoing maintenance of the Township's existing housing stock, and formally acknowledges its continuing constitutional obligation to provide a realistic opportunity for the provision of housing affordable to families of very-low, low, and moderate income.

The Fourth Round Housing Element and Fair Share Plan continues to rely on the existing Pinelands Development Ordinance, which ensures that affordable housing is constructed as part of new developments in the Township's RG-4 and RG-5 residential zoning districts. The Plan includes allowing the existing mobile home parks to expand and construct new affordable units and/or deed restrict existing units as affordable units as units are vacated. The Plan also identifies opportunities to create new affordable housing on Township-owned properties and proposes overlay zoning for one hundred percent (100%) affordable housing developments.

This Fourth Round Housing Element and Fair Share Plan, once adopted, will be submitted to the Affordable Housing Dispute Resolution Program (the "Program") for review and approval via the entering of a Compliance Certification, which will give the Township protection from all exclusionary zoning actions until June 30, 2035.

Introduction:

The Township has prepared this Fourth Round Housing Element and Fair Share Plan in accordance with the requirements set forth in the "Municipal Land Use Law" (N.J.S.A. 40:55D-28) ("MLUL"), the Fair Housing Act (N.J.S.A. 52:27D-301 et seq.) ("FHA"), as amended by P.L. 2024 c.2, Administrative Directive #14-24, the Uniform Housing Affordability Controls (N.J.A.C. 5:80-26.1 et. seq.), and applicable New Jersey Council on Affordable Housing ("COAH") regulations (N.J.A.C. 5:93 et seq.).

New Jersey affordable housing law began with the New Jersey Supreme Court's (hereinafter the "Supreme Court") creation of the Mount Laurel doctrine in its landmark case, So. Burl. Cty. N.A.A.C.P. v. Tp. of Mt. Laurel, 67 N.J. 151 (1975) also known as "Mount Laurel I." In Mount Laurel I, the Supreme Court decided that under the State Constitution, each municipality "must, by its land use regulations, make realistically possible the opportunity for an appropriate variety and choice of housing for all categories of people who may desire to live there", including those of low and moderate income. Thus, the Supreme Court in Mount Laurel I decision ruled that municipalities should not use their zoning powers to prevent the potential for the development of affordable housing.

Displeased with progress under its earlier decision, in 1983, the Supreme Court decided So. Burlington Ct. N.A.A.C.P. v. Mount Laurel Tp., 92 N.J. 158 (1983) or “Mount Laurel II”. Because the Legislature had not yet acted to implement the holding in Mount Laurel I, the Court in Mount Laurel II fashioned a judicial remedy, now commonly referred to as a “Builder’s Remedy”. That remedy created a special process by which builders could file suit against a municipality for the opportunity to construct housing at much higher densities than a municipality otherwise would allow, creating affordable housing in the process. In essence, Builder’s Remedy lawsuits seek to force municipalities to meet their affordable housing obligations.

Responding to the chaos created by the implementation of the Supreme Court’s Mount Laurel decisions and the many Builder’s Remedy lawsuits that followed, the State Legislature passed the Fair Housing Act (hereinafter “FHA”) in 1985, which the Supreme Court upheld in (Hills Dev. Co. v. Bernards Twp., 103 N.J. 1 (1986) or “Mount Laurel III”), which created the Council on Affordable Housing (“COAH”) and authorized municipal Housing Elements and Fair Share Plan to be approved by COAH via the granting of Substantive Certification, which would protect municipalities from builder’s remedy lawsuits.

To implement the FHA requirements, COAH adopted a series of regulations. Round One regulations were enacted in 1987. Second Round regulations were adopted by COAH in 1994. Third Round regulations were supposed to be adopted in 1999 when the Round 2 rules were set to expire, but the first iteration of Round 3 regulations were not adopted by COAH until 2004. After those regulations were invalidated by the courts, COAH adopted a second iteration of Third Round regulations in 2008. The second iteration of regulations were also invalidated by the Courts, and after COAH failed to adopt a third iteration of Third Round regulations in 2014, the Supreme Court issued In the Matter of the Adoption of N.J.A.C. 5:96 and 5:97 by the New Jersey Council on Affordable Housing, 221 N.J. 1 (2015) (Mount Laurel IV), in which it directed trial courts to assume COAH’s functions and ruled that municipalities would have to get their Third Round Housing Elements and Fair Share Plans approved in the courts via the granting a Judgment of Compliance and Repose (JOR), rather than getting the plans approved by COAH.

In response to the Mount Laurel IV decision, the Township filed a Third Round Declaratory Judgment Action in July of 2015. The Township eventually settled with Fair Share Housing Center (“FSHC”) globally, which included settling on a Third Round number of 1,000. Subsequently, the Court approved the Township’s Third Round Housing Element and Fair Share Plan via a conditional Judgment of Compliance Order that was entered into on August 31, 2018, and an order finalizing the Third Round JOR Order on December 31 2018. See Appendix K.

On March 20, 2024, this all changed once again when Governor Murphy signed into law, P.L. 2024, C.2, which substantially amended the FHA and created an entirely new affordable housing plan approval process (hereinafter the “amended FHA”). The amended FHA abolished COAH, and introduced a comprehensive structure for municipalities to meet their obligations before a new entity known as the Affordable Housing Dispute

Resolution Program (hereinafter the “Program”), which consists of retired Mount Laurel judges and their Special Adjudicators, once known as Court Masters. The Program was created to approve Fourth Round Housing Elements and Fair Share Plans via the granting of a Compliance Certification, along with underlying orders to be entered into by the local vicinage trial court. The Program was also created to help municipalities mediate with objectors regarding their Fourth Round affordable housing obligations and the approval of the plans. The amended FHA also required the Department of Community Affairs (DCA) to take over the monitoring of affordable units in every municipality in the state, and to draft and release a report calculating non-binding Fourth Round municipal Present and Prospective Need obligation for every municipality in the state. The DCA released its Fourth Round numbers report in October of 2024. The amended FHA also ordered the New Jersey Housing and Mortgage Finance Agency (NJHMFA) to adopt new UHAC regulations. The amended FHA also changed the way municipalities receive bonus credits amongst other things.

In response to the requirements of the amended FHA, the Township of Egg Harbor adopted a resolution on January 22, 2025 committing to a Fourth Round Present Need Obligation of 164 and a Fourth Round Prospective Need Obligation of 130. See Appendix A. The Township filed a Declaratory Judgment Complaint on January 24, 2025 with the Program and the Court, along with the Township’s Fourth Round numbers resolution. See Appendix A.

After the Township entered into a Mediation Agreement with the New Jersey Builders Association (“NJBA”) on April 9, 2025 (see Appendix B), the Court entered an Order on April 30, 2025 setting the Township’s Fourth Round Present Need Obligation at 164 and the Township’s Fourth Round Prospective Need Obligation at 142. See Appendix C.

Housing Element:

Pursuant to both the FHA and the MLUL, municipalities in New Jersey are required to include a housing element in their master plans. The principal purpose of the housing element is to describe the specific, intended methods that a municipality plans to use in order to meet its low- and moderate-income housing needs. Further, the housing element is meant to demonstrate the existing zoning or planned zoning changes that will allow for the provision of adequate capacity to accommodate household and employment growth projections, to achieve the goal of access to affordable housing for present and future populations.

A municipality's housing element shall be designed to achieve the goal of access to affordable housing to meet present and prospective housing needs, with particular attention to low- and moderate-income housing, and shall contain at least:

- a. An inventory of the municipality's housing stock by age, condition, purchase or rental value, occupancy characteristics, and type, including the number of units affordable to low- and moderate-income households and substandard housing capable of being rehabilitated, and in conducting this inventory the municipality

shall have access, on a confidential basis for the sole purpose of conducting the inventory, to all necessary property tax assessment records and information in the assessor's office, including but not limited to the property record cards;

- b. A projection of the municipality's housing stock, including the probable future construction of low- and moderate-income housing, for the next ten years, taking into account, but not necessarily limited to, construction permits issued, approvals of applications for development and probable residential development of lands;
- c. An analysis of the municipality's demographic characteristics, including but not necessarily limited to, household size, income level and age;
- d. An analysis of the existing and probable future employment characteristics of the municipality;
- e. A determination of the municipality's present and prospective fair share for low- and moderate-income housing and its capacity to accommodate its present and prospective housing needs, including its fair share for low- and moderate-income housing, as established pursuant to section 3 of P.L.2024, c.2 (C.52:27D-304.1);
- f. A consideration of the lands that are most appropriate for construction of low- and moderate-income housing and of the existing structures most appropriate for conversion to, or rehabilitation for low- and moderate-income housing, including a consideration of lands of developers who have expressed a commitment to provide low- and moderate-income housing.
- g. An analysis of the extent to which municipal ordinances and other local factors advance or detract from the goal of preserving multigenerational family continuity as expressed in the recommendations of the Multigenerational Family Housing Continuity Commission, adopted pursuant to paragraph (1) of subsection f. of section 1 of P.L.2021, c.273 (C.52:27D-329.20);
- h. For a municipality located within the jurisdiction of the Highlands Water Protection and Planning Council, established pursuant to section 4 of P.L.2004, c.120 (C.13:20-4), an analysis of compliance of the housing element with the Highlands Regional Master Plan of lands in the Highlands Preservation Area, and lands in the Highlands Planning Area for Highlands-conforming municipalities. This analysis shall include consideration of the municipality's most recent Highlands Municipal Build Out Report, consideration of opportunities for redevelopment of existing developed lands into inclusionary or 100 percent affordable housing, or both, and opportunities for 100 percent affordable housing in both the Highlands Planning Area and Highlands Preservation Area that are consistent with the Highlands regional master plan; and

- i. An analysis of consistency with the State Development and Redevelopment Plan, including water, wastewater, stormwater, and multi-modal transportation based on guidance and technical assistance from the State Planning Commission.

Demographic Characteristics

As indicated above, the MLUL requires an analysis of housing and demographic data as part of any Housing Element. The 2020 Census and the US Census population estimates are the most recent available comprehensive database of this type of information for Egg Harbor Township.

The age distribution within the Township indicates a younger population than both Atlantic County and the State. This can be attributed to the large increase in single family dwellings that have been constructed in the Township that are occupied by younger families. Approximately 31.4% of the population was over 55 years of age in 2023. The distribution of ages of persons in the Township is indicated in Table 2.

Non-family households make up 25.3% of the households in Egg Harbor Township. This is lower than the County rate of 35.1% and lower than the State average 32.2%. In 2023, the average household size in Egg Harbor Township is 2.74 persons/dwelling unit, while the County average is 2.47 and the State average is 2.47, making the average household in Egg Harbor Township larger than that of the County and State.

Education:

Within Egg Harbor Township's adult population (25 and over) 92.1% have received a high school diploma and 34.9% received a bachelor's degree or higher making the Township slightly better educated than the rest of Atlantic County. When compared to the County, 88.9% of the adult population has received a high school diploma and 31.2% of the adult population has received a bachelor's degree or higher.

Age of Housing:

Table 3 depicts the number of new housing units constructed between 2000 and 2020 for the Township, County and State.

As of 2023, approximately 47.9% of the Township's current housing stock was constructed prior to 1980, with 6.9% constructed prior to 1940. The Township therefore has what can be considered a newer housing stock, reflective of the recent population growth in the Township. The age of housing stock can be used as a gauge of the overall condition of housing in the community. In the case of Egg Harbor Township a large percentage of homes have been constructed in recent years, and therefore have not endured the "wear and tear" that typically takes place over years.

Housing Tenure:

The 2020 Census data indicates that 14,675 housing units (90.0%) in the Township were occupied and 1,666 units (10%) were vacant. A total of 12,390 units (84.4%) of the occupied units are owner occupied with the additional 2,285 units (15.6%) occupied by renters.

Single family detached homes remain the dominant housing structure in the Township, representing 73.7% of total housing units. In addition, mobile homes account for 10.3% of the housing structures in the Township. Even though the mobile homes are not deed restricted for affordable housing, their presence makes it clear that the Township (1) has an abundance of naturally affordable housing, and (2) does not exclude low- and moderate-income households.

Units Affordable to Low- and Moderate-Income Households

Units are affordable to low and moderate-income households if the maximum sales price or rent is set within a specified formula as per UHAC regulations. A moderate-income household is a household whose gross family income is more than fifty percent (50%) of the median income, but less than eight percent (80%) of median income for households of the same size within the housing region. A low-income household is a household whose gross family income is equal to or less than fifty percent (50%) of median gross household income for a household and a very-low-income household is classified as earning less than thirty percent (30%) of the median area income of the same size within the housing region for Egg Harbor Township. Egg Harbor Township is in Region 6, which encompasses

Atlantic, Cape May, Cumberland and Salem counties. The median household income in Egg Harbor Township in 2023 was \$96,068.00.

Based on the qualifying formula in N.J.A.C. 5:80-26, the monthly cost of shelter, which includes mortgage (principal and interest), taxes, insurance and homeowners or condominium association fees, may not exceed twenty-eight percent (28%) of gross monthly household income based on a five percent (5%) down payment. In addition, moderate-income sales units must be available for at least three different prices and low-income sales units available for at least two different prices. The maximum sales prices must now be affordable to households earning no more than seventy percent (70%) of median income. The sales prices must average fifty-five percent (55%) of median income.

Under UHAC regulations, rents including utilities may not exceed thirty percent (30%) of gross monthly income. The average rent must now be affordable to households earning fifty-two percent (52%) of median income. The maximum rents must be affordable to households earning no more than sixty percent (60%) of median income. In averaging fifty-two percent (52%), one rent may be established for a low-income unit and one rent for a moderate-income unit for each bedroom distribution. The utility allowance must be consistent with the utility allowance approved by HUD and utilized in New Jersey. In addition, thirteen percent (13%) of all restricted rental units must be affordable to households earning no more than thirty-percent (30%) of median income.

Based upon the average household size of 2.74 in Egg Harbor Township in 2023 and the regional limits, the median income in Region 6 for Egg Harbor Township in 2024 is \$88,524. At a minimum, 1,028 owner occupied units and 1,408 renter occupied units could be considered affordable to three person very-low-, low- and moderate-income households

as indicated in Table 13. Of the 1,028 owner occupied units, 56 units could be considered affordable to three person very low income and low income and 972 units could be considered affordable to a three-person low income and moderate income. Of the 1,408 renter occupied units, 535 units could be considered affordable to three person very-low-income and low-income and 873 units could be considered affordable to a three-person low-income and moderate-income. Based upon these numbers approximately 13.3% of the 18,294 units in the Township in 2023 are potentially affordable. Of these, a minimum of 736 units representing approximately 4% could be affordable to very low- and low-income households with the remaining 1,700 units representing approximately 9.3% could be affordable to low-income and moderate-income households. Although these figures are estimates and assumptions regarding household size have been made, it appears that the Township has significant numbers of affordable units, some of which are naturally affordable, and some of which can be counted as affordable housing credits.

According to the New Jersey Department of Labor, Residential Building Permits Issued, 926 new building permits were issued in Egg Harbor Township from 2013 to 2023.

Housing Unit Projections

The FHA requires that housing plans include a 10-year projection of new housing units based on the number of building permits, development applications approved, and probable developments, as well as other indicators deemed appropriate (N.J.S.A. 52:27D-310.b). Table 19 shows the balance of Certificates of Occupancy and Demolition Permits issued between 2013 and 2023. According to NJDCA permit data, 926 new units were certified, and 200 units were demolished. There is an annual average of 84 Certificates of Occupancy issued per year. If this rate were to remain relatively constant, the Township could see a net increase of 792 units by 2035.

The Census data distribution of occupational positions in Egg Harbor Township generally reflects that of Atlantic County and the State. The largest difference, at the State level, comes in the service occupations. Approximately 27.9% of Egg Harbor Township's labor force works in service occupations compared to 15.5% of the State. This is primarily due to the casino industry as well as the tourist industry in Atlantic County.

Population and Employment Projections

The South Jersey Transportation Planning Organization (“SJTPO”) is the Metropolitan Planning Organization for the southern New Jersey region, which contains all municipalities in the Counties of Salem, Atlantic, Cape May, and Cumberland. The SJTPO publishes population and employment forecasts for each county and municipality in the region. Between 2020 and 2060, the SJTPO projects slight population increase and significant employment growth throughout the region. In Egg Harbor Township, the SJTPO projects local employment growth of 7,836 jobs (+30.3%) with an insignificant change in population. As shown in Table 18, the Township is expected to experience a population increase (+30.3%) higher than what is projected to occur throughout the County (+25.1%).

Lands Most Appropriate for Affordable Housing

In general, sites that are most appropriate for affordable housing are those that have the necessary infrastructure and are not encumbered by environmental constraints. Within the Township’s Regional Growth Area located within the Pinelands, as well as Planning Area 1 and Planning Area 2 within the CAFRA portion of the Township, are appropriate locations for affordable housing. These are the areas that the State has, for the most part, encouraged growth.

Specifically, sites within the RG-4 Zone, RG-5 Zone, and the R-5 Apartment Residential Zone are most appropriate for affordable housing, since multifamily dwellings are permitted.

In 2018, an Ordinance was passed to amend the zoning Code for the RG-4 Residential and RG-5 Residential zoning districts, which are located within the Township’s designated Growth Area of the Pinelands to provide a twenty percent (20%) affordable housing set-aside, consistent with Section 329.9 of the New Jersey Fair Housing Act (N.J.S.A. 52:27D-301 et seq.). See attached Appendix G. The Township uses its zoning code to meet affordable housing needs by requiring residential development within the Growth Areas of the Pinelands area of the Township to provide affordable housing as is required by the New Jersey Fair Housing Act.

Multigenerational Family Housing Continuity

The FHA requires the Housing Element and Fair Share Plan to provide an analysis of the extent to which municipal ordinances and other local factors advance or detract from the goal of preserving multigenerational family continuity as expressed in the recommendations of the Multigenerational Family Housing Continuity Commission, adopted pursuant to paragraph (1) of subsection f. of 23 section 1 of P.L.2021, c.273 (C.52:27D-329.20). To date, no recommendations have been published.

A review of the Township's ordinance indicates that there are no ordinances that would specifically create a detraction from meeting the Commission's goal of allowing senior citizens to reside at the homes of their extended families. The ordinances in Egg Harbor Township do not detract from the multigenerational family continuity goal. The Township should update its land use ordinance to expand the areas where accessory apartments and in-law suites are permitted uses.

Consideration of Affordable Housing Options

The Township did not receive proposals from developers of affordable housing projects to be included in the Township's Fourth Round Prospective Need Obligation. The Township believes that the projects that exist and are proposed in this Fourth Round Housing Element and Fair Share Plan represent the best options for affordable housing in the Township at this time.

FAIR SHARE PLAN

Affordable Housing and Fair Share Plan

In 1975, in the case Southern Burlington County NAACP v. the Township of Mount Laurel 67 N.J. 151 (1975) ("Mt. Laurel I"), the New Jersey Supreme Court ruled that developing municipalities have a constitutional obligation to provide for the construction of low- and moderate-income housing. The Supreme Court's 1983 decision Southern Burlington County NAACP v. Township of Mount Laurel, 92 N.J. 158, 456 A.2d 390 (1983) ("Mt. Laurel II") expanded the obligation in ruling that all municipalities share in this constitutional obligation to provide a realistic means for addressing a fair share of the regional present and prospective need for housing affordable to low- and moderate-income families provided that any portion of the municipality is located in a "growth area" as set forth in the SDRP. As such, through a municipality's zoning and land use regulations, it is to be realistically possible, through providing of a variety of housing choices, for all categories of people within Housing Region 6 (including Salem, Cumberland, Cape May and Atlantic counties) to live if they choose in the Township of Egg Harbor.

Egg Harbor Township Fair Share Obligations

In accordance with the amended FHA, this Fourth Round Housing Element and Fair Share Plan will set forth how the Township has addressed its Prior Round and Third Round affordable housing obligations, as well as how it intends to address its Fourth Round obligations:

A. Present Need (Rehabilitation) Obligation

The Present Need Obligation, also known as the Rehabilitation Obligation, can be defined as an estimate of the number of substandard existing deficient housing units currently occupied by low- and moderate-income households. As per the Court's April 30, 2025 Order setting the Egg Harbor Township's Fourth Round Obligations, the Township has a Fourth Round Present Need Obligation of **164**.

B. Prior Round Obligation (1987-1999)

Egg Harbor Township has a Prior Round Obligation of **763**.

C. Third Round - Prospective Need Obligation (1999-2025)

Egg Harbor Township has a Prospective Need Obligation of **1,000**.

As per the terms of the Court-approved Third Round FSHC Settlement Agreement, Egg Harbor Township's 1,000-unit Gap (1999-2015) + Prospective Need (2015-2025) Obligation was agreed upon through settlement negotiations, and not through the application of the 1,000-unit cap.

D. Fourth Round Prospective Obligation (2025-2035)

Pursuant to the Court's April, 30, 2025 Order setting Egg Harbor Township's Fourth Round Obligations, the Township has a Fourth Round Obligation of **142**.

Housing Strategy:

Affordable Housing Caps and Requirements

In accordance with the requirements set forth in the Amended FHA, Egg Harbor Township will address the following:

- A. This plan requires that thirteen percent (13%) of all the affordable units referenced in the Agreement, with the exception of units constructed as of July 1, 2008, and units subject to preliminary or final site plan approval as of July 1, 2008, will be very low income units (defined as units affordable to households earning thirty percent (30%) or less of the regional median income by household size), with half of the very low income units being available to families.
- B. No more than twenty-five percent (25%) of a municipality's obligation can be satisfied with rental bonus credits.
- C. This plan will ensure that at least fifty percent (50%) of the units addressing the Fourth Round Prospective Need Obligation will be affordable to a combination of very-low-income and low-income households, while the remaining affordable units will be affordable to moderate-income households.
- D. This plan will ensure that a minimum of twenty-five percent (25%) of the Fourth Round Prospective Need Obligation, exclusive of rental bonus credits, will be met through rental units, including at least half in rental units available to families.
- E. This plan will ensure that at least half of these units, exclusive of any bonus credits, addressing the Township's Fourth Round Prospective Need Obligation will be available to families.
- F. This plan complies with the Fourth Round age-restricted cap of thirty percent (30%), exclusive of rental bonus credits.

The housing strategy outlined herein addresses the Township's Fourth Round Rehabilitation Obligation of 164, Prior Round Obligation of 763, Third Round Obligation of 1,000, and the Fourth Round Obligation of 142. Below are the mechanisms the Township has put in place to address the affordable housing obligations.

Addressing the Present Need Obligation of 164:

The purpose of a rehabilitation program is to rehabilitate substandard housing units occupied by low- and moderate-income households. A substandard housing unit is defined as a unit with health and safety violations that require the repair or replacement of a major system. A major system includes a roof, plumbing, heat, electricity, sanitary plumbing and/or a load bearing structural system. Upon rehabilitation, housing deficiencies are corrected and the unit is brought up to New Jersey Uniform Construction Code standards.

Based on the DCA's calculation for the Township's Present Need or Rehabilitation Obligation, a Rehabilitation Obligation of one hundred sixty-four (164) was accepted by the Township. The Township plans to satisfy this obligation by continuing its participation in the Atlantic County Improvement Authority's rehabilitation program and/or through other rehabilitation programs selected by the Township.

Addressing the Prior Round Obligation:

The Township has a Prior Round obligation of **763**, all of which are constructed and occupied and approved by the Court for creditworthiness in the Township's Third Round Final JOR. The Township has fully satisfied is Prior Round Obligation of **763** as follows:

- A. Seventy-five (75) affordable family rental units from the 16 Stafford Avenue Michaels Development Company project:** 75 family rental units from the Michaels 100 percent affordable project located at 16 Stafford Avenue (Block 1013, Lot 32). The AHO-B Affordable Housing Overlay zone has been adopted, a Developer's Agreement has been executed, a PILOT Agreement has been executed and a Resolution of Need has been adopted. See Appendix D. Michaels is in the process of applying for funding for the project.
- B. Timber Ridge inclusionary project:** This 226-unit mixed-use inclusionary project will be constructed on a site identified as Block 1223, Lots 5, 6 and 8 and Block 1305, Lot 7. 6.67 acres of the site is located in the Pinelands RG-4 Zone, and 41.78 acres of the site is located in the HB Zone. A Redevelopment Plan was adopted by the Township, which has since been certified by the Pinelands Commission. See attached Appendix E. Since only 6.67 acres is located in the RG-4 zone, which requires twenty percent (20%) affordable housing, and to ensure that the project remains economically feasible, the Redevelopment Plan only requires a prorated affordable housing set-aside of eight (8) affordable family rental units (6.67 acres x 6 du/acre = 40 total units x .20 = 8). RG-3 standards were applied to the rest of units on the site and said standards do not require an affordable housing set-aside.
- C. Tilton Road Motel Conversion Project:** This 92-unit inclusionary project will be constructed on a 4.38 acre site located at 2580 Tilton Road (Block 1101, Lot 14), which is located in the Pinelands RG-4 Zone of the Township. The project was approved by the Township's Zoning Board of adjustment on December 6, 2021, which required that 19 of the 92 units be affordable units. The Township and Mile High 3 LLC, the developer of the project have entered into a Developer's Agreement and a Deed Restriction to ensure that all affordable housing

requirements, including the twenty percent (20%) affordable housing set-aside requirement under the Township's Pinelands Ordinance and the Zoning Board approval, are properly followed by the developer. Triad Associates prepared the Harbor Apartments Operating Manual and is currently marketing the affordable units. See Appendix F.

- D. Two (2) Affordable Family Rental "Homes for All" Houses:** Homes for All NJ owns two (2) single-family dwellings at 247 Leap Street (Block 5811, Lot 50) and 2527 Ridge Avenue (Block 1303, Lot 15). Homes for All NJ manages the rental properties and each unit is rented to a low-income qualified household. The Township will obtain a 30-year deed restriction on each property. The Township will provide Homes for All NJ with \$25,000 for improvements to the Ridge Avenue property.
- E. Pinelands Area Development:** The Pinelands Ordinance that was adopted by the Township and certified by the Pinelands Commission will provide the opportunity for the construction of up to 726 affordable units. See Appendix G. However, after removing the Pulte Homes Project site, the actual maximum yield is 311 affordable units. The Township is applying credits to the Third Round and Fourth Round for other projects within the RG-4 and RG-5 zones, including Harbor Apartments, Timber Ridge/Leigh at EHT, Delilah Village and the proposed Rubinstein/Reserve at Grace project, and these projects will result in a minimum of 109 units. The Township is applying 202 units to the Third Round Obligation. If there are any credits created beyond what is needed to satisfy the Township's Third Round Obligation, the excess credits will be applied to the Township's Fourth Round Obligation or will be reserved for the Fifth Round.
- F. Mobile Home Park Unit Program.** A creditworthy Mobile Home Park affordable unit will consist of (1) a new affordable unit added within the existing footprint of a mobile home park and made creditworthy, (2) an existing unit in which the current household vacates or sells the unit, then the new unit owner or renter is an affirmatively marketed and income qualified very-low, low- or moderate-income household, and said turned over unit is properly deed restricted, or (3) if an occupant of an existing unit that dates back to pre-1987 seeks an upgrade or change to their unit through gut rehabilitation and is income qualified according to UHAC, affirmative marketing shall not be required until such point as the current occupant sells or otherwise vacates the unit. The Township and each Mobile Home Park Owner participating in this process will enter into an Agreement. If more than 213 affordable units are created under this subsection, then said units will be utilized to reduce the number of affordable units needed from the Pinelands Area Development for the Third Round, with any surplus being applied to the Fourth Round.
- G. Delilah Village, 6305 Delilah Road:** This inclusionary development is located on Lots 11 and 12 in Block 1508 and consists of 39 townhouse units with a set-aside of 8 affordable units. The property is located in the Township's RG-5 zoning

district which requires a 20% set-aside for affordable housing. The proposed units will be for sale in accordance with the Affordable Housing Production Plan submitted by the developer. The project was granted a use variance approval in 2024 and received preliminary and final major site plan approval in May 2025.

The income mix will be 4 units for moderate-income households, 3 units for low-income households and 1 unit for a very-low-income household. The affordable units will consist of four (4) three-bedroom units, three (3) two-bedroom units and one (1) one-bedroom unit. See Appendix H for site plan and Zoning Board Decision & Resolution.

- H. Rubinstein / Reserve at Grace, 20 Single-Family Dwellings:** The developer of a site consisting of several lots in Blocks 203, 1402, 1404, 1415, 1516, 1417, 1418 and 1505, has approached the Township with interest in developing the site located in the Township's RG-5 zoning district. The proposed project phase proposes the construction of 20 single-family for-sale affordable housing units.

The Township has current zoning for affordable housing in the RG-5 zoning district. The developer has two tracts, one tract of 50 acres and one tract of approximately 21 acres. The permitted maximum density in the RG-5 zone is 7.5 dwelling units per acre, yielding 375 units on the largest tract. With the twenty percent (20%) affordable housing set-aside requirement, the developer would be required to provide a minimum of 75 affordable units within the development. The developer is proposing to construct 20 single-family for-sale affordable dwelling units.

The site is considered to be approvable due to the fact that it is consistent with the rules and regulations of all agencies with jurisdiction over the site. It is also an available site, meaning that it has a clear title and is free of encumbrances which could preclude the development of an affordable housing site. The site is considered to be developable since it is located within the Township's sewer service area and sewer services are in proximity to the site. It is also considered suitable, meaning that it is adjacent to compatible land uses, has access to appropriate streets and is consistent with the environmental policies delineated in N.J.A.C. 5:93-4. See Appendix I for a concept plan and suitability maps.

- I. Rubinstein / Reserve at Grace, Phase 1 (70 units) and Phase 2 (42 of 70 units):** The developer of a site consisting of several lots in Blocks 203, 1402, 1404, 1415, 1516, 1417, 1418 and 1505, has approached the Township with interest in developing the site located in the Township's RG-5 zoning district. The proposed project proposes the construction of 70 units in the first phase of a one hundred percent (100%) affordable family rental development and an additional 70 units in the second phase.

The Township has current zoning for affordable housing in the RG-5 zoning district. The developer has two tracts, one tract of 50 acres and one tract of

approximately 21 acres. The permitted maximum density in the RG-5 zone is 7.5 dwelling units per acre, yielding 375 units on the largest tract. With the twenty percent (20%) affordable housing set-aside requirement, the developer would be required to provide a minimum of 75 affordable units within the development. The developer is proposing to construct a one hundred percent (100%) affordable family rental development with two phases of 70 units in each phase. The Township is applying 70 units from the first phase and 42 units from Phase 2 of the project to the Third Round Obligation.

The site is considered to be approvable due to the fact that it is consistent with the rules and regulations of all agencies with jurisdiction over the site. It is also an available site, meaning that it has a clear title and is free of encumbrances which could preclude the development of an affordable housing site. The site is considered to be developable since it is located within the Township's sewer service area and sewer services are in proximity to the site. It is also considered suitable, meaning that it is adjacent to compatible land uses, has access to appropriate streets and is consistent with the environmental policies delineated in N.J.A.C. 5:93-4. See attached Appendix I for a concept plan and suitability maps.

Addressing the Fourth Round Obligation

Egg Harbor Township has a Fourth Round (2025-2035) Obligation of 142 and will address said obligation as follows:

A. Forty-five (45) units from the approved English Creek Manor project: As per the Settlement Agreement entered into between the Township and English Creek Manor in 2012 and approved by the Court in 2013, this project will produce a total

of 223 for-sale family units of which forty-five (45) (20% set-aside) will be affordable to low and moderate income households. The project received approval for a minor subdivision, which was required to create the lot upon which the affordable units will be constructed. As per N.J.A.C. 5:93-1.3, the site for the proposed project is Approvable, Available, Developable and Suitable.

As per COAH's Prior Round regulations, the site is considered to be an approvable site due to its ability to be developed with affordable housing in a manner consistent with the rules or regulations of all agencies with jurisdiction over the site. The site has a clear title and is free of encumbrances which would preclude the development of affordable housing, making it an available site. The site is also developable, meaning that it has appropriate water and sewer infrastructure available. It is also considered suitable, meaning that it is adjacent to compatible land uses, has access to appropriate streets and is consistent with the environmental policies delineated in N.J.A.C. 5:93-4.

This site was included in the Third Round court-approved JOR.

- B. Pinelands Area Development:** As described above, the Pinelands Ordinance that was adopted by the Township and certified by the Pinelands Commission will provide the opportunity for the construction of up to 726 affordable units. See Appendix G. However, after removing the Pulte Homes Project site, the actual maximum yield is 311 affordable units. The Township is applying credits to the Third Round and Fourth Round for other projects within the RG-4 and RG-5 zones, including Harbor Apartments, Timber Ridge/Leigh at EHT, Delilah Village and the proposed Rubinstein/Reserve at Grace project, and these projects will result in the production of a minimum of 109 units. If more than 202 units are constructed that are being used for the Third Round, said surplus will be applied to any gaps in the plan or reserved for the Fifth Round under then applicable law.
- C. Rubinstein / Reserve at Grace, Phase 2 (28 of 70 units):** The developer of a site consisting of several lots in Blocks 203, 1402, 1404, 1415, 1516, 1417, 1418 and 1505, has approached the Township with interest in developing the site located in the Township's RG-5 zoning district. The proposed project proposes the construction of 70 units in the first phase of a 100% affordable family rental development and an additional 70 units in the second phase.

The Township has current zoning for affordable housing in the RG-5 zoning district. The developer has two tracts, one tract of 50 acres and one tract of approximately 21 acres. The permitted maximum density in the RG-5 zone is 7.5 dwelling units per acre, yielding 375 units on the largest tract. With the twenty percent (20%) affordable housing set-aside requirement, the developer would be required to provide a minimum of 75 affordable units within the development. The developer is proposing to construct a 100% affordable family rental development with two phases of 70 units in each phase. The Township is applying 28 units from the second phase of the project to the Fourth Round Obligation.

The site is considered to be approvable due to the fact that it is consistent with the rules and regulations of all agencies with jurisdiction over the site. It is also an available site, meaning that it has a clear title and is free of encumbrances which could preclude the development of an affordable housing site. The site is considered to be developable since it is located within the Township's sewer service area and sewer services are in proximity to the site. It is also considered suitable, meaning that it is adjacent to compatible land uses, has access to appropriate streets and is consistent with the environmental policies delineated in N.J.A.C. 5:93-4. See Appendix I for a concept plan and suitability maps.

D. Transitional Living:

In Egg Harbor Township, there are currently five (5) Stop the Heroin Recovery Houses, a cooperative sober living facility licensed by the State of New Jersey. As a licensed Rooming and Boarding House, annual inspections are conducted by the DCA. In accordance with the amended FHA, in the Fourth Round, municipalities can count credits for transitional housing for up to ten percent (10%) of their Fourth Round Obligation. The Township is applying the maximum fourteen (14) credits allowed towards the Fourth Round Obligation for the following Transitional Living facilities:

- 6401 West Jersey Avenue – 5 bedrooms, 5 credits.
- 400 Shires Way – 5 bedrooms, 5 credits.
- 6517 Mill Road – 5 bedrooms, 4 credits.

Very Low-Income Units

Pursuant to the amended FHA (P.L. 2008, c.46), the Township must ensure that at least Thirteen Percent (13%) of affordable housing units approved and constructed (or to be constructed) after July 17, 2008, are available to very low-income households. The Township will exceed the requirement that Thirteen Percent (13%) of units be available to very low-income households in both the Third Round and Fourth Round.

Income and Bedroom Distribution

The Township will continue to follow the UHAC rules and regulations and ensure that the new affordable housing developments will comply with N.J.A.C. 5:93-7.2 through 7.3.

Affordable Housing Administration and Affirmative Marketing

Egg Harbor Township currently has a Court-approved Affordable Housing Ordinance, Chapter 57 of the Township Code. See Appendix J. The Affordable Housing Ordinance governs the establishment and occupancy of the affordable units in the Township, including, but not limited to, the phasing of affordable units, the mix of very-low-, low- and moderate-income units, bedroom distribution, occupancy standards, affordability controls, rents and sales prices, affirmative marketing, and income qualification. The Affordable Housing Development Fees are contained in the Township's Code in Chapter 225 Zoning. See Appendix K.

The Township will prepare an updated Affordable Housing Ordinance in accordance with the DCA's proposed new regulations (N.J.A.C. 5:99), and UHAC's new 2025 regulations, once the DCA and HMFA finalize their rule proposals.

The Township shall adopt by resolution an updated Affirmative Marketing Plan once new UHAC regulations are adopted. Until then, the Township will continue to follow its Third Round Affirmative Marketing Plan. The Township's Administrative Agent designated by the Township of Egg Harbor, or any Administrative Agent appointed by a specific developer, shall implement the Affirmative Marketing Plan to assure the affirmative marketing of all affordable units.

The Township has appointed the current Municipal Housing Liaison by resolution in 2022. See Appendix L. The Township will reappoint the MHL by resolution at an upcoming Township Committee meeting. The Township also has a contract with Triad Associates to conduct the administration and affirmative marketing of its affordable housing sites. The affirmative marketing plans are designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children to the affordable units located in the Township. Additionally, the affirmative marketing plan is intended to target those potentially eligible persons who are least likely to apply for affordable units and who reside in the Township's housing region, Region 6, consisting of Atlantic, Cape May, Cumberland, and Salem counties.

The Affirmative Marketing Plan lays out the random-selection and income qualification procedure of the administrative agent, which is consistent with COAH's rules and N.J.A.C. 5:80-26.1. All newly created affordable units will comply with the minimum 30-year (or 40-year for rentals) affordability control required by UHAC, N.J.A.C. 5:80-26.1 et seq. This plan must be adhered to by all private, nonprofit or municipal developers of affordable housing units and must cover the period of deed restriction or affordability controls on each affordable unit.

State Development and Redevelopment Plan

This Housing Element and Fair Share Plan is consistent with the 2001 State Development and Redevelopment Plan (SRDP) and the draft proposed SDRP as the proposed projects and zoning mechanisms will provide the opportunity for the construction of affordable housing.

The SDRP has accepted the Pinelands Management Areas and incorporated them into the State Plan Policy Map. Since the majority of Egg Harbor Township is almost completely within the Pinelands Areas, the SDRP “acknowledges the special statutory treatment accorded to the New Jersey Pinelands under the Pinelands Protection Act” and relies exclusively on the adopted plans and regulations of the Pinelands Commission to implement statewide goals and objectives in those Pinelands Management Areas.

Egg Harbor Township is also located in the PA-1 Metropolitan Planning Area. Per the SDRP, the intent for PA-1 is to:

- provide for much of the State’s future redevelopment;
- revitalize cities and towns;
- promote growth in compact forms;
- stabilize older suburbs;
- redesign areas of sprawl; and
- protect the character of existing stable communities.

The Township continues to encourage the development affordable housing in the PA-1. This is consistent with the overall SRDP goal to direct redevelopment and growth into areas where infrastructure can support the development and support services such as open space, retail shopping and public transportation are within walking distance.

Egg Harbor Township is also located in the PA-2 Suburban Planning Area. Per the SDRP, the intent for PA-2 is to:

- provide for much of the State’s future redevelopment;
- promote growth in Centers and other compact forms;
- protect the character of existing stable communities;
- protect natural resources;
- redesign areas of sprawl;
- reverse the current trend towards further sprawl;
- revitalize cities and towns;

Egg Harbor Township also contains areas which are in the PA-4 Rural Planning Area and the PA-5 Environmentally Sensitive Planning Area. Development in these areas is very limited due to the lack of sanitary sewer and other utility infrastructure.

The Township continues to encourage the development of affordable housing in the PA-1 and PA-2. This is consistent with the overall SRDP goal to direct redevelopment and growth into areas where infrastructure can support the development and support services such as open space, retail shopping and public transportation are within walking distance.

In 2018, the Township amended the zoning in the RG-4 and RG-5 zoning districts, situated in the Pinelands Regional Growth Area, to allow the development of affordable housing. This zoning has resulted in several projects which have provided affordable units within these zoning districts.

Cost Generation

The Township's Subdivision of Land and Site Plan Review and Zoning ordinances have been reviewed to eliminate unnecessary cost generating standards. The Township will amend, if needed, the Planning Board rules for expediting the review of development applications for affordable housing projects, including, but not limited to, scheduling special monthly public hearings. All development applications containing affordable housing shall be reviewed for consistency with the Township's ordinances, Residential Site Improvement Standards (N.J.A.C. 5:21-1 et seq.) and the FHA regarding unnecessary cost-generating requirements. The Township will comply with COAH's requirements for unnecessary cost-generating requirements, N.J.A.C. 5:93-10.1, procedures for development applications containing affordable housing, N.J.A.C. 5:93-10.4, and requirements for special studies and escrow accounts where an application contains affordable housing, N.J.A.C. 5:93-10.3.

Once the DCA and HMFA finalize their rule proposes, the Township will revise its Subdivision of Land and Site Plan Review and Zoning ordinances, if needed, in accordance with the DCA's proposed new regulations (N.J.A.C. 5:99), and UHAC's new 2025 regulations in order to comply with the new requirements to address cost-generative issues.

Spending Plan

The Township is in the process of preparing a Fourth Round Spending Plan () which discusses anticipated revenues, collection of revenues, and the use of revenues, in accordance with N.J.A.C. 5:93-5.1(c). All collected revenues are placed in the Township's Affordable Housing Trust Fund and will be dispensed for the use of affordable housing activities as indicated in the Fourth Round Spending Plan. Once DCA and HMFA finalize their rule proposals (anticipated after June 30, 2025), the Township will prepare an updated spending plan in accordance with DCA's proposed new regulations at N.J.A.C. 5:99, UHAC's new 2025 regulations that are anticipated to be released shortly, any remaining relevant COAH rules, not superseded by either the proposed 2025 DCA regulations or the upcoming 2025 revised UHAC rules as well as to address any terms of the court-approved Third Round FSHC agreement.

The Township may, in the future, seek to amend its Spending Plan and obtain court approval to use its affordable housing trust funds for the following additional permitted affordable housing activities, including new, emergent affordable housing activities, subject to applicable limitations and minimum expenditures. N.J.S.A. 52:27D-329.2 permits the use of revenues generated by a development fee ordinance for activities that address the municipal fair share obligation including, but not limited to, rehabilitation, new construction, improvement to land, roads and infrastructure for affordable housing, assistance to render units more affordable, and administrative costs of housing plan implementation.

A minimum of thirty percent (30%) of the collected development fees must be used to provide affordability assistance to low- and moderate-income households in affordable housing units included in the Township's Fair Share Plan. A minimum of one-third (1/3) of the affordability assistance must be utilized for very-low-income units.

No more than twenty percent (20%) of the revenues collected each year from development fees shall be spent on administrative fees, including, but not limited to, salaries and benefits for municipal employees or consultant fees necessary to develop or implement a rehabilitation program, a Housing Element and Fair Share Plan, and/or an affirmative marketing program.

COUNT I

ESTABLISHMENT OF JURISDICTION UNDER P.L.2024, C. 2

4. The Township of Egg Harbor repeats and realleges each and every allegation as set forth in the previous paragraphs of this Declaratory Judgment Complaint as if set forth herein in full.

5. The Act represents a major revision of the Fair Housing Act of 1985, N.J.S.A. 52:27D-301 *et. seq.*

6. 7. On or about December 19, 2024, the Director issued Directive #14-24, which among other things, required municipalities seeking Compliance Certification to file an action in the form of a Declaratory Judgment Complaint and Civil Case Information Statement in the County in which the municipality is located within 48 hours after the municipality’s adoption of a binding resolution establishing the municipality’s Fourth Round numbers, as authorized under the Act, with an attached copy of said binding resolution.

8. The Township adopted a binding resolution establishing its Fourth Round present and prospective affordable housing obligations within the statutory window of time set forth in the Act and in accordance with the methodology and formula set forth in the Act, a certified copy of which resolution is attached to this Declaratory Judgment Complaint as **Exhibit 1**.

9. Based on the foregoing, the Township has established the jurisdiction of the Program and the Court in regard to this DJ Action for a Compliance Certification as set forth hereinafter.

WHEREFORE, the Township of Egg Harbor seeks a declaratory judgment for the following relief:

- a. Declaring that the Township has established jurisdiction for the Program and the Court to confirm its present and prospective affordable housing needs as set

forth in the binding resolution attached as **Exhibit 1** to this Declaratory Judgment Complaint or to adjust such determination consistent with the Act;

- b.** Declaring the present and prospective affordable housing obligations of the Township under the Act;
- c.** Declaring the approval of the Township's HEFSP subsequent to its adoption by the Planning Board and its endorsement by the Township Committee, including, as appropriate and applicable, (i) a Structural Conditions Survey or similar exterior survey which accounts for a higher-resolution estimate of present need; (ii) a Vacant Land Adjustment predicated upon a lack of vacant, developable and suitable land; (iii) a Durational Adjustment (whether predicated upon lack of sanitary sewer or lack of water); (iv) an adjustment predicated upon regional planning entity formulas, inputs or considerations, as applicable; (v) an adjustment based on any future legislation that may be adopted that allows an adjustment of the affordable housing obligations; (vi) an adjustment based upon any ruling in litigation involving affordable housing obligations; and/or (vii) any other applicable adjustment permitted in accordance with the Act and/or applicable COAH regulations;
- d.** Declaring that the Township continues to have immunity from all exclusionary zoning litigation and all litigation related to its affordable housing obligations as established by the Act;
- e.** Declaring and issuing a Compliance Certification and continuing immunity from exclusionary zoning litigation in accordance with the Act and Directive #

14-24 to the Township of Egg Harbor for the period beginning July 1, 2025 and ending June 30, 2035; and

- f. Declaring such other relief that the Program and Court deems just and proper within the parameters of the Act and all applicable regulations related to affordable housing within the State of New Jersey.

EXHIBIT 1

Egg Harbor Township

Resolution No. 96

2025

Resolution Committing to Fourth Round Present and Prospective Need Affordable Housing Obligations

WHEREAS, the Township of Egg Harbor (hereinafter the “Township” or Egg Harbor”) has a demonstrated history of voluntary compliance as evidenced by its Third Round record; and

WHEREAS, pursuant to In re N.J.A.C. 5:96 and 5:97, 221 N.J. 1 (2015) (Mount Laurel IV), on July 2, 2015, the Township of Egg Harbor filed a Declaratory Judgment Complaint in Superior Court, Law Division seeking, among other things, a judicial declaration that its Third Round Housing Element and Fair Share Plan, to be amended as necessary, satisfies its “fair share” of the regional need for low and moderate income housing pursuant to the “Mount Laurel doctrine;” and

WHEREAS, that culminated in a Court-approved Third Round Housing Element and Fair Share Plan and a Final Judgment of Compliance and Repose, which precludes all Mount Laurel lawsuits, including builder’s remedy lawsuits until July 1, 2025; and

WHEREAS, on March 20, 2024, Governor Murphy signed into law P.L. 2024, c.2, which amended the 1985 New Jersey Fair Housing Act (hereinafter the “Amended FHA”); and

WHEREAS, the Amended FHA required the Department of Community Affairs (“DCA”) to provide an estimate of the Fourth Round affordable housing obligations for all municipalities on or before October 20, 2024, based upon the criteria described in the Amended FHA; and

WHEREAS, the DCA issued a report on October 18, 2024 (“DCA Report”) wherein it reported its estimate of the Fourth Round affordable housing obligations for all municipalities based upon its interpretation of the standards in the Amended FHA; and

WHEREAS, the DCA Report calculates the Township’s Fourth Round (2025-2035) obligations as follows: a Present Need (Rehabilitation) Obligation of 164 and a Prospective Need (New Construction) Obligation of 148; and

WHEREAS, the Amended FHA further provides that, irrespective of the DCA’s calculations, municipalities have the ability to either accept, or provide alternate calculations for, the DCA’s “present and prospective fair share obligation(s)...by binding resolution no later than January 31, 2025”, a deadline which was later extended to February 3, 2025 by the Administrative Office of the Courts (“AOC”) via a directive issued on December 19, 2024; and

WHEREAS, the Township accepts the DCA’s Fourth Round Present Need (Rehabilitation) calculation of 164, but does not accept the DCA’s calculation of the Township’s **Land Capacity Allocation Factor**, which is a factor that is part of the DCA’s calculation of the Township’s Fourth Round Prospective Need (New Construction) calculation of 148; and

WHEREAS, as to the **Land Capacity Allocation Factor**, the Township notes that the DCA belatedly provided the data it used to establish this factor, i.e., on or about November 25, 2024, instead of by October 20, 2024; and

WHEREAS, the Township further notes that the link to the DCA GIS data that the DCA belatedly made available to municipalities includes the following language: "The land areas identified in this dataset are based on ... the best available data using publicly available data enumerated in N.J.S.A. 52:27D-304.3c.(4) to estimate the area of developable land, within municipal and regional boundaries, that may accommodate development. **It is important to note that the identified areas could be over or under inclusive depending on various conditions and that municipalities are permitted to provide more detailed mappings as part of their participation in the Affordable Housing Dispute Resolution Program.**" (emphasis added); and

WHEREAS, the Township maintains that the areas the DCA identified as developable are indeed overinclusive and, consequently, the Township's Affordable Housing Planner, has prepared an expert report, attached hereto as **Exhibit A**; and

WHEREAS, correcting the Land Capacity Allocation Factor results in the reduction of Egg Harbor Township's Fourth Round Prospective Need (New Construction) Obligation from 148 to 130; and

WHEREAS, Section 3 of the Amended FHA provides that: "the municipality's determination of its fair share obligation shall have a presumption of validity, if established in accordance with sections 6 and 7" of the Amended FHA; and

WHEREAS, the Township's acceptance of the Fourth Round obligations calculated by the DCA are entitled to a "presumption of validity" because it complies with Sections 6 and 7 of the Amended FHA; and

WHEREAS, in addition to the foregoing, the Township specifically reserves the right to adjust its fair share obligations in accordance with applicable Council on Affordable Housing ("COAH") regulations or other applicable law based on one or more of the foregoing adjustments if applicable: 1) a Structural Conditions Survey or similar exterior survey which accounts for a higher-resolution estimate of present need; 2) a Vacant Land Adjustment predicated upon a lack of vacant, developable and suitable land; 3) a Durational Adjustment, whether predicated upon lack of sewer or lack of water; and/or 4) an adjustment predicated upon regional planning entity formulas, inputs or considerations, including but not limited to, the Highlands Council Regional Master Plan and its build out, or the Pinelands Commission or Meadowlands Commission regulations and planning document; and

WHEREAS, in addition to the foregoing, the Township specifically reserves all rights to revoke or amend this resolution and commitment, as may be necessary, in the event of a successful challenge to the Amended FHA in the context of the case The Borough of Montvale v. the State of New Jersey (MER-L-1778-24), any other such action challenging the Amended FHA, or any legislation adopted and signed into law by the Governor of New Jersey that alters the deadlines and/or requirements of the Amended FHA; and

WHEREAS, in addition to the foregoing, the Township reserves the right to take a position that its Fourth Round Present or Prospective Need Obligations are lower than described herein in

the event that a third party challenges the calculations provided for in this Resolution (a reservation of all litigation rights and positions, without prejudice); and

WHEREAS, in addition to the foregoing, nothing in the Amended FHA requires or can require an increase in the Township's Fourth Round Present or Prospective Need Obligations based on a successful downward challenge of any other municipality in the region since the plain language and clear intent of the Amended FHA is to establish unchallenged numbers by default on March 1, 2025; and

WHEREAS, in addition to the foregoing, the New Jersey Institute of Local Government Attorneys (NJILGA) has expressed its support for proposed legislation (hereinafter "NJILGA Legislation") that would reduce the Township's Fourth Round Prospective Need (New Construction) Obligation to from 148 to 51 and would give the Township "90 days from receipt of revised fair share obligations from the [DCA] to provide amended Housing Element and Fair Share Plans addressing the new number"; and

WHEREAS, Egg Harbor Township supports the NJILGA Legislation and would have the right to reduce its Round 4 obligation in the event that the Legislature enacts the NJILGA Legislation; and

WHEREAS, in addition to the foregoing, the Acting Administrative Director of the AOC issued Directive #14-24 on December 19, 2024; and

WHEREAS, pursuant to Directive #14-24, a municipality seeking a Fourth Round Compliance Certification from the entity created by the Amended FHA known as the Program, shall file an action in the appropriate venue with the Program, in the form of a Declaratory Judgment Complaint within 48 hours after adoption of the municipal resolution accepting or challenging its Fourth Round fair share obligations, or by February 3, 2025, whichever is sooner; and

WHEREAS, nothing in this Resolution shall be interpreted as an acknowledgment of the legal validity of AOC Directive #14-24 and the Township reserves any and all rights and remedies in relation to the AOC Directive; and

WHEREAS, the Township seeks a Compliance Certification from the Program and, therefore, wishes to file a Declaratory Judgment Complaint in the appropriate venue with the Program, along with a copy of this Resolution, within 48 hours of the adoption of this Resolution; and

WHEREAS, in light of the above, the Mayor and Township Committee finds that it is in the best interest of the Township to declare its obligations in accordance with this Resolution; and

NOW, THEREFORE, BE IT RESOLVED by the Committee of the Township of Egg Harbor, Atlantic County, State of New Jersey, as follows:

1. All of the Whereas Clauses are incorporated into the operative clauses of this Resolution as if set forth in full.

2. For the reasons set forth in this Resolution, the Mayor and Township Committee hereby commit to the DCA Fourth Round Present Need (Rehabilitation) Obligation of 164 and the Fourth Round Prospective Need (New Construction) Obligation of 130 as described in this Resolution, subject to all reservations of rights, which specifically include, without limitation, the following:

- a) The right to adjust the Township's fair share obligations based on a Structural Conditions Survey or similar survey, a Vacant Land Adjustment, a Durational Adjustment, and all other applicable adjustments, permitted in accordance with applicable COAH regulations or other applicable law; and
- b) The right to revoke or amend this Resolution in the event of a successful legal challenge, or legislative change, to the Amended FHA; and
- c) The right to take any contrary position, or adjust its fair share obligations, in the event of a third party challenge to the Township's fair share obligations.

3. Pursuant to the requirements of the FHA as amended, and the Administrator of the Court's (AOC) Directive #14-24 issued on December 19, 2024, the Township Committee hereby directs its Affordable Housing Counsel to file a Declaratory Judgment Complaint, along with this Resolution, a Case Information Statement (Civil CIS), and supporting expert report, in the appropriate venue with the Program or any other such entity as may be determined to be appropriate, to initiate an action within 48 hours of the adoption of this Resolution, so that the Township's Fourth Round Housing Element and Fair Share Plan can be reviewed and approved.

4. This resolution shall take effect immediately, according to law.

Egg Harbor Township

Resolution No. 96

2025

Resolution Committing to Fourth Round Present and Prospective Need Affordable Housing Obligations

WHEREAS, the Township of Egg Harbor (hereinafter the “Township” or Egg Harbor”) has a demonstrated history of voluntary compliance as evidenced by its Third Round record; and

WHEREAS, pursuant to In re N.J.A.C. 5:96 and 5:97, 221 N.J. 1 (2015) (Mount Laurel IV), on July 2, 2015, the Township of Egg Harbor filed a Declaratory Judgment Complaint in Superior Court, Law Division seeking, among other things, a judicial declaration that its Third Round Housing Element and Fair Share Plan, to be amended as necessary, satisfies its “fair share” of the regional need for low and moderate income housing pursuant to the “Mount Laurel doctrine;” and

WHEREAS, that culminated in a Court-approved Third Round Housing Element and Fair Share Plan and a Final Judgment of Compliance and Repose, which precludes all Mount Laurel lawsuits, including builder’s remedy lawsuits until July 1, 2025; and

WHEREAS, on March 20, 2024, Governor Murphy signed into law P.L. 2024, c.2, which amended the 1985 New Jersey Fair Housing Act (hereinafter the “Amended FHA”); and

WHEREAS, the Amended FHA required the Department of Community Affairs (“DCA”) to provide an estimate of the Fourth Round affordable housing obligations for all municipalities on or before October 20, 2024, based upon the criteria described in the Amended FHA; and

WHEREAS, the DCA issued a report on October 18, 2024 (“DCA Report”) wherein it reported its estimate of the Fourth Round affordable housing obligations for all municipalities based upon its interpretation of the standards in the Amended FHA; and

WHEREAS, the DCA Report calculates the Township’s Fourth Round (2025-2035) obligations as follows: a Present Need (Rehabilitation) Obligation of 164 and a Prospective Need (New Construction) Obligation of 148; and

WHEREAS, the Amended FHA further provides that, irrespective of the DCA’s calculations, municipalities have the ability to either accept, or provide alternate calculations for, the DCA’s “present and prospective fair share obligation(s)...by binding resolution no later than January 31, 2025”, a deadline which was later extended to February 3, 2025 by the Administrative Office of the Courts (“AOC”) via a directive issued on December 19, 2024; and

WHEREAS, the Township accepts the DCA’s Fourth Round Present Need (Rehabilitation) calculation of 164, but does not accept the DCA’s calculation of the Township’s **Land Capacity Allocation Factor**, which is a factor that is part of the DCA’s calculation of the Township’s Fourth Round Prospective Need (New Construction) calculation of 148; and

WHEREAS, as to the **Land Capacity Allocation Factor**, the Township notes that the DCA belatedly provided the data it used to establish this factor, i.e., on or about November 25, 2024, instead of by October 20, 2024; and

WHEREAS, the Township further notes that the link to the DCA GIS data that the DCA belatedly made available to municipalities includes the following language: "The land areas identified in this dataset are based on ... the best available data using publicly available data enumerated in N.J.S.A. 52:27D-304.3c.(4) to estimate the area of developable land, within municipal and regional boundaries, that may accommodate development. **It is important to note that the identified areas could be over or under inclusive depending on various conditions and that municipalities are permitted to provide more detailed mappings as part of their participation in the Affordable Housing Dispute Resolution Program.**" (emphasis added); and

WHEREAS, the Township maintains that the areas the DCA identified as developable are indeed overinclusive and, consequently, the Township's Affordable Housing Planner, has prepared an expert report, attached hereto as **Exhibit A**; and

WHEREAS, correcting the Land Capacity Allocation Factor results in the reduction of Egg Harbor Township's Fourth Round Prospective Need (New Construction) Obligation from 148 to 130; and

WHEREAS, Section 3 of the Amended FHA provides that: "the municipality's determination of its fair share obligation shall have a presumption of validity, if established in accordance with sections 6 and 7" of the Amended FHA; and

WHEREAS, the Township's acceptance of the Fourth Round obligations calculated by the DCA are entitled to a "presumption of validity" because it complies with Sections 6 and 7 of the Amended FHA; and

WHEREAS, in addition to the foregoing, the Township specifically reserves the right to adjust its fair share obligations in accordance with applicable Council on Affordable Housing ("COAH") regulations or other applicable law based on one or more of the foregoing adjustments if applicable: 1) a Structural Conditions Survey or similar exterior survey which accounts for a higher-resolution estimate of present need; 2) a Vacant Land Adjustment predicated upon a lack of vacant, developable and suitable land; 3) a Durational Adjustment, whether predicated upon lack of sewer or lack of water; and/or 4) an adjustment predicated upon regional planning entity formulas, inputs or considerations, including but not limited to, the Highlands Council Regional Master Plan and its build out, or the Pinelands Commission or Meadowlands Commission regulations and planning document; and

WHEREAS, in addition to the foregoing, the Township specifically reserves all rights to revoke or amend this resolution and commitment, as may be necessary, in the event of a successful challenge to the Amended FHA in the context of the case The Borough of Montvale v. the State of New Jersey (MER-L-1778-24), any other such action challenging the Amended FHA, or any legislation adopted and signed into law by the Governor of New Jersey that alters the deadlines and/or requirements of the Amended FHA; and

WHEREAS, in addition to the foregoing, the Township reserves the right to take a position that its Fourth Round Present or Prospective Need Obligations are lower than described herein in

the event that a third party challenges the calculations provided for in this Resolution (a reservation of all litigation rights and positions, without prejudice); and

WHEREAS, in addition to the foregoing, nothing in the Amended FHA requires or can require an increase in the Township's Fourth Round Present or Prospective Need Obligations based on a successful downward challenge of any other municipality in the region since the plain language and clear intent of the Amended FHA is to establish unchallenged numbers by default on March 1, 2025; and

WHEREAS, in addition to the foregoing, the New Jersey Institute of Local Government Attorneys (NJILGA) has expressed its support for proposed legislation (hereinafter "NJILGA Legislation") that would reduce the Township's Fourth Round Prospective Need (New Construction) Obligation to from 148 to 51 and would give the Township "90 days from receipt of revised fair share obligations from the [DCA] to provide amended Housing Element and Fair Share Plans addressing the new number"; and

WHEREAS, Egg Harbor Township supports the NJILGA Legislation and would have the right to reduce its Round 4 obligation in the event that the Legislature enacts the NJILGA Legislation; and

WHEREAS, in addition to the foregoing, the Acting Administrative Director of the AOC issued Directive #14-24 on December 19, 2024; and

WHEREAS, pursuant to Directive #14-24, a municipality seeking a Fourth Round Compliance Certification from the entity created by the Amended FHA known as the Program, shall file an action in the appropriate venue with the Program, in the form of a Declaratory Judgment Complaint within 48 hours after adoption of the municipal resolution accepting or challenging its Fourth Round fair share obligations, or by February 3, 2025, whichever is sooner; and

WHEREAS, nothing in this Resolution shall be interpreted as an acknowledgment of the legal validity of AOC Directive #14-24 and the Township reserves any and all rights and remedies in relation to the AOC Directive; and

WHEREAS, the Township seeks a Compliance Certification from the Program and, therefore, wishes to file a Declaratory Judgment Complaint in the appropriate venue with the Program, along with a copy of this Resolution, within 48 hours of the adoption of this Resolution; and

WHEREAS, in light of the above, the Mayor and Township Committee finds that it is in the best interest of the Township to declare its obligations in accordance with this Resolution; and

NOW, THEREFORE, BE IT RESOLVED by the Committee of the Township of Egg Harbor, Atlantic County, State of New Jersey, as follows:

1. All of the Whereas Clauses are incorporated into the operative clauses of this Resolution as if set forth in full.

2. For the reasons set forth in this Resolution, the Mayor and Township Committee hereby commit to the DCA Fourth Round Present Need (Rehabilitation) Obligation of 164 and the Fourth Round Prospective Need (New Construction) Obligation of 130 as described in this Resolution, subject to all reservations of rights, which specifically include, without limitation, the following:

- a) The right to adjust the Township's fair share obligations based on a Structural Conditions Survey or similar survey, a Vacant Land Adjustment, a Durational Adjustment, and all other applicable adjustments, permitted in accordance with applicable COAH regulations or other applicable law; and
- b) The right to revoke or amend this Resolution in the event of a successful legal challenge, or legislative change, to the Amended FHA; and
- c) The right to take any contrary position, or adjust its fair share obligations, in the event of a third party challenge to the Township's fair share obligations.

3. Pursuant to the requirements of the FHA as amended, and the Administrator of the Court's (AOC) Directive #14-24 issued on December 19, 2024, the Township Committee hereby directs its Affordable Housing Counsel to file a Declaratory Judgment Complaint, along with this Resolution, a Case Information Statement (Civil CIS), and supporting expert report, in the appropriate venue with the Program or any other such entity as may be determined to be appropriate, to initiate an action within 48 hours of the adoption of this Resolution, so that the Township's Fourth Round Housing Element and Fair Share Plan can be reviewed and approved.

4. This resolution shall take effect immediately, according to law.

Dated: January 22, 2025

1. This Agreement is made pursuant to the authority contained in Section 37 of the New Jersey Housing and Mortgage Finance Agency Law of 1983 (N.J.S.A. 55:14K-1 *et seq.*) (hereinafter "HMFA Law") and a Resolution of the Council of the Municipality dated 5/28/25, (the "Resolution") and with the approval of the New Jersey Housing and Mortgage Finance Agency (hereinafter the "Agency"), as required by N.J.S.A. 55:14K-37.
2. The Project is or will be situated on those parcels of land located in the Township of Egg Harbor located at 16 Stafford Ave also known as Block 1013, Lots 32 and 33 on the Official Assessment Map of the Township of Egg Harbor ("Property").
3. The Sponsor is the contact purchaser of the real property set forth in Section 2 upon which the Sponsor proposes to construct seventy-five (75) rental units for very-low, low and moderate income families and one (1) rental unit for an on-site manager pursuant to HMFA Law and are creditworthy against the Township's Round 3 (1999-2025) and/or Round 4 (2025-2035) affordable housing obligations pursuant to the New Jersey Fair Housing Act (N.J.S.A. 52:27D-301 *et. seq.*) and all applicable affordable housing regulations ("Project").
4. As of the date the Sponsor executes a first mortgage upon the Project in favor of the Agency (hereinafter referred to as the "Agency Mortgage"), the land and improvements comprising the Project shall be exempt from real property taxes, provided that the Sponsor shall make payments in lieu of taxes to the Municipality as provided hereinafter and so long as the Sponsor or its successors and assigns and the Project provide low and moderate income housing in accordance with HMFA Law. The exemption of the Project from real property taxation and the sponsor's obligation to make payments in lieu of taxes shall not extend beyond the date on which the Agency Mortgage is paid in full, which, according to the HMFA Law, may not exceed fifty (50) years.
5. Pursuant to HMFA Law, the Municipality is authorized to grant a tax exemption to a project which meets or will meet an existing affordable housing need in the Municipality, provided that the Municipality makes said determination by means of a resolution and that in lieu of taxes, the Sponsor pays the Municipality an annual service charge for municipal services supplied to such project. Pursuant to a resolution of the Municipality, the Municipality has determined that the Project

will meet or meets an existing housing need and the units in the Project can be counted toward the Municipality's Third Round and/or Fourth Round affordable housing obligations.

6. (a) For projects receiving construction and permanent financing from the Agency, the Sponsor shall make payment to the Municipality of an annual service charge in lieu of taxes in such amount as follows:

(1) From the date of the execution of the Agency Mortgage until the date of substantial completion of the Project, the Sponsor shall make payment to the Municipality in an amount equal to the full assessed value of the property in effect at the time this Agreement is approved by the Court (pursuant to the HMFA Law, the annual amount may not exceed the amount of taxes due on the property for the year preceding the recording of the Agency Mortgage). As used herein, "Substantial Completion" means the date upon which the Municipality issues the Certificate of Occupancy for the seventy-six (76) units of the Project.

(2) From the date of Substantial Completion of the Project and for the remaining term of the NJHMFA Mortgage, the Sponsor shall make payment to the Municipality in an amount equal to Five Percent (5%) of Project Revenues.

(b) For Projects receiving permanent financing only from the Agency, the Sponsor shall make payment to the Municipality in an amount equal to Five Percent (5%) percent of Project Revenues from the date of the Agency Mortgage and for the remaining term of the Agency Mortgage.

(c) As used herein, "Project Revenues" means the total annual gross rental or carrying charge or other income of the Sponsor from the Project less the costs of utilities furnished by the Project, which shall include the costs of gas, electricity, heating fuel, water supplied, and sewage charges, and less vacancies if any. Project Revenues shall not include any rental subsidy contributions received from any federal or state program.

(d) The amount of payment in lieu of taxes to be paid pursuant to paragraphs (a) or (b) and (c) above is calculated in Exhibit "A" attached hereto. It is expressly understood and agreed that the revenue projections provided to the Municipality as set forth in Exhibit "A" and as part of the Sponsor's application for an agreement for payments in lieu of taxes are estimates only. The actual payments in lieu of taxes to be paid by the Sponsor shall be determined pursuant to Section 7 below.

(e) In each year during the term hereof, the Minimum Annual Payment will be increased as follows commencing on the first anniversary of the first full year after the Date of Completion of the Project: the prior year's Project Revenues shall be multiplied by 1.5% and that product shall then be multiplied by 5.0% and the amount by which that product shall exceed the

prior year's Minimum Annual Payment shall then be added to the prior year's Minimum Annual Payment (the "New Minimum Annual Payment"). Provided, however, in resetting New Minimum Annual Payment, annually in no case may the New Minimum Annual Payment ever exceed the actual Project Revenue for the prior year utilizing a vacancy allowance of ten percent (10%) in place of the allowance used in Exhibit "A" attached hereto.

7. (a) Payments by the Sponsor shall be made on a quarterly basis in accordance with bills issued by the Tax Collector of the Municipality in the same manner and on the same dates as real estate taxes are paid to the Municipality and shall be based upon Project Revenues of the previous quarter. No later than three (3) months following the end of the first fiscal year of operation after (i) the date of Substantial Completion (for projects receiving construction and permanent financing) or (ii) the date of the Agency Mortgage (for projects receiving permanent financing only) and each year thereafter that this Agreement remains in effect, the Sponsor shall submit to the Municipality a certified, audited financial statement of the operation of the Project (the "Audit"), setting forth the Project Revenues and the total payments in lieu of taxes due to the Municipality calculated at Five Percent (5%) percent of Project Revenues as set forth in the Audit (the "Audit Amount"). The Sponsor simultaneously shall pay the difference, if any, between (i) the Audit Amount and (ii) payments made by the Sponsor to the Municipality for the preceding fiscal year. The Municipality may accept any such payment without prejudice to its right to challenge the amount due. In the event that the payments made by the Sponsor for any fiscal year shall exceed the Audit Amount for such fiscal year, the Municipality shall credit the amount of such excess to the account of the Sponsor.

(b) All payments pursuant to this Agreement shall be in lieu of taxes and the Municipality shall have all the rights and remedies of tax enforcement granted to Municipalities by law just as if said payments constituted regular tax obligations on real property within the Municipality. If, however, the Municipality disputes the total amount of the annual payment in lieu of taxes due it, based upon the Audit, it may apply to the Superior Court, Chancery Division for an accounting of the service charge due the Municipality, in accordance with this Agreement and HMFA Law. Any such action must be commenced within one year of the receipt of the Audit by the Municipality.

(c) In the event of any delinquency in the aforesaid payments, the Municipality shall give notice to the Sponsor and NJHMFA in the manner set forth in 11(a) below, prior to any legal action being taken.

8. Notwithstanding any other provisions herein to the contrary, the tax exemption provided herein shall apply only so long as the Sponsor or its successors and assigns and the Project remain subject to the provisions of the HMFA Law and Regulations made thereunder and the supervision of the Agency and only so long as the Sponsor or its successors and assigns and the Project provide low and moderate income housing in accordance with HMFA Law, but in no event longer than the term of the Agency Mortgage. In the event of (a) a sale, transfer or conveyance of the Project by the Sponsor or (b) a change in the organizational structure of the Sponsor, this

Agreement shall be assigned to the Sponsor's successor and shall continue in full force and effect so long as the successor entity qualifies under the HMFA Law or any other state law applicable at the time of the assignment of this Agreement and assumes the Agency Mortgage.

9. Upon any termination of such tax exemption, whether by affirmative action of the Sponsor, its successors and assigns, or by virtue of the provisions of the HMFA Law, or any other applicable state law, the Project shall be taxed in the same fashion as any other real property in the Municipality in accordance with the law.

10. The Sponsor, its successors and assigns shall, upon request, permit inspection of property, equipment, buildings and other facilities of the Project and also documents and papers by representatives duly authorized by the Municipality. Any such inspection, examination or audit shall be made during reasonable hours of the business day, in the presence of an officer or agent of the Sponsor or its successors and assigns.

11. Any notice or communication sent by either party to the other hereunder shall be sent by certified mail, return receipt requested, addressed as follows:

(a) When sent by the Municipality to the Sponsor, it shall be addressed to 2 Cooper St, 14th Floor, Camden, NJ 08102 or to such other address as the Sponsor may hereafter designate in writing and a copy of said notice or communication by the Municipality to the Sponsor shall be sent by the Municipality to the New Jersey Housing and Mortgage Finance Agency, 637 South Clinton Avenue, P.O. Box 18550, Trenton, New Jersey 08650-2085.

(b) When sent by the Sponsor to the Municipality, it shall be addressed to the Township of Egg Harbor, 3515 Bargaintown Road, Egg Harbor Township, New Jersey 08234 or to such other address as the Municipality may designate in writing; and a copy of said notice or communication by the Sponsor to the Municipality shall be sent by the Sponsor to the New Jersey Housing and Mortgage Finance Agency, 637 South Clinton Avenue, P.O. Box 18550, Trenton, New Jersey 08650-2085.

12. In the event of a breach of this Agreement by either of the parties hereto or a dispute arising between the parties in reference to the terms and provisions as set forth herein, either party may apply to the Superior Court, Chancery Division, to settle and resolve said dispute in such fashion as will tend to accomplish the purposes of the HMFA Law.

13. Sponsor and Municipality understand that Municipality may retain the entirety of Sponsor's payment in lieu of taxes, and that the HMFA Law does not require Municipality to remit a portion of Sponsor's payment to Atlantic County. In the event Municipality is legally required to remit a portion of Sponsor's payment to Atlantic County, Sponsor shall reimburse Municipality for any such payments to Atlantic County. Sponsor shall remit such payment to the Municipality at the end of each quarter.

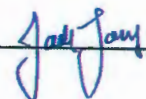

14. It is agreed and understood that subject to the terms and provisions of Paragraph 8 above, the Sponsor agrees that it shall not sell or transfer the Project together with the improvements to be located thereon, to any corporation, association or entity, unless such corporation, association or entity continues to provide low and moderate income housing in accordance with HMFA Law, without first obtaining the prior written consent of the Municipality, provided, however, that any transfer or syndication of interests in the Sponsor shall not be deemed to constitute a sale or transfer of the Project. The parties hereto understand and agree that current HMFA Law requires that the Project will provide very low, low and moderate income housing for a period not to exceed forty (40) years from Substantial Completion.

15. Notwithstanding any provision herein to the contrary, the Sponsor shall pay the fully assessed value of the land as it is assessed under applicable law in addition to all other payments set forth herein.

16. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement. It shall not be necessary in making proof of this Agreement to produce or account for more than a sufficient number of counterparts to evidence the execution of the Agreement by each party hereto.

The Township's Fourth Round Housing Element and Fair Share Plan will be approved by the Program and/or a court.

3.5 Obligation To Bear All Expenses Associated With Creating and Maintaining Creditworthy Units. The Township shall have no financial obligations under this provision to assure the creditworthiness of the units, and all associated expenses shall be solely borne by the Developer, its successors, or assigns.

3.6 Obligation To Cooperate With The Township In Its Efforts To Monitor The Units: The Parties acknowledge that the Township, or the Township's Administrative Agent, may

have the obligation from time to time to generate information necessary to demonstrate the status of and the creditworthiness of the affordable units in the Project. Developer, or the Developer's Administrative Agent, will cooperate with the Township, or the Township's Administrative Agent, on all monitoring and reporting requirements.

3.7 Obligation to Provide Infrastructure and Other Improvements: Except as set forth in Section 4.6 below, Developer will design and construct all infrastructure and other improvements necessitated by the Project in a workmanlike manner and in accordance with all applicable laws and regulations, as well as the requirements of the Overlay Zone attached hereto as Exhibit B. Developer acknowledges that such infrastructure improvements may include, but are not limited to, road improvements, walkways, storm water facilities, sidewalks, electric power transmission lines, sewer transmission conduits or pipes, water lines or pipes, storm sewers, telephone transmission lines, television/internet cable lines and other utilities. The Developer agrees that it is solely responsible to undertake the appropriate measure to negotiate with, acquire, relocate or otherwise address the existence of these utilities and infrastructure or other improvements and easements therefore, in order to complete the Project as provided by this Agreement.

3.8 Obligation to Enter PILOT Agreement At Specific Rate: Developer's obligations contained in this Agreement are expressly conditioned upon the execution of a mutually acceptable Agreement for Payment in Lieu of Taxes (hereinafter "PILOT"), providing for five percent (5%) of the Project's annual gross revenue less utilities as a payment in lieu of taxes pursuant to the authority contained in Section 37 of the New Jersey Housing and Mortgage Finance Agency Law of 1983 (N.J.S.A. 55:14K-1 et seq.) (the "HMFA Law") with the approval of the New Jersey Housing and Mortgage Finance Agency, as required by N.J.S.A. 55:14K-37 or other New Jersey law that authorizes the PILOT agreement with respect to the Project.

3.9 Obligation To Obtain A Certificate of Completion: The Developer shall be responsible to obtain, from the Township, a Certificate of Completion as set forth *infra* in Section 4.5.

3.10 Obligation To Lease Units In Manner That Maintains Their Creditworthiness: The Developer, including its successors and assigns, shall have the continuing responsibility to lease the units in accordance with applicable Federal, State, and local laws for at least forty (40) years and maintain the Mount Laurel creditworthiness of the units. In the event of any breach of this continuing responsibility, the Township shall have all remedies available in equity and law

3.11 Financing and Acquisition Contingency. Notwithstanding anything to the contrary in this Agreement, this Agreement is contingent upon (a) Developer obtaining financing for Developer's acquisition and construction of the Project, and (b) Developer's acquisition of title to the Property.

ARTICLE IV - OBLIGATIONS OF THE TOWNSHIP

4.1 Obligation Of Township To Appoint Egg Harbor Family 3 LLC As The Developer Of The Subject Property: Egg Harbor Family 3 LLC is hereby designated as Developer of the Property and shall have the exclusive right to develop and implement the Project

in accordance with the terms and conditions of this Agreement. Subject to Section 9.9 herein, Developer may not assign or transfer these rights or responsibilities without the prior written authorization of the Township.

4.2 Obligation to Provide A PILOT: Subject to appropriate notice to the public and the public's opportunity to be heard, and consistent with Section 3.9 of this Agreement, the Township shall execute an Agreement for Payment in Lieu of Taxes.

4.3 Obligation To Waive Specified Fees: The Township shall contribute the Township-controlled Inspection Fee, Building Permit Fees and Recreation Fee as part of an agreed upon total contribution by the Township from its Affordable Housing Trust Fund. Specifically, the contribution of said fees is limited to the cost of Township's "in-house personnel" and municipal permit fees. Any fees or costs associated with inspections, reviews undertaken or permits by outside professionals, consultants, or contractors to the Township will be paid by the Developer. In addition, the contribution of the Recreation Fee is contingent upon the Developer providing on-site recreation for the families who will live in the Project in accordance with attached Exhibit A. The Parties will cooperate to determine the value of such contributions set forth in this Section.

4.4 Obligation To Assist Developer In Pursuing Tax Credits and Provide Financing. The Township shall adopt resolutions and take other appropriate actions to provide the support required to facilitate Developer's efforts to secure the funding from non-municipal sources necessary to assist the economic feasibility of the Project. The Township will work with the Developer in preparing an eligible and competitive tax credit application. The Parties acknowledge that to be competitive, the Developer will need to demonstrate that it has established site control, secured preliminary and final site plan approval and entered into a PILOT consistent with this Agreement. The Township shall provide \$1,300,000 in financing to Developer for the Project from its Affordable Housing Trust Fund or through bonding on terms and conditions satisfactory to Developer, which financing shall be provided at the time of Developer's financial closing necessary to construct the Project.

4.6 Obligation To Pay Cost Of Connection Fee: The Township agrees to pay as a contribution the Egg Harbor Township Municipal Utilities Authority connection fee on behalf of the Developer to assist in offsetting the development cost of the Project as part of an agreed upon total contribution by the Township from its Affordable Housing Trust Fund.

4.7 Planning Board Contingency: This Agreement is contingent upon Developer securing Planning Board approvals for the construction of the seventy-five (75) affordable units as described herein.

4.8 Obligation to Provide Evidence of inclusion of the Project in the Township's Fourth Round Housing Element and Fair Share Plan. The Township shall include this Project in its Fourth Round Housing Element and Fair Share Plan. The Township shall additionally provide such documentation as reasonably requested by the Developer to demonstrate in its funding applications that the Project will be included in the Township's Fourth Round Housing Element and Fair Share Plan as will be approved by the Program and/or a court of competent jurisdiction as set forth in the amended Fair Housing Act, AOC Directive #14-24, and all other applicable regulations or rules regarding same.

4.9 Obligation to Cooperate with the Developer to close on the construction and permanent financing. The Township shall provide such documentation as reasonably requested by the Developer in order to effectuate the financial closings necessary to construct the Project and upon completion to put in place the permanent financing. This documentation shall include but not be limited to providing estoppels certificates evidencing that the Developer is in good standing with respect to its performance in accordance with the terms of this Agreement.

4.10 Obligation to Provide Funds to Purchase Mitigation Credits or Provide a Mitigation Site to NJDEP. This Agreement is contingent upon Developer securing approvals (collectively, the "CAFRA Approvals") from the New Jersey Department of Environmental Protection ("NJDEP") including, without limitation, CAFRA approval for the Project. In connection with the CAFRA Approvals, Developer will be required by NJDEP (the "NJDEP Requirement") to purchase mitigation credits from NJDEP (the "Mitigation Credits"). Prior to the financial closings necessary to construct the Project as referred to in Section 4.9 herein, the Township will provide funds to Developer to purchase the Mitigation Credits from the Affordable Housing Trust Fund.

ARTICLE V – AFFORDABLE HOUSING CREDITS

5.1 Application Of Affordable Housing Credits: The Parties agree that the Township shall be permitted to count the affordable housing units contemplated by this Agreement towards the Township's Prior Round Third Round, and/or Fourth Round affordable housing obligations, as well as any bonus credits that may be applicable to the project.

ARTICLE VI– COOPERATION AND COMPLIANCE

6.1 Implementation of Agreement: The Parties agree to cooperate with each other and to provide all necessary and reasonable documentation, certificates, consents in order to satisfy the terms and conditions hereof and the terms and conditions of this Agreement. The Township's obligation to cooperate shall be further conditioned upon the Developer paying and maintaining current real estate taxes and ultimately the PILOT.

6.2 Enforcement of Agreement: The Parties hereto agree to cooperate with each other, furnish all necessary and reasonable documentation and take all necessary actions to assure compliance with the terms of this Agreement.

ARTICLE VII – NOTICES

7.1 Notices: Any notice or transmittal of any document required, permitted or appropriate hereunder and/or any transmittal between the Parties relating to the Property (herein "Notice[s]") shall be written and shall be served upon the respective Parties by facsimile or by certified mail, return receipt requested, or recognized overnight or personal carrier such as, for example, Federal Express, with certified proof of receipt, and, where feasible (for example, any transmittal of less than fifty (50) pages), and in addition thereto, a facsimile delivery shall be provided. ARTICLE VIII – MISCELLANEOUS

8.1 Severability: Unless otherwise specified, it is intended that the provisions of this Agreement are to be severable. The validity of any article, section, clause or provision of this Agreement shall not affect the validity of the remaining articles, sections, clauses or provisions hereof. If any section of this Agreement shall be adjudged by a court to be invalid, illegal, or unenforceable in any respect, such determination shall not affect the remaining sections.

8.2 Successors Bound: The provisions of this Agreement shall run with the land, and the obligations and benefits hereunder shall be binding upon and inure to the benefit of the Parties, their successors and assigns, including any person, corporation, partnership or other legal entity which at any particular time may have a fee title interest in the Property which is the subject of this Agreement.

8.3 Governing Law: This Agreement shall be governed by and construed by the laws of the State of New Jersey.

8.4 No Modification: This Agreement may not be modified, amended or altered in any way except by a writing signed by each of the Parties.

8.5 Recording: It is intended that this Agreement will be recorded in the Clerk's Office of Atlantic County by the Developer.

8.6 Counterparts: This Agreement may be executed in any number of counterparts, each of which shall be an original and all of which together shall constitute but one and the same Agreement.

8.7 Voluntary Agreement: The Parties acknowledge that each has entered into this Agreement on its own volition without coercion or duress after consulting with its counsel, that each party is the proper person and possess the authority to sign the Agreement, that this Agreement contains the entire understanding of the Parties and that there are no representations, warranties, covenants or undertakings other than those expressly set forth herein.

8.8 Interpretation: In the event of any subsequent dispute or ambiguity involving the interpretation of this Agreement, inasmuch as both Parties and their attorneys have had substantial input into the terms and conditions contained herein, this Agreement shall not be interpreted against either Party.

8.9 Assignment: None of the Parties may assign this Agreement without the written consent of the other Parties. Furthermore, the Developer may, upon advance notice to the Township, but without consent of Township, assign this Agreement to other existing or to be created entities that are owned or controlled by the Developer.

ARTICLE IX – TOWNSHIP TERMINATION RIGHTS

9.1 Additional Termination Rights of Township. In addition to the rights and remedies set forth in this Agreement, the Township shall have the right to terminate this Agreement upon written notice to Developer, notwithstanding the occurrence of an uncontrollable circumstance or an Event of Default described below, if Developer has not commenced construction of the Project within five years of the approval of this Agreement by the Court, unless extended by the Parties and consistent with the time extension provisions and criteria of the Municipal Land Use Law at N.J.S.A. 40:55D-49.

ARTICLE X - EVENTS OF DEFAULT AND REMEDIES

10.1 Events of Default. Any one or more of the following shall constitute an Event of Default hereunder, unless such event results from the occurrence of an uncontrollable circumstance, such as an act of God (lightning, blizzards, hurricanes, etc.), man-made disasters (an explosion, nuclear radiation, etc.), a Federal or State court order, a delay caused by not getting a governmental approval, or a strike or similar labor action:

(a) Failure of the Developer or the Township to observe and perform any covenant, condition or agreement in this Agreement and continuance of such failure for a period of thirty (30) days, after receipt by the Party of written notice from the other Party specifying the nature of such failure and requesting that such failure be remedied (“Default Notice”); provided however that in the event any such default is not capable of being cured within said period, then provided that the defaulting Party has diligently commenced a cure within such period, the cure period shall be extended for an additional period of time necessary to allow Developer to effect the cure.

(b) The Developer shall have applied for or consented to the appointment of a custodian, receiver, trustee or liquidator of all or a substantial part of its assets; (ii) a custodian shall have been legally appointed with or without consent of the Developer; (iii) the Developer (A) has made a general assignment for the benefit of creditors, or (B) has filed a voluntary petition in bankruptcy or a petition or an answer seeking an arrangement with creditors or has taken advantage of any insolvency law; (iv) the Developer has filed an answer admitting the material allegations of a petition in any bankruptcy or insolvency proceeding; or (v) the Developer shall take any action for the purpose of effecting any of the foregoing; (vi) a petition in bankruptcy shall have been filed against the Developer and shall not have been dismissed for a period of sixty (60) consecutive days; (vii) an Order for Relief shall have been entered with respect to or for the benefit of the Developer under the Bankruptcy Code; or (viii) an order, judgment or decree shall have been

entered, without the application, approval or consent of the Developer by any court of competent jurisdiction appointing a receiver, trustee, custodian or liquidator of the Developer or a substantial part of its assets and such order, judgment or decree shall have continued un-stayed and in effect for any period of sixty (60) consecutive days.

(c) The Developer shall fail to satisfy its obligations with respect to the timely construction of the Project in accordance with this Agreement, following the issuance of any Governmental Approvals required to do so, or shall abandon or substantially suspend construction work, and any such failure, abandonment or suspension shall not be cured, ended, or remedied within ninety (90) days after receipt of the Default Notice from the Township, provided, however, if the default or violation is one which cannot be completely remedied within ninety (90) days after receipt of the Default Notice, it shall not be an Event of Default as long as the defaulting party is proceeding with due diligence to remedy the same.

(d) The Developer shall otherwise default in or violate its obligations with respect to this Agreement and any such default or violation shall not be cured, ended, or remedied within thirty (30) days after receipt of the Default Notice from the Township; provided however that in the event any such default is not capable of being cured within said period, then provided that Developer has diligently commenced a cure within such period, the cure period shall be extended for an additional period of time necessary to allow Developer to effect the cure.

(e) The Developer or any successor Developer shall fail to pay any real estate taxes as required by the PILOT Agreement or assessments with respect to the Site.

(f) The occurrence of any action or inaction by the Developer which nullifies, terminates, delays or endangers compliance for any of the residential units within the Project or the Township's entitlement to credits and rental bonuses for all of the units contemplated by this Agreement and any such default, nullification, termination, delay, endangerment or violation shall not be cured, ended, or remedied within thirty (30) days after receipt of the Default Notice from the Township; provided however that in the event any such default is not capable of being cured within said period, then provided that Developer has diligently commenced a cure within such period, the cure period shall be extended for an additional period of time necessary to allow Developer to effect the cure.

(g) The Developer shall not implement a Transfer of the Project without the prior written consent of the Township, which consent shall not be unreasonably withheld.

10.2 Remedies Upon Event of Default:

(a) Termination or Institution of Lawsuit. In the event of an Event of Default by any Party hereto, the non-defaulting Party shall provide notice of the default to the other Party. The Party accused of default shall have 30 days either to agree or dispute the claim of default. If the Party accused of default disputes the default, then the non-defaulting Party may terminate this Agreement upon a final un-appealable judgment of a Court having jurisdiction over this matter and/or may institute whatever action, at law or in equity, it may deem desirable, including the seeking of damages.

(b) **Additional Remedies in the Event of Default.** In the event of an Event of Default, in addition to the right to terminate the Agreement, the Township may implement any or all of the following remedies:

- (i) Suspension of cooperation with Developer pursuant to the terms of this Agreement;
- (ii) Suspension of the review and/or approval process of any application or submission related to any Governmental Approvals;

(c) **Additional Remedies of the Township in the Event of Termination of the Agreement.** In the event that this Agreement is terminated by the Township, the Developer's designation as the Developer of the Project shall in that event automatically terminate.

10.3 No Waiver of Rights and Remedies by Delay: Any delay by an aggrieved Party in instituting or prosecuting any actions or proceedings or otherwise asserting its rights under this Agreement shall not operate as a waiver of such rights and shall not deprive the aggrieved Party of such rights or limit the aggrieved Party's rights in any way. It is the intent of this provision that the Parties' rights under this Agreement shall not be unduly abridged by concepts of waiver, laches, or otherwise, so that the Parties may enforce their rights while it is still possible to resolve the problems created by the default involved. Nor shall any waiver in fact made by the aggrieved Party with respect to any specific default by the defaulting Party under this Agreement be considered or treated as a waiver of the rights of the aggrieved Party with respect to any other defaults by the defaulting Party under this Agreement or with respect to the particular default except to the extent specifically waived in writing

11.4 Termination by Developer due to Infeasibility: Upon sixty (60) day notice by the Developer to the Township, the Developer may terminate this Agreement due to its reasonable determination that the Project is not feasible. The Developer shall make such a determination if despite its best efforts the following conditions exist:

- a) That the Developer despite its best efforts and cooperation by the Township cannot obtain necessary funding sources to complete the Project as contemplated in this Agreement;
- b) That environmental or other site conditions are discovered that render Project completion infeasible;
- c) The costs and time of prevailing in a legal action challenging the granting of approvals necessary for the implementation of the Project become prohibitive.

In the event that the Developer issues to the Township a notice that the Project is infeasible, the Parties shall cooperate in good faith to secure additional funding or to remedy the condition that renders the Project infeasible during the notice period (or such extension as agreed to by the Developer). In the event that after such period, the Project remains infeasible, this Agreement shall terminate and each party shall have no further obligations to the other in connection with this Agreement.

ARTICLE XI - EXHIBITS AND SCHEDULES

11.1 Schedules: Any and all Exhibits and Schedules annexed to this Agreement are hereby made a part of this Agreement by this reference thereto. Any and all Exhibits and schedules now and/or in the future are hereby made or will be made a part of this Agreement with prior written approval of both Parties.

ARTICLE XII - ENTIRE AGREEMENT

12.1 Entire Agreement: This Agreement constitutes the entire Agreement between the parties hereto and supersedes all prior oral and written agreements between the parties with respect to the subject matter hereof except as otherwise provided herein.

ARTICLE XIII - CONFLICT OF INTEREST

13.1 Conflict of Interest: No member, official or employee of the Township shall have any direct or indirect interest in this Agreement, nor participate in any decision relating to the Agreement which is prohibited by law, absent the need to invoke the rule of necessity.

ARTICLE XIV - EFFECTIVE DATE

14.1 Effective Date: Anything herein contained to the contrary notwithstanding, the effective date of this Agreement shall be the date upon which all of the Parties hereto have executed and delivered this Agreement.

EXECUTIVE SUMMARY

The Redevelopment Area includes three tax parcels, Lots 5, 6 and 8 in Block 1223, located in the Township's HB Highway Business zoning district and one parcel, Lot 7 in Block 1305, located in the RG-4 Residential zoning district. The parcels in Block 1223 are bounded by the Black Horse Pike, Spruce Avenue and Fork Road. A total of 4 tax lots, with a total area of 48.45 acres, comprise the Redevelopment Area. To the east of the Redevelopment Area, there are existing commercial businesses, including Bob's Garden Center. The lots to the west of the Redevelopment Area along the Black Horse Pike are a mix of commercial businesses. To the north of the Redevelopment Area, there are residentially developed lots and the Davenport School and the Atlantic City Expressway. The lots to the south of the Redevelopment Area are commercially developed lots along the Black Horse Pike.

Based on the uses permitted and the state of existing uses, this area of the Township has been underutilized. The Township of Egg Harbor recognizes the importance of improving this area and has taken steps to study and effectuate the improved development of the area. On April 19, 2021, the Egg Harbor Township Planning Board held a public hearing and determined that the Study Area, Block 1223, Lots 5, 6 & 8 and Block 1305, Lot 7, qualifies as an "Area in need of Redevelopment" as memorialized by unnumbered Resolution. The Township adopted the Planning Board's determination by Resolution No. 247 on May 5, 2021. The designation of a Non-condemnation Redevelopment Area permits the Township of Egg Harbor to use all the powers provided for in the Local Redevelopment and Housing Law, except that the use of eminent domain shall not be permitted.

The Township has determined that use of the redevelopment planning tools will help to strengthen the Township's economic base by improving the conditions and redevelopment opportunities in the in the Highway Business and RG-4 Residential zoning districts. Block 1223, Lot 5, 6 & 8 and Block 1305, Lot 7 are underutilized and offer the Township an opportunity to spur economic revitalization to effectuate the goals of the Township's Highway Business and RG-4 Residential zoning districts. Therefore, Egg Harbor Township Planning Board has prepared this Redevelopment Plan for consideration and adoption by the Egg Harbor Township Committee.

This Redevelopment Plan aims to support redevelopment of the vacant parcels with a mixed-use development consisting of commercial development along the Black Horse Pike and a residential development consisting of garden apartments along Spruce Avenue. The site is currently vacant and has been determined to be an "Area in Need of Redevelopment" since it has remained vacant for a significant period of time despite the investment and improvements nearby. The commercial and residential developments will enhance the local area and benefit the community.

This Redevelopment Plan is designed specifically for the Properties located at 6602 & 6606 Black Horse Pike and 2509 & 2512 Spruce Avenue, also known as Block 1223, Lots 5, 6 & 8 and Block 1305, Lot 7, hereafter referred to as the "Timber Ridge Redevelopment Plan."

INTRODUCTION

Egg Harbor Township

Egg Harbor Township is located on the Great Egg Harbor Bay at the southern tip of Atlantic County, New Jersey. Per the 2010 United States Census, the Township's population was 43,323, reflecting an increase of 12,597 (+41.0 percent) from the 30,726 counted in the 2000 Census, which had in turn increased by 6,182 (+25.2 percent) from the 24,544 counted in the 1990 Census. Since 2010, the population is estimated to have declined slightly to 42,249 as of 2019.

The Township is bordered by the Great Egg Harbor Bay to the south, Hamilton Township to the west, Galloway Township and the City of Absecon to the north and Absecon Island to the east. Portions of the Township, notably the West Atlantic City, Anchorage Poynte and Seaview Harbor neighborhoods, are not contiguous to the main body of the municipality, having been separated from the mainland portion of the Township as the region's municipalities were formed in the late 19th and early 20th centuries.

Egg Harbor Township includes the unincorporated villages of Bargaintown (the Township's seat of government), Cardiff, English Creek, Farmington, Scullville (formerly known as Jeffers), Steelmanville and West Atlantic City, as well as part of McKee City. Other localities and place names located partially or completely within the Township include Devenshire, English Creek Landing, Greenwood, Idlewood, Jeffers Landing, Jobs Point, Jones Island, McKee City Station, Mount Calvary, Pleasantville Terrace, Pork Island, Rainbow Islands and Sculls Landing.

The Township is one of 56 New Jersey municipalities that are partially or wholly located within the regulated New Jersey Pinelands Area and the Pinelands National Reserve. The Pinelands Area is a protected natural area of unique ecology and water quality covering 1,100,000 acres, that was established as the nation's first national reserve by an act of Congress in 1978. The Pinelands has also been classified as a United States Biosphere Reserve. The Pinelands Comprehensive Management Plan provides the foundations for land use planning within the Pinelands Area and includes seven management areas. The Township is designated a Pinelands Regional Growth Area with the Pinelands Area located west of the Garden State Parkway and north of Ocean Heights Avenue.

Redevelopment Area - Block 1223, Lots 5, 6 & 8 and Block 1305, Lot 7

The Township Committee of Egg Harbor Township adopted Resolution No. 116 on February 3, 2021 authorizing the Planning Board to undertake an investigation of the Study Area, Block 1223, Lots 5, 6 & 8 and Block 1305, Lot 7 to determine if it meets the criteria under the New Jersey Local Redevelopment and Housing Law - N.J.S.A. 40A:12A-1 et seq. (LRHL) as an area in need of redevelopment.

The Egg Harbor Township Planning Board held a public hearing and determined that the above mentioned parcel satisfied the criteria under the LRHL as an area in need of redevelopment by an unnumbered Resolution adopted on April 19, 2021. The Township Committee adopted the Planning Board's determination by Resolution No. 247 of 2021 on May 5, 2021.

DESCRIPTION OF REDEVELOPMENT AREA

This report focuses on Block 1223, Lots 5, 6 & 8 and Block 1305, Lot 7, hereafter "Redevelopment Area." The Redevelopment Area consists of the four vacant parcels with frontage on the Black Horse Pike and Spruce Avenue.

Lot 5 in Block 1223 is a 18.71 acre parcel located in the HB Highway Business zoning district. The lot has frontage on the Black Horse Pike and Fork Road. The lot also has approximately 73 feet of frontage on Goldenrod Lane. The lot is currently wooded and vacant.

Lot 6 in Block 1223 is a 17.33 parcel located in the HB Highway Business zoning district. The lot has frontage on the Black Horse Pike and Spruce Avenue. The lot is currently wooded and vacant.

Lot 8 in Block 1223 is a 5.74 acre parcel located in the HB Highway Business zoning district. The lot has frontage on Spruce Avenue. The lot is wooded and vacant.

Lot 7 in Block 1305 is a 6.67 acre parcel located in the RG-4 Residential zoning district. The lot has frontage on Spruce Avenue. The lot is adjacent to an existing single-family development. The lot is wooded and vacant.

EXISTING ZONING REQUIREMENTS

The Redevelopment Area includes Block 1223, Lot 5, 6 & 8 located in the Township's Highway Business zoning district and Block 1305, Lot 7 located in the RG-4 Residential zoning district.

The intent and purpose of the Highway Business Zone is to provide and encourage the development of commercial uses along the Black Horse Pike to provide services to the

residents and those traveling through Egg Harbor Township. The permitted uses in the HB zoning district include restaurants, including drive-in and quick-food restaurants; professional or business offices; banks; private or public schools, clubs and eleemosynary uses; food markets and supermarkets, delicatessens, bakeries; liquor stores; personal service establishments limited to shoe shops, laundries, barbershops, beauty parlors, hardware shops and drugstores; business services limited to shops of plumbers, carpenters, electricians, painters or similar tradesmen; warehouses and office buildings; furniture, furnishings and household appliance stores; commercial recreation facilities, including outdoor and indoor theaters, miniature golf and golf driving ranges, batting cages, bowling alleys, indoor soccer, skating rinks and other similar uses; funeral homes; shopping centers; banks chartered under state or federal law, not including drive-in facilities; retail sales and retail services; personal wireless telecommunications facility not to exceed 120 feet in height; car wash; home improvement stores, including the sale of building materials and lumber; fast-food restaurants; drive-in banking facilities; and a public garage, new motor sales or leasing agency or used motor vehicle sales agency (provided that it is incidental to the sale of new motor vehicles).

The intent and purpose of the RG-4 Residential zoning district is to provide residential development within in the Pineland's Regional Growth Area at a maximum permitted density of six (6) dwelling units per acre. The permitted uses in the RG-4 Residential zoning district include single-family detached dwellings; public parks, playgrounds, active and passive recreation; and two-family dwellings. Single-family attached dwellings are permitted in the RG-4 zoning district providing that the minimum tract size is three acres, no single-family attached dwelling will front on a public street, a ten-foot wide perimeter buffer is provided, no more than eight (8) single-family attached dwellings shall be contained in any one continuous structure and public sewer must be provided.

Based on the current RG-4 zoning, a total of forty (40) units could be developed on Block 1305, Lot 7 based on the 6.67 acres at a density of six (6) units per acre. The RG-4 ordinance would also provide for a twenty percent (20%) set-aside for affordable housing units within the development or a total of eight (8) affordable units. The Timber Ridge redevelopment should include provisions for the eight (8) affordable units within the proposed plan.

Redeveloping the Study Area will be beneficial to the Township and overall community because the site is currently underutilized and is not currently contributing to the economic base of the Township.

REDEVELOPMENT PLAN GOALS AND OBJECTIVES

The primary goal of this Redevelopment Plan is to strengthen the Township's economic base by improving and broadening redevelopment opportunities within the Redevelopment Area. Block 1223 Lots 5, 6 & 8 and Block 1305 Lot 7 are underutilized, are served by transportation routes, and have access to infrastructure and utilities. As such the property presents an opportunity for an economic revitalization and an opportunity to realize the goals of the Township's Highway Business and RG-4 Residential zoning districts.

REDEVELOPMENT PLAN

The Redevelopment Plan is designed to address the redevelopment of the properties located at 6602 & 6606 Black Horse Pike and 2509 & 2512 Spruce Avenue, also known as Block 1223, Lots 5, 6 & 8 and Block 1305, Lot 7. This redevelopment area shall be referred to as the Timber Ridge Redevelopment Area.

RELATIONSHIP TO OTHER PLANS

An important requirement of a Redevelopment Plan is consistency with the goals and objectives of already adopted plans for the area. This Redevelopment Plan is specifically designed to promote redevelopment of the subject property. The overall goal of the Township's Master Plan is to continue development patterns that reduce trip generation, create livable communities and to enhance the overall quality of life for the residents of Egg Harbor Township. This redevelopment plan is specifically designed to promote the redevelopment of the subject property and advances the goals of the Township's master plan. (N.J.S.A. 40A:12A-7a(1)).

Township Plans - (N.J.S.A. 40A:12A-7d)

The Master Plan for the Township of Egg Harbor was adopted on April 15, 2002, with a Reexamination Report in October 2008 and June 2017. This Redevelopment Plan helps to achieve the following Master Plan Goals:

- To promote the establishment of appropriate locations within the Township for agricultural, residential, recreational/open space, governmental, commercial and industrial uses.
- To promote the appropriate population densities and concentrations which promote the well-being of residents, neighborhoods, the regions, and the preservation of the environment.
- To encourage a balance of land residential, commercial, industrial, and agricultural development, in areas and at intensities compatible with environmental and natural resource capabilities.
- To encourage development near existing or readily extendable infrastructure, particularly sanitary sewers and public water distribution systems.
- To maintain, preserve and upgrade the quality of existing residential and commercial areas.

- To provide the reasonable opportunity for an appropriate variety and choice of housing to meet the needs, desires and resources of all categories of people who desire to live within the municipality.
- To recognize existing patterns and densities of development and encourage future growth that is contiguous with existing developed areas and compatible with its established character and consistent with present health and environmental requirements pertaining to on-site septic disposal.
- To promote the purposes of the State Development and Redevelopment Plan, including limiting sprawl by concentrating development in cores, nodes, and /or centers.

County Plans - (N.J.S.A. 40A:12A-7a(5)(b))

The following goals and objectives of the Atlantic County Master Plan adopted in May 2018 are advanced by the proposed redevelopment:

- Promote quality growth and development in areas where capital facilities are available.
- To discourage growth in areas that would require unplanned extension of capital facilities.
- Promote lands for a diversity of economic development opportunities within the communities of Atlantic County

The proposed redevelopment plan is therefore consistent with the Master Plan of Atlantic County.

State Development and Redevelopment Plan - (N.J.S.A. 40A:12A-7a(5)(c))

Any redevelopment is also consistent with the State Development and Redevelopment Plan. The redevelopment area is located in a Pinelands Regional Growth Area. In 1999, the State Planning Commission recognized through a Memorandum of Agreement with the New Jersey Pinelands Commission that a Pinelands Regional Growth Zone was equivalent to a Planning Area 2 (Suburban). The following goals relating to PA2 areas are achieved through the implementation of this Redevelopment Plan:

- Provide for much of the State's future redevelopment;
- Revitalize cities and towns;
- Promote growth in Centers and other compact forms; and
- Protect the character of existing stable communities.

The Redevelopment Plan is consistent with the State Development and Redevelopment Plan.

General Provisions

The definitions provided in N.J.S.A. 40A:12A-3 are incorporated into this plan by reference. Any plans or plats approved by the Township of Egg Harbor or its agencies and subsidiaries prior to the adoption of this redevelopment plan shall not be subject to the requirements of this redevelopment plan.

Redevelopment Entity

As permitted under N.J.S.A. 40A:12A-4, the Governing Body is hereby designated the entity to implement this redevelopment plan. When necessary for the implementation of this plan, the Township of Egg Harbor may enter into an agreement with a redeveloper for any construction or other work to carry out this redevelopment plan. (N.J.S.A. 40A:12A-4-(c))

Agreements with Redevelopers

In accordance with N.J.S.A. 40A:12A-9, the following shall apply to all redeveloper agreements:

1. All agreements, leases, deeds and other instruments between the redevelopment entity and a redeveloper shall contain a covenant running with the land requiring that the owner shall construct only the uses established in the current redevelopment plan. All agreements shall include a provision requiring the redeveloper to begin the building of the improvements for those uses within a period of time which the redevelopment entity fixes as reasonable.
2. The redeveloper shall agree to retain interest in the project until the completion of construction and development of the specific project. If the redeveloper requires a third party financing agreement, the redeveloper shall manage the project through completion. If the redeveloper is required to relinquish any interest in the project to a third party, the approval of the redevelopment entity is required. The redeveloper shall agree not to lease, sell or transfer interest or any part thereof without prior written approval of the redevelopment entity.
3. Upon completion of the required improvements, the conditions determined to exist at the time the area was determined to be in need of redevelopment shall be deemed to no longer exist. Thus, the land and improvements thereon shall no longer be subject to this plan and the Local Redevelopment and Housing Law.

4. The covenants, provisions and controls shall be deemed satisfied upon termination of the agreements and covenants entered into by the redeveloper to construct the improvements and to perform the redevelopment. The rights of any third party acquired prior to termination of the agreements, including, but not limited to, any tax exemption or abatement granted pursuant to law, shall not be negatively affected by termination and satisfaction of the covenants.

Time Limits

The redeveloper of a specific project within the redevelopment area shall begin the development of land and construction of improvements within a reasonable period of time to be determined in an agreement between Township of Egg Harbor and a duly designated redeveloper. (N.J.S.A. 40A:12A-8(f)). The Redevelopment Plan does not have an expiration date. Once a redevelopment project has been completed in accordance with the Redevelopment Plan and Redevelopment Agreement, and the Redevelopment Entity has affirmed that all obligations have been satisfied; the conditions that warranted the redevelopment area designation shall be deemed to no longer exist. This shall also be reflected in covenants established between the Township/Redevelopment Entity and a redeveloper in accordance with N.J.S.A. 40A:12A-9.

Discrimination Ban

No covenant, lease conveyance or other instrument shall be executed by the redevelopment entity or the redeveloper whereby land or structures with this redevelopment is restricted upon the basis of race, creed, color, gender, marital status, age, disability, familial status or national origin. The termination of this plan shall in no way permit the land or structures of the redevelopment area to be restricted on the basis of race, creed, color, gender, marital status, age, disability, familial status or national origin.

Deviations from Provisions of Approved Redevelopment Plan

The Planning Board may review and retain jurisdiction over applications requiring relief for deviations from this Redevelopment Plan or other Township development ordinances, except as set forth below. Accordingly, an amendment to the Redevelopment Plan shall not be necessary if the selected developer(s) desires to deviate from the bulk provisions set forth in this Redevelopment Plan or the pertinent sections of the Egg Harbor Township Development Regulations and Zoning Ordinance, the HB Highway Business zoning district, or from the design standards set forth in this Redevelopment Plan or other Township development ordinances so long as the Redeveloper obtains an appropriate variance from the Planning Board. All requests for such relief shall be made to the Planning Board accompanied by a complete application for development as otherwise required by Township ordinance. Decisions on such requests shall be made in accordance with the legal standards set forth in N.J.S.A. 40:55D-70(c) in the case of requests for relief from zoning

standards, and in accordance with the legal standards set forth in N.J.S.A. 40:55D-51 in the case of requests for relief from design standards.

No deviations shall be granted that result in any of the following effects or conditions:

1. To allow a use not specifically permitted within the Redevelopment Area;
2. Deviation from the contractual obligations of the redeveloper to the Redevelopment Entity;
3. Any Deviation requiring a variance pursuant to N.J.S.A. 40:55D-70(d)(1).

Amendments to Approved Redevelopment Plan

This Redevelopment Plan may be amended from time to time in accordance with the provisions of the Local Redevelopment and Housing Law of 1992, as may be amended.

Repeal and Severability Statements

All ordinances or parts of ordinances inconsistent with this Redevelopment Plan are repealed to the extent of such inconsistency only. If any provision or regulation of this redevelopment plans should be judged invalid by a court of competent jurisdiction, such order or plan shall not affect the remaining portions of this plan which shall remain in full force and effect.

CONCLUSION

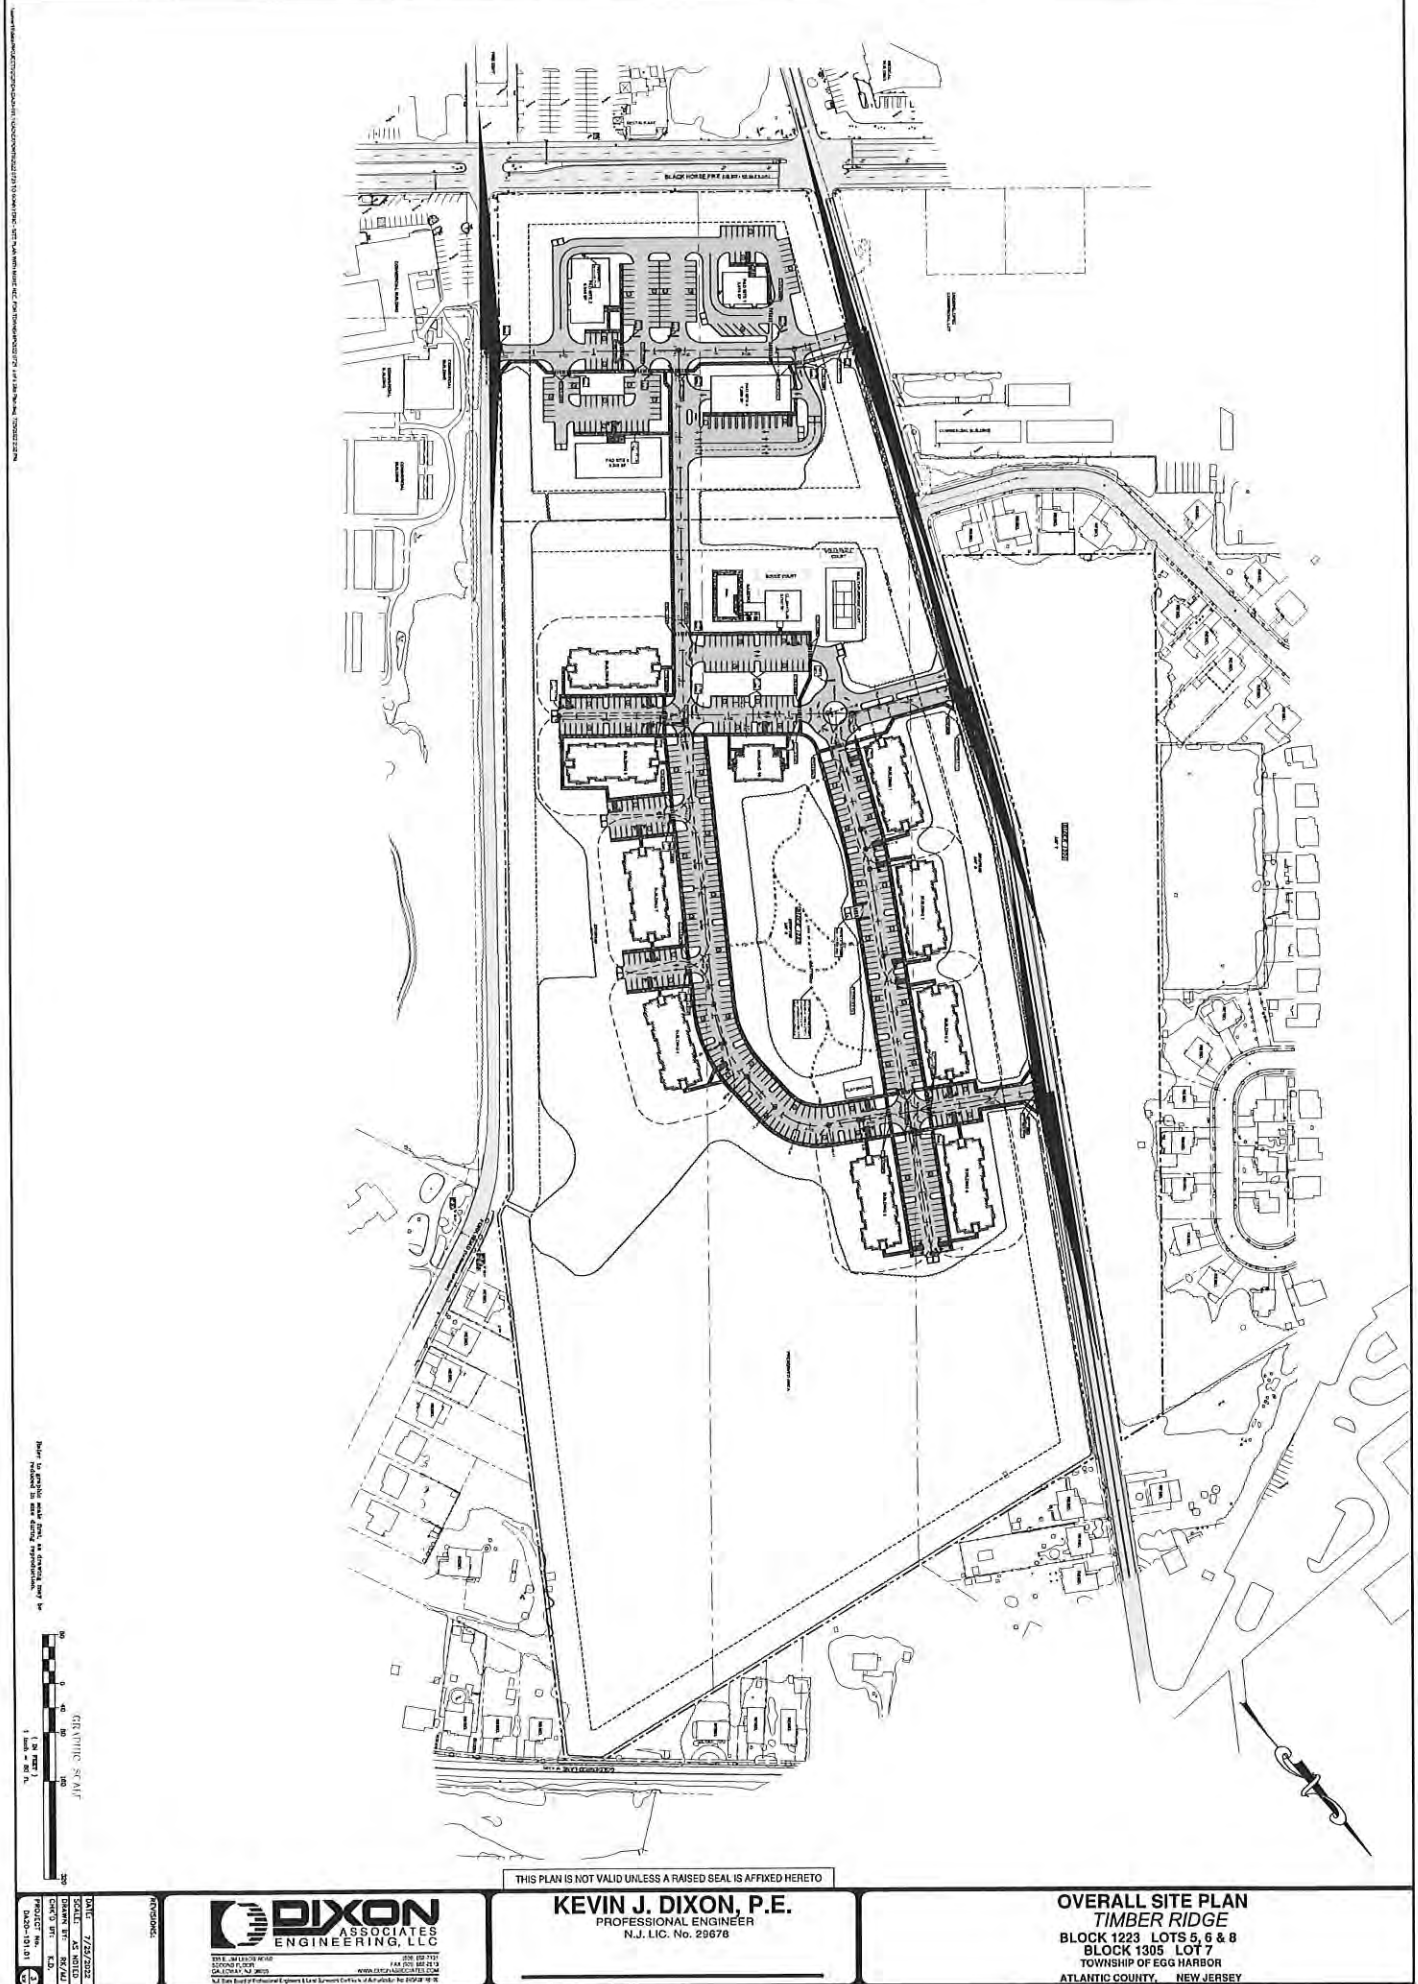

The Redevelopment Plan supports and encourages transformation and development of the Redevelopment Area with a commercial component along the Black Horse Pike and a residential community east of the commercial area. This development will result in a balanced site that will create productive uses on the property that are well designed and responsive to market conditions. The site is currently vacant and has been determined to be an "Area in need of Redevelopment" since it has remained vacant for time period greater than ten years despite the improvement and investment in the surrounding area, availability of infrastructure and geographic advantage. . This area has seen a lack of investment and the proposed facilities would provide a benefit to the Township as a whole by providing commercial development for the Township and a housing options at a variety of price points to meet residential demand.
