

DRAFT – FOR DISCUSSION PURPOSES ONLY

**Affordable Housing Trust Fund Spending Plan
Borough of New Milford
May 2025**

INTRODUCTION

The Borough of New Milford, Bergen County has prepared a Housing Element and Fair Share plan that addresses its regional fair share of the affordable housing need in accordance with the Municipal Land Use Law (N.J.S.A. 40:55D-1 et seq.) and the Fair Housing Act (N.J.S.A. 52:27D-301). A development fee ordinance creating a dedicated revenue source for affordable housing was approved by COAH and the Superior Court and adopted by the municipality. The ordinance establishes the New Milford affordable housing trust fund for which this spending plan is prepared.

As of December 31, 2024, New Milford has collected \$578,521 and expended \$175,966, resulting in an affordable housing trust fund balance of \$402,555 as of that date. All development fees, payments in lieu of constructing affordable units on site, funds from the sale of units with extinguished controls, and interest generated by the fees are deposited in a separate interest-bearing affordable housing trust fund in NVE Bank for the purposes of affordable housing. These funds shall be spent in accordance with N.J.A.C. 5:97-8.7-8.9 as described in the sections that follow.

The Borough reserves the right and authority to further amend or modify the within spending plan to address or take into account changes which may be warranted due to new rules or rule amendments or judicial determinations, which may change standards or establish new criteria for the Borough to address its affordable housing obligation.

DRAFT – FOR DISCUSSION PURPOSES ONLY**1. REVENUES FOR CERTIFICATION PERIOD**

To calculate a projection of revenue anticipated during the Fourth Round, New Milford considered the following:

(a) Development fees:

1. Residential and nonresidential projects which have had development fees imposed upon them at the time of preliminary or final development approvals;
2. All projects currently before the planning and zoning boards for development approvals that may apply for building permits and certificates of occupancy; and
3. Future development that is likely to occur based on historical rates of development.

(b) Payment in lieu (PIL):

Actual and committed payments in lieu (PIL) of construction from developers as follows: none.

(c) Other funding sources:

Funds from other sources, including, but not limited to, the sale of units with extinguished controls, repayment of affordable housing program loans, rental income and proceeds from the sale of affordable units. No other funds have been or are anticipated to be collected.

(d) Projected interest:

Interest on the projected revenue in the municipal affordable housing trust fund at the current average interest rate. According to the Borough Administrator, monthly interest income in 2024 ranged from \$629 to \$796. Therefore, an average monthly interest of \$712 has been assumed, which would be an estimated annual interest amount of approximately \$8,500.

No large development projects are anticipated in the coming years due to the lack of vacant and developable land in New Milford.

 - (f) An accessible entranceway as set forth at P.L. 2005, c. 350 (N.J.S.A. 52:27D-311a *et seq.*) and the Barrier Free Subcode, N.J.A.C. 5:23-7, or evidence that the Borough has collected funds

- (6) Full compliance with the foregoing provisions shall not be required where an entity can demonstrate that it is "site impracticable" to meet the requirements. Determinations of site impracticability shall be in compliance with the Barrier Free Subcode, N.J.A.C. 5:23-7.

1. In establishing rents and sales prices of affordable housing units, the administrative agent shall follow the procedures set forth in UHAC utilizing the most recently published regional weighted average of the uncapped Section 8 income limits published by HUD and by the Superior Court.

2. Provide children of different sexes with separate bedrooms;
3. Provide separate bedrooms for parents and children; and
4. Prevent more than two persons from occupying a single bedroom.

32-1.9. Control periods for restricted ownership units and enforcement mechanisms.

- a. Control periods for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.~~65~~, as may be amended and supplemented, and each restricted ownership unit shall remain subject to the requirements of this chapter for a period of at least thirty (30) years and thereafter until the Borough takes action by ordinance to release the unit from such requirements; prior to such action, a restricted ownership unit shall remain subject to the requirements of N.J.A.C. 5:80-26.1, as may be amended and supplemented.
- b. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit.

Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the administrative agent shall determine the restricted price for the unit and shall also determine the non-restricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.
- d. At the time of the initial sale of the unit, the initial purchaser shall execute and deliver to the administrative agent a recapture note obligating the purchaser (as well as the purchaser's heirs, successors and assigns) to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this chapter, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.
- e. The affordability controls set forth in this chapter shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to restricted ownership units.

Eligible capital improvements shall be those that render the unit suitable for a larger household or the addition of a bathroom.

- a. Buyer income eligibility for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.1, as may be amended and supplemented, such that low-income ownership units shall be reserved for households with a gross

household income less than or equal to 50 percent of median income and moderate-income ownership units shall be reserved for households with a gross household income less than 80 percent of median income.

- b. Notwithstanding the foregoing, however, the administrative agent may, upon approval by the Mayor and Council, and subject to the court's approval, permit moderate-income purchasers to buy low-income units in housing markets if the administrative agent determines that there is an insufficient number of eligible low-income purchasers to permit prompt occupancy of the units. All such low-income units to be sold to moderate-income households shall retain the required pricing and pricing restrictions for low-income units.
- c. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the administrative agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.

- b. With the exception of first purchase money mortgages, neither an owner nor a lender shall at any time cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95 percent of the maximum allowable resale price of the unit, as such price is determined by the administrative agent in accordance with N.J.A.C.5:80-26.67(cb).

Other items may be sold to the purchaser at a reasonable price that has been approved by the administrative agent at the time of the signing of the agreement to purchase. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price, which shall be subject to 10-year, straight-line depreciation, has been approved by the administrative agent. Unless otherwise approved by the administrative agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The owner and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

32-1.14. Control periods for restricted rental units.

- a. Control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.124, as may be amended and supplemented, and each restricted rental unit shall remain subject to the requirements of this chapter for a period of at least 30 years and thereafter until the Borough takes action by ordinance to release the unit from such requirements. Prior to such action, a restricted rental unit shall remain subject to the requirements of N.J.A.C. 5:80-26.1, as may be amended and supplemented. For new projects receiving nine percent low income housing

tax credits, a control period of not less than a 30 year compliance period plus a 15 year extended use period shall be required.

- b. Deeds of all real property that include restricted rental units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property, and the deed restriction shall be filed by the developer or seller with the records office of the County of Bergen. The deed shall also identify each affordable unit by apartment number and/or address and whether that unit is designated as a very low, low or moderate income unit. Neither the unit nor its affordability designation shall change throughout the term of the deed restriction. A copy of the filed document shall be provided to the administrative agent within 30 days of the receipt of a certificate of occupancy.
- c. A restricted rental unit shall remain subject to the affordability controls of this chapter despite the occurrence of any of the following events:

- c. Application fees (including the charge for any credit check) shall not exceed five percent of the monthly rent of the applicable restricted unit and shall be payable to the administrative agent to be applied to the costs of administering the controls applicable to the unit as set forth in this chapter.

- a. The Borough shall adopt by resolution an affirmative marketing plan, subject to approval of the court, that is compliant with N.J.A.C. 5:80-26.1~~65~~, as may be amended and supplemented.
- b. The affirmative marketing plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The affirmative marketing plan is intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. In addition, the affirmative marketing plan shall maintain certain notification requirements. It is a continuing program that

directs marketing activities toward Housing Region 1 and is required to be followed throughout the period of restriction.

- c. The affirmative marketing plan shall provide a regional preference for all households that live and/or work in Housing Region 1, comprised of Bergen, Hudson, Passaic and Sussex Counties.
- d. In accordance with N.J.S.A. 52:27D-311 (j), as amended and supplemented, the Borough and Developer or residential development owner may enter into an agreement to provide a preference for affordable housing to low to moderate income veterans who served in time of war or other emergency, as defined in section 1 of P.L. 1963, c. 171 (C.54:4-8.10), of up to fifty (50) percent of the affordable units in that particular project. After the first ninety (90) days of the initial 120-day marketing period, if any of those units subject to the preference remain available, then applicants from the general public shall be considered for occupancy. Following the initial 120-day marketing period, previously qualified applicants and future qualified applicants who are veterans who served in time of war or other emergency, as referenced in this subsection, shall be placed on a special waiting list as well as the general waiting list. The veterans on the special waiting list shall be given preference for affordable units, as the units become available, whenever the percentage of preference-occupied units falls below the agreed upon percentage. Any agreement to provide affordable housing preferences for veterans pursuant to this subsection shall not affect a municipality's ability to receive credit for the unit ~~for the New Jersey Council of Affordable Housing or its successor~~ from the Dispute Resolution Program.
- e. The Borough has the ultimate responsibility for adopting the affirmative marketing plan and for the proper administration of the affirmative marketing program, including initial sales and rentals and resales and rerentals. The administrative agent designated by the Borough shall implement the affirmative marketing plan to assure the affirmative marketing of all affordable units.
- f. In implementing the affirmative marketing plan, the administrative agent shall provide a list of counseling services to low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.
- g. The affirmative marketing plan shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the affirmative marketing plan, the administrative agent shall consider the use of language translations where appropriate.
- h. The affirmative marketing process for available affordable units shall begin at least four months (120 days) prior to the expected date of occupancy.
- i. Applications for affordable housing shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; the municipal administration building and the municipal library in the Borough in which the units are located; and the developer's rental office. Pre-applications shall be emailed or mailed to prospective applicants upon request.
- j. In addition to other affirmative marketing strategies, the Administrative Agent shall provide specific notice of the availability of affordable housing units in New Milford, and copies of the applications forms, to the following entities: Fair Share Housing Center, the New Jersey State Conference of the NAACP, the Latino Action Network, the Supportive Housing Association, and the New Jersey Housing Resource Center.
- k. The costs of advertising and affirmative marketing of the affordable units shall be the responsibility of the developer, sponsor or owner.

32-1.20. Enforcement of affordable housing regulations.

- a. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an owner, developer or tenant, the Borough shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, a requirement for household recertification, acceleration of all sums due under a mortgage, recuperation of any funds from a sale in violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.

- b. After providing written notice of a violation to an owner, developer or tenant of a low- or moderate-income unit and advising the owner, developer or tenant of the penalties for such violations, the Borough may take the following action(s) against the owner, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
1. The Borough may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation or violations of the regulations governing the affordable housing unit. If the owner, developer or tenant is adjudged by the court to have violated any provision of the regulations governing affordable housing units the owner, developer or tenant shall be subject to one or more of the following penalties, at the discretion of the court:
 - (a) A fine of not more than \$500.00 per day or imprisonment for a period not to exceed 90 days, or both, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
 - (b) In the case of an owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Borough affordable housing trust fund of the gross amount of rent illegally collected;
 - (c) In the case of an owner who has rented a low- or moderate-income unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the court.
 2. The Borough may file a court action in the Superior Court seeking a judgment that would result in the termination of the owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any such judgment shall be enforceable as if the same were a judgment of default of the first purchase money mortgage and shall constitute a lien against the low- or moderate-income unit.
 - (a) The judgment shall be enforceable, at the option of the Borough, by means of an execution sale by the sheriff, at which time the low- and moderate-income unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any first purchase money mortgage and prior liens and the costs of the enforcement proceedings incurred by the Borough, including attorney's fees. The violating owner shall have his right to possession terminated as well as his title conveyed pursuant to the sheriff's sale.
 - (b) The proceeds of the sheriff's sale shall first be applied to satisfy the first purchase money mortgage lien and any prior liens upon the low- and moderate-income unit. The excess, if any, shall be applied to reimburse the Borough for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the sheriff's sale. In the event that the proceeds from the sheriff's sale are insufficient to reimburse the Borough in full as aforesaid, the violating owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the Borough in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus, if any, shall be placed in escrow by the Borough for the owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the owner shall make a claim with the Borough for such. Failure of the owner to claim such balance within the two-year period shall automatically result in a forfeiture of such balance to the Borough. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the Borough, whether such balance shall be paid to the owner or forfeited to the Borough.
 - (c) Foreclosure by the Borough due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as the same apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The owner determined to be in violation of the

provisions of this plan and from whom title and possession were taken by means of the sheriff's sale shall not be entitled to any right of redemption.

- (d) If there are no bidders at the sheriff's sale, or if insufficient amounts are bid to satisfy the first purchase money mortgage and any prior liens, the Borough may acquire title to the low- and moderate-income unit by satisfying the first purchase money mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the first purchase money mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the low- and moderate-income unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess which would have been realized from an actual sale as previously described.
- (e) Failure of the low- and moderate-income unit to be either sold at the sheriff's sale or acquired by the Borough shall obligate the owner to accept an offer to purchase from any qualified purchaser which may be referred to the owner by the Borough, with such offer to purchase being equal to the maximum resale price of the low- and moderate-income unit as permitted by the regulations governing affordable housing units.
- (f) The owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the owner.

32-1.21. Appeals.

Appeals from all decisions of an administrative agent appointed pursuant to this chapter shall be filed in writing with the court.

32-2 DEVELOPMENT FEES.

32-2.1. Purpose.

- a. In *Holmdel Builder's Association v. Holmdel Township*, 121 N.J. 550 (1990), the New Jersey Supreme Court determined that mandatory development fees are authorized by the Fair Housing Act of 1985, N.J.S.A. 52:27D-301 et seq., and the State Constitution, subject to ~~the then functioning~~ COAH ~~developing-adoption of~~ rules as amended from time to time and/or in accordance with the enacted legislation and/or in accordance with directives from the courts.
- b. Pursuant to P.L. 2008, c. 46, § 8 (N.J.S.A. 52:27D-329.2) and the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 through 40:55D-8.7), COAH was authorized to adopt and promulgate regulations necessary for the establishment, implementation, review, monitoring and enforcement of municipal affordable housing trust funds and corresponding spending plans. Municipalities that were under the jurisdiction of the Council or court of competent jurisdiction and had a COAH-approved spending plan were able to retain fees collected from nonresidential development.
- c. In Re: Adoption of N.J.A.C. 5:96 and 5:97 by the New Jersey Council on Affordable Housing, 221 N.J. 1 (2015), also known as the Mount Laurel IV decision, the Supreme Court remanded COAH's duties to the Superior Court. As a result, affordable housing development fee collections and expenditures from the municipal affordable housing trust funds to implement municipal Third Round Fair Share Plans through July 1, 2025 were under the Court's jurisdiction and were subject to approval by the Court.
- d. Pursuant to P.L.2024, c. 2, the authority relating to rulemaking on the collection of residential and non-residential development fees is appropriately delegated to the Department of Community Affairs, following the abolition of COAH. As such, municipalities which have obtained or are in the process of seeking compliance certification may retain and expend these development fees. The regulations set forth in P.L.2024, c. 2 amend those regulations originally established in accordance with P.L. 2008, c. 46, §§ 8 and 32 through 38, and supersede COAH's regulations where in conflict, which remain otherwise valid.

The purpose of this section is to establish standards for the collection, maintenance and expenditure of development fees pursuant to the above. Fees collected pursuant to this section shall be used for the sole purpose of providing low- and moderate-income housing.

32-2.2. Definitions.

The following terms, as used in this article, shall have the following meanings:

AFFORDABLE HOUSING DEVELOPMENT

A development included in the Housing Element and Fair Share Plan, and includes, but is not limited to, an inclusionary development, a municipal construction project or a one hundred (100%) percent affordable development.

COAH

The Council on Affordable Housing, as previously established by the New Jersey Fair Housing Act (N.J.S.A. 52:27D-301 et seq.), prior to its abolition through P.L.2024, c.2.

The New Jersey Council on Affordable Housing.

DEVELOPER

The legal or beneficial owner or owners of a lot or of any land proposed to be included in a proposed development, including the holder of an option or contract to purchase, or other person having an enforceable proprietary interest in such land.

DEVELOPMENT FEES

Money paid by a developer for the improvement of property as permitted in N.J.A.C. 5:93-8, as amended and applicable.

DISPUTE RESOLUTION PROGRAM

"Dispute Resolution Program" means the Affordable Housing Dispute Resolution Program, established pursuant to section 5 of P.L. 2024, c.2 (N.J.S.A. 52:27D-313.2). The Dispute Resolution Program is established within the Judiciary of the State, for the purpose of resolving disputes associated with the Fair Housing Act with respect to municipalities seeking to obtain a certification of compliance of their adopted Housing Element & Fair Share Plan.

EQUALIZED ASSESSED VALUE

The value of a property determined by the Municipal Tax Assessor through a process designed to ensure that all property in the municipality is assessed at the same assessment ratio or ratios required by law. Estimates at the time of issuance of a building permit may be obtained utilizing estimates for construction cost. Final equalized assessed value will be determined at project completion by the Municipal Tax Assessor.

32-2.3. Residential Development Fees.

a. *Imposed Fees.*

1. Within all zone districts, developers of residential housing, except for developers of the types of development specifically exempted below, shall pay a fee of one and one-half (1 1/2%) percent of the equalized assessed value for residential development, provided that no increased density is permitted.
2. When an increase in residential density has been permitted pursuant to N.J.S.A. 40:55D-70d (known as a "d" variance) or pursuant to zoning amendment or pursuant to the adoption of a redevelopment plan pursuant to New Jersey Local Redevelopment and Housing Law (N.J.S.A. 40A-12-1 et seq.), developers shall be required to pay a development fee of a maximum of six (6%) percent of the equalized assessed value for each additional unit that may be realized.

b. *Eligible Exactions, Ineligible Exactions and Exemptions for Residential Development.*

1. The housing portion of affordable housing developments, developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made a payment in lieu of on-site construction of affordable units shall be exempt from development fees. Other site improvements ancillary or accessory to an affordable housing development shall pay the fee.

2. Developments that have received preliminary or final site plan approval prior to the adoption of a municipal development fee ordinance shall be exempt from development fees, unless the developer seeks a substantial change in the approval or the developer has accepted responsibility to pay a development fee. Where a site plan approval does not apply, a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for this purpose. A development fee shall be based on the percentage that applies on the date that a building permit is issued, regardless of the time of collection of the fee.
3. Owner-occupied residential structures demolished and replaced as a result of a fire, flood, or natural disaster shall be exempt from paying a development fee.
4. Development fees shall be imposed and collected when an existing structure undergoes a change that results in an increased assessed value, not exempt as set forth in subsection 32-2.3b5 below. The development fee shall be calculated on the increase in the equalized assessed value of the improved structure.
5. The development fee shall not apply to the expansion of a single- or two-family home where the net increase interior floor area is less than fifteen (15%) percent of the existing structure. In no event shall the development fee be collected where the total increase in floor area is five hundred (500) square feet or less. Upon the request of the Zoning Officer, the property owner shall produce, within thirty (30) days, a set of certified plans signed by a licensed architect, confirming the amount of previously existing and as-built conditions.

32-2.4. Nonresidential Development Fees.

a. Imposed Fees.

1. Within all zoning districts, nonresidential developers, except for developers of the types of development specifically exempted, shall pay a fee equal to two and one-half (2.5%) percent of the equalized assessed value of the land and improvements for all new nonresidential construction.
2. Nonresidential developers, except for developers of the types of development specifically exempted, shall also pay a fee equal to two and one-half (2.5%) percent of the increase in equalized assessed value resulting from any additions to existing structures to be used for nonresidential purposes.
3. Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of two and one-half (2.5%) percent shall be calculated on the difference between the equalized assessed value of the preexisting land and improvement and the equalized assessed value of the newly improved structure, i.e., land and improvement, at the time the final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the nonresidential development fee shall be zero.

b. Eligible Exactions, Ineligible Exactions and Exemptions for Nonresidential Development.

1. The nonresidential portion of a mixed-use inclusionary or market-rate development shall be subject to the two and one-half (2.5%) percent development fee, unless otherwise exempted below.
2. The two and one-half (2.5%) percent fee shall not apply to an increase in equalized assessed value resulting from alterations, change in use within existing footprint, reconstruction, renovations and repairs.
3. The two and one-half (2.5%) percent fee shall not apply to developers of any not-for-profit use; federal, state and municipal government uses; churches and other places of worship; and public schools.
3. Nonresidential developments shall be exempt from the payment of nonresidential development fees in accordance with the exemptions required pursuant to P.L. 2008, c. 46, as amended and supplemented, as specified in the Form N-RDF, State of New Jersey Nonresidential Development

Certification/Exemption Form. Any exemption claimed by a developer shall be substantiated by that developer.

4. A developer of a nonresidential development exempted from the nonresidential development fee pursuant to P.L. 2008, c. 46, as amended and supplemented, shall be subject to it at such time the basis for the exemption no longer applies and shall make the payment of the nonresidential development fee, in that event, within three (3) years after that event or after the issuance of the final certificate of occupancy of the nonresidential development, whichever is later.
5. If a property which was exempted from the collection of a nonresidential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within forty-five (45) days of the termination of the property tax exemption. Unpaid nonresidential development fees under these circumstances may be enforceable by the Borough of New Milford as a lien against the real property of the owner.

32-2.5. Collection of Fees.

a. Collection Procedures.

1. Upon the granting of a preliminary, final or other applicable approval for a development, the applicable approving authority shall direct its staff to notify the Construction Official responsible for the issuance of a building permit.
2. For nonresidential developments only, the developer shall also be provided with a copy of Form N-RDF, State of New Jersey Nonresidential Development Certification/Exemption, to be completed as per the instructions provided. The developer of a nonresidential development shall complete Form N-RDF as per the instructions provided. The Construction Official shall verify the information submitted by the nonresidential developer as per the instructions provided in the Form N-RDF. The Tax Assessor shall verify exemptions and prepare estimated and final assessments as per the instructions provided in Form N-RDF.
3. The Construction Official responsible for the issuance of a building permit shall notify the local Tax Assessor of the issuance of the first building permit for a development which is subject to a development fee.
4. Within ninety (90) days of receipt of that notice, the Municipal Tax Assessor, based on the plans filed, shall provide an estimate of the equalized assessed value of the development.
5. The Construction Official responsible for the issuance of a final certificate of occupancy notifies the local Assessor of any and all requests for the scheduling of a final inspection on property which is subject to a development fee.
6. Within ten (10) business days of a request for the scheduling of a final inspection, the Municipal Assessor shall confirm or modify the previously estimated equalized assessed value of the improvements of the development, calculate the development fee and thereafter notify the developer of the amount of the fee.
7. Should the Borough of New Milford fail to determine or notify the developer of the amount of the development fee within ten (10) business days of the request for final inspection, the developer may estimate the amount due and pay that estimated amount consistent with the dispute process set forth in Subsection b of Section 37 of P.L. 2008, c. 46 (N.J.S.A. 40:55D-8.6), as amended and supplemented.
8. Fifty (50%) percent of the development fee shall be collected at the time of issuance of the building permit. The remaining portion shall be collected at the issuance of the certificate of occupancy. The developer shall be responsible for paying the difference between the fee calculated at building permit and that determined at issuance of certificate of occupancy.

b. Appeal of Development Fees.

1. A developer may challenge residential development fees imposed by filing a challenge with the County Board of Taxation. Pending a review and determination by the Board, collected fees shall be placed in an interest-bearing escrow account by the Borough of New Milford. Appeals from a determination of the Board may be made to the Tax Court in accordance with the provisions of the State Uniform Tax Procedure Law, N.J.S.A. 54:48-1 et seq., within ninety (90) days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.
2. A developer may challenge nonresidential development fees imposed by filing a challenge with the Director of the Division of Taxation. Pending a review and determination by the Director, which shall be made within forty-five (45) days of receipt of the challenge, collected fees shall be placed in an interest-bearing escrow account by the Borough of New Milford. Appeals from a determination of the Director may be made to the Tax Court in accordance with the provisions of the State Uniform Tax Procedure Law, N.J.S.A. 54:48-1 et seq., within ninety (90) days after the date of such determination. Interest earned on amounts escrowed shall be credited to the prevailing party.

c. *Retention of Fees.*

Any fees collected prior to the adoption or amendment of this section shall be retained by the Borough of New Milford pursuant to ~~COAH's~~ DCA's rules regarding the retention of development fees.

32-2.6. Contested Fees.

Imposed and collected development fees that are challenged shall be placed in an interest bearing escrow account by Borough of New Milford. If all or a portion of the contested fees are returned to the developer, the accrued interest on the returned amount shall also be returned.

32-2.7. Affordable Housing Trust Fund.

- a. There is hereby created a separate, interest-bearing housing trust fund in a bank utilized by the Borough for its ordinary business purposes, for the purpose of depositing development fees collected from residential and nonresidential developers, any other payments made pursuant to this section from residential and nonresidential developers and proceeds from the sale of units with extinguished controls. All development fees paid by developers pursuant to this section shall be deposited into this fund.
- b. The following additional funds shall be deposited in the affordable housing trust fund and shall at all times be identifiable by source and amount:
 1. Payments in lieu of on-site construction of affordable units;
 2. Developer-contributed funds to make 10% of the adaptable entrances in a townhouse or other multistory attached development accessible;

Money deposited in a housing trust fund may be used for any activity approved by ~~COAH or the~~ Dispute Resolution Program or in accordance with any directives from the courts for addressing the Borough of New Milford's low- and moderate-income housing obligation. Such activities may include, but are not necessarily limited to: housing rehabilitation; new construction; the purchase of land for low- and moderate-income housing; preservation or purchase of housing for the purpose of maintaining or implementing affordability controls,

including the extension of controls, accessory apartment, market to affordable, or regional housing partnership programs, conversion of existing nonresidential buildings to create new affordable units, extensions and/or improvements of roads and infrastructure to low- and moderate-income housing sites; assistance designed to render units to be more affordable to low- and moderate-income households; and administrative costs necessary to implement the Borough of New Milford's housing element. The expenditure of all money shall conform to a spending plan approved by COAH the Dispute Resolution Program or by the courts.

- b. At least thirty (30%) percent of all development fees collected and interest earned shall be used to provide affordability assistance to low- and moderate-income households in affordable units included in the municipal Fair Share Plan. One-third (1/3) of the affordability assistance portion of development fees collected shall be used to provide affordability assistance to those households earning thirty (30%) percent or less of median income by region.

- c. The Borough of New Milford may contract with a private or public entity to administer any part of its Housing Element and Fair Share Plan, including the requirement for affordability assistance, in accordance with N.J.S.A. 52:27D-301 et seq. and N.J.A.C. 5:96-18, as applicable.
- d. No more than twenty (20%) percent of all revenues collected from development fees may be expended on administration, including but not limited to salaries and benefits for municipal employees or consultant fees necessary to develop or implement a new construction program, a Housing Element and Fair Share Plan, and/or an affirmative marketing program. In the case of a rehabilitation program, no more than twenty (20%) percent of the revenues collected from development fees shall be expended for such administrative expenses. Administrative funds may be used for income qualification of households, monitoring the turnover of sale and rental units, and compliance with COAH's Dispute Resolution Program's or the courts monitoring requirements. Legal or other fees related to litigation opposing affordable housing sites or objecting to the DCA or other court approved entity's Council's regulations and/or action are not eligible uses of the affordable housing trust fund.
- e. Funds shall not be expended to reimburse the Borough of New Milford for housing activities carried out prior to the establishment of the Affordable Housing Trust Fund.
- f. This section is intended to be interpreted and applied consistent with the Statewide Non-Residential Development Fee Act (N.J.S.A. 40:55D-8.1 et seq.), as amended and supplemented. In the event of any inconsistency, this section shall be read so as to comply with the Act.

In accordance with N.J.A.C. 5:80-26.11, each restricted unit shall remain subject to the requirements of this subchapter, the "Control Period," until the municipality in which the unit is located elects to release the unit from such requirements. Housing Survey.pdf;

Good Morning,

My name is Nikhil Ramachandran and I work with Phillips Preiss as the planners for the Borough of New Milford. We are currently acquiring information regarding existing affordable housing units within the Borough, as required by law and court decision in New Jersey as part of the submission of the Borough's Housing Element and Fair Share Plan. This required documentation will allow the Borough to obtain credit toward its municipal affordable housing obligations.

The Borough's tax records indicate that the **National Institute for People with Disabilities is the owner of a group home facility located at 131 Grand Street** and designated as Block 1503, Lot 15 in New Milford. I have accordingly attached a survey which details the information required to be submitted with respect to the housing facility. If you could **please fill out the attached form and return it to us by Friday, April 25th, 2025**, that would be greatly appreciated.

Thank you for your help!

Best,
Nikhil Ramachandran
