§ 380-70. Development fees.

A. Residential development fees.

(1) Imposed fees.

- (a) Within all zone districts, all residential developers, except for developers of the types of developments specifically exempted below and developers of developments that include affordable housing, shall pay a fee of one and a half percent (1.5%) of the equalized assessed value for all new residential development provided no increased density is permitted. Development fees shall also be imposed and collected when an additional dwelling unit is added to an existing residential structure; in such cases, the fee shall be calculated based on the increase

in the equalized assessed value of the property due to the additional dwelling unit. When an increase in residential density has been permitted pursuant to a "d" variance granted under N.J.S.A. 40:55D-70d(5), developers shall be required to pay a increased development fee of a maximum of 6% of the equalized assessed value for each additional unit that may be realized, except that this provision shall not be applicable to a development that will include affordable housing. If zoning on a site has changed during the two-year period preceding the filing of such a variance application, the base density for the purposes of calculating the bonus development fee shall be the highest density permitted by right during the two-year period preceding the filing of the variance application.

- (2) Eligible exactions, ineligible exactions and exemptions for residential development.
- (a) Affordable housing developments and/or developments where the developer is providing for the construction of affordable units elsewhere in the municipality, and developments where the developer has made a payment in lieu of on-site construction of affordable units, if permitted by ordinance or by agreement with the Borough of Woodcliff Lake, shall be exempt from the payment of development fees.
 - (b) Developments that have received preliminary or final site plan approval prior to the adoption of this article and any preceding ordinance permitting the collection of development fees shall be exempt from the payment of development fees, unless the developer seeks a substantial change in the original approval, necessitating an amended preliminary or a new preliminary approval pursuant to N.J.S.A. 40:55D-46.b and 40:55-48.b. . Where a site plan approval does not apply, a zoning and/or building permit shall be synonymous with preliminary or final site plan approval for the purpose of determining the right to an exemption. In all cases, the applicable fee percentage shall be determined based upon the Development Fee Ordinance in effect on the date that the construction permit is issued, regardless of the time of collection of the fee.
 - (c) Any repair, reconstruction or improvement of a structure, the cost of which is less than 50% of the market value of the structure before the improvement or repair is started shall be exempt from the payment of development fees. For purposes of this section, "market value" shall mean the equalized assessed value of the existing improvement as established by the Borough Tax Assessor. The cost of the repair, reconstruction or improvements shall be determined by an itemized construction cost estimate prepared and submitted to the Construction Official. The estimate shall be signed and sealed by an architect or professional engineer licensed by the State of New Jersey, or where no such professionals are retained, signed by the contractor or the homeowner. Where prepared by the homeowner or contractor, the Borough Engineer may review such estimates for accuracy. "Substantial improvement" is considered to commence when the first alteration of any wall, floor or other structural part of the building commences, whether or not the alteration affects the external dimensions of the structure. The term does not, however, include either:

[1] Any project for improvement of a structure to comply with existing state or

local building, fire, health, sanitary or safety code specifications which are solely necessary to assure safe living conditions; or

[2] Any alteration of a structure listed on the National Register of Historic Places or a state inventory of historic places but a development fee shall be charged for any new dwelling constructed as a replacement for a previously existing dwelling on the same lot that was or will be demolished, unless the owner resided in the previous dwelling for a period of one year or more prior to obtaining a demolition permit. Where a development fee is charged for a replacement dwelling, the development fee shall be calculated on the increase in the equalized assessed value of the new structure as compared to the previous structure.

(d) Structural alterations that do not increase gross floor area of a building or structure or increase the equalized assessed value of a property shall be exempted from paying a development fee.

(e) Nonprofit organizations constructing residential projects which have received tax-exempt status pursuant to Section 501(c)(3) of the Internal Revenue Code, providing current evidence of that status is submitted to the Municipal Clerk, together with a certification that services of the organization are provided at reduced rates to those who establish an inability to pay existing charges, shall be exempted from paying a development fee.

(f) Federal, state, county and local governments shall be exempted from paying a development fee.

(g) Residential structures demolished and replaced as a result of a fire, flood, or any natural disaster or catastrophe shall be exempt from paying any residential development fee, even if the new structure has an increased EAV as compared to the previous structure.

B. Non-residential development fees.

(1) Imposed fees.

(a) Within all zoning districts, non-residential developers, except for developers of the types of developments specifically exempted below, shall pay a fee equal to two and one-half (2.5) percent of the equalized assessed value of the land and improvements, for all new non-residential construction on an unimproved lot or lots, or such other amount pursuant to the Statewide Non-Residential Development Fee Act, N.J.S.A. 40:55D-8.1 through 40:55D-8.7. Nonresidential developers, except for developers of the types of development specifically exempted below, shall also pay a fee equal to 2.5% of the increase in equalized assessed value resulting from any additions to existing structures to be used for nonresidential purposes.

(b) Development fees shall be imposed and collected when an existing structure is demolished and replaced. The development fee of 2.5% shall be calculated on the difference between the equalized assessed value of the preexisting land and improvement and the equalized assessed value of the newly improved structure,

i.e., land and improvements, and such calculations shall be made at the time the final certificate of occupancy is issued. If the calculation required under this section results in a negative number, the nonresidential development fee shall be zero.

- (2) Eligible exactions, ineligible exactions and exemptions for nonresidential development.
- (a) A developer of a mixed-use development shall be required to pay the non-residential development fee of 2.5% relating to the non-residential development component of a mixed-use development subject to the provisions at N.J.S.A. 52:27D-329.1 et seq., unless otherwise exempted below.
 - (b) Nonresidential developments shall be exempt from the payment of nonresidential development fees in accordance with the exemptions required, pursuant to P.L. 2008, c. 46, as specified in the Form N-RDF, State of New Jersey Nonresidential Development Certification/Exemption Form. Any exemption claimed by a developer shall be substantiated by that developer.
 - (c) A developer of a non-residential development exempted from the non-residential development fee pursuant to the Statewide Non-Residential Development Fee Act shall be subject to the fee at such time as the basis for the exemption no longer applies, and shall make the payment of the non-residential development fee, in that event, within three years after that event or after the issuance of the final Certificate of Occupancy for the non-residential development, whichever is later.
 - (d) If a property which was exempted from the collection of a nonresidential development fee thereafter ceases to be exempt from property taxation, the owner of the property shall remit the fees required pursuant to this section within 45 days of the termination of the property tax exemption. Unpaid nonresidential development fees under these circumstances may be enforceable by the Borough of Woodcliff Lake as a lien against the real property of the owner.
 - (e) A fee equal to two-and-one-half percent of the increase in EAV, of the additions or alterations to existing structures to be used for non-residential purposes, or such other amount pursuant to the Non-Residential Development Fee Act, N.J.S.A. 40:55D-8.1 through 40:55D-8.7. All non-residential construction of buildings or structures on property used by churches, synagogues, mosques, and other houses of worship, and property used for educational purposes, that are tax-exempt pursuant to N.J.S.A. 54:4-3.6, shall be exempt from the imposition of a non-residential development fee pursuant to this section, provided that the property continues to maintain its tax exempt status pursuant to that statute for a period of at least three years from the date of issuance of the certificate of occupancy. In addition, the following shall be exempt from the imposition of a non-residential development fee pursuant to the Statewide Non-Residential Development Fee Act, N.J.S.A. 40:55D-8.1 through 40:55D-8.7:
 - i. Parking lots and parking structures, regardless of whether the parking lot or parking structure is constructed in conjunction with a non-residential development, or whether the parking lot is developed as an independent non-residential development.

 - vi. Projects determined by the New Jersey Transit Corporation to be consistent with a transit village plan developed by a transit village designated by the New Jersey Department of Transportation.
- (f) Non-residential construction connected with the relocation of the facilities of a for-profit hospital shall be subject to the fee authorized to be imposed pursuant to this section to the extent of the increase in equalized assessed valuation.

- (h) The following documentation shall be submitted by the sponsor to the Borough prior to marketing the completed units or facility:
 - [1] An Affirmative Marketing Plan; and
 - [2] If applicable, proof that the supportive and/or special needs housing is regulated by the New Jersey Department of Health and Senior Services, the New Jersey Department of Human Services or another State agency in accordance with the requirements of this section, which includes validation of the number of bedrooms or units in which low- or moderate-income occupants reside.
- (i) The sponsor/owner shall complete annual monitoring as directed by the MHL.

380-21. Regional Income Limits.

- A. Administrative agents shall use the current regional income limits for the purpose of pricing affordable units and determining income eligibility of households.
- B. Regional income limits are based on regional median income, which is established by a regional weighted average of the "median family incomes" published by HUD. The procedure for computing the regional median income is detailed in N.J.A.C. 5:80-26.3.
- C. Updated regional income limits are effective as of the effective date of the regional Section 8 income limits for the year, as published by HUD, or 45 days after HUD publishes the regional Section 8 income limits for the year, whichever comes later. The new income limits may not be less than those of the previous year.

380-22. Maximum Initial Rents And Sales Prices.

- A. In establishing rents and sales prices of affordable housing units, the Administrative Agent shall follow the procedures set forth in UHAC N.J.A.C. 5:80-26.4.
- B. The average rent for all restricted units within each affordable housing development shall be affordable to households earning no more than 52 percent of regional median income.
- C. The maximum rent for restricted rental units within each affordable housing development shall be affordable to households earning no more than 60% of regional median income. The maximum rent may be increased to no more than 70 percent of regional median income for moderate-income units within affordable developments where very-low-income units compose at least 13 percent of the restricted units; however, the number of units with rent affordable to households earning 70 percent of regional median income may not exceed the number of very-low-income units in excess of 13 percent (rounded up) of the restricted units.

- D. The developers and/or municipal sponsors of restricted rental units shall establish at least one rent for each bedroom type for both low-income and moderate-income units. Very low-income units, if required, should be distributed between each bedroom count as proportionally as possible to the total number of restricted units within each bedroom count, and shall be part of the low-income requirement.
- E. The maximum sales price of restricted ownership units within each affordable housing development shall be affordable to households earning no more than 70% of median income, and each affordable housing development must achieve an affordability average that does not exceed 55% for all restricted ownership units. In achieving this affordability average, moderate-income ownership units must be available for at least three different prices for each bedroom type, and low-income ownership units must be available for at least two different prices for each bedroom type when the number of low- and moderate-income units permits.
- F. The master deeds and declarations of covenants and restrictions for affordable developments may not distinguish between restricted units and market-rate units in the calculation of any condominium or homeowner association fees and special assessments to be paid by low- and moderate-income purchasers and those to be paid by market-rate purchasers. Notwithstanding the foregoing sentence, condominium units subject to a municipal ordinance adopted before December 20, 2004, which ordinance provides for condominium or homeowner association fees and/or assessments different from those provided for in this subsection are governed by the ordinance.
- G. In determining the initial sales prices and rents for compliance with the affordability average requirements for restricted family units, the following standards shall be met:
 - (1) A studio or efficiency unit shall be affordable to a one-person household;
 - (2) A one-bedroom unit shall be affordable to a one and one-half person household;
 - (3) A two-bedroom unit shall be affordable to a three-person household;
 - (4) A three-bedroom unit shall be affordable to a four and one-half person household;
 - and
 - (5) A four-bedroom unit shall be affordable to a six-person household.
- H. In determining the initial rents and sales prices for compliance with the affordability average requirements for restricted units in assisted living facilities and age-restricted and special needs and supportive housing developments, the following standards shall be met:
 - (1) A studio or efficiency unit shall be affordable to a one-person household;
 - (2) A one-bedroom unit shall be affordable to a one and one-half person household;
 - and
 - (3) A two-bedroom unit shall be affordable to a two-person household or to two one-person households. Where pricing is based on two one-person households, the developer shall provide a list of units so priced to the Municipal Housing Liaison and the Administrative Agent.
- I. The initial purchase price for all restricted ownership units shall be calculated so that the monthly carrying cost of the unit, including principal and interest (based on a mortgage loan equal to 95 percent of the purchase price and the Freddie Mac 30-Year

Fixed Rate-Mortgage rate of interest), property taxes, homeowner and private mortgage insurance and condominium or homeowner association fees do not exceed 30 percent of the eligible monthly income of the appropriate size household as determined pursuant to N.J.A.C. 5:80-26.7, as may be amended and supplemented; provided, however, that the price shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.4, as may be amended and supplemented.

- J. The initial rent for a restricted rental unit shall be calculated so that the total monthly housing expense, including an allowance for tenant-paid utilities, does not exceed 30 percent of the gross monthly income of a household of the appropriate size whose income is targeted to the applicable percentage of median income for the unit, as determined pursuant to N.J.A.C. 5:80-26.3, as may be amended and supplemented. The rent shall also comply with the affordability average requirement of N.J.A.C. 5:80-26.4, as may be amended and supplemented.
- K. At the anniversary date of the tenancy of the certified household occupying a restricted rental unit, following a minimum 90-day notice provided to the occupant household, the rent may be increased to an amount commensurate with the annual percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U), specifically U.S. Bureau of Labor Statistics Series CUUR0100SAH, titled "Housing in Northeast urban, all urban consumers, not seasonally adjusted." The maximum allowable rent increase for the year will be effective as of the same date as the regional median income limits determined pursuant to N.J.A.C. 5:80-26.3 and published by the Agency. This rent increase may not exceed five percent in any one year and notice thereof must be filed with the administrative agent. If the landlord has charged a tenant less than the initial maximum allowable rent for a restricted unit, the landlord may, with the approval of the administrative agent, use the maximum allowable rent instead of the current rent in performing this multiplication to establish the rent for the next tenant under a new lease. LIHTC units are not governed by the provisions of this section, but rather by the provisions of the State's Qualified Allocation Plan, N.J.A.C. 5:80-33.1 through 33.40.

380-23. Affirmative Marketing.

- A. The Borough shall adopt, by resolution, an Affirmative Marketing Plan, subject to approval of the Superior Court, compliant with N.J.A.C. 5:80-26.16, as may be amended and supplemented.
- B. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, English-speaking ability, marital or familial status, gender, affectional or sexual orientation, disability, age (except for "housing for older persons" as defined at N.J.S.A. 10:5-1 et seq., and age-restricted units as permitted pursuant to 42 U.S.C. §§ 3601 et seq.), number of children, source of lawful income, or any other characteristic described in the New Jersey Law Against Discrimination, N.J.S.A. 10:5-1 through 50, to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The Affirmative Marketing Plan is intended to target those potentially eligible persons who are least likely to apply for affordable

units in that region. It is a continuing program that directs all marketing activities toward Housing Region 1 and is required to be followed throughout the period of deed restriction.

- C. The Affirmative Marketing Plan provides the following preferences, provided that units that remain unoccupied after these preferences are exhausted may be offered to households without regard to these preferences.
 - (1) Where the Borough has entered into an agreement with a developer or residential development owner to provide a preference for very-low-, low-, and moderate-income veterans who served in time of war or other emergency, pursuant to N.J.S.A. 52:27D-311.j, there shall be a preference for veterans for up to 50 percent of the restricted rental units in a particular project.
 - (2) There shall be a regional preference for all households that live and/or work in Housing Region 1 comprised of Hudson, Bergen, Passaic, and Sussex Counties.
- D. The Borough has the ultimate responsibility for adopting the Affirmative Marketing Plan and for the proper administration of the Affirmative Marketing Process, including the marketing of initial sales and rentals and resales and re-rentals. The Administrative Agent designated by the Borough shall implement the Affirmative Marketing Process to ensure the Affirmative Marketing of all affordable units, except for units in affordable programs that are exempt from Affirmative Marketing as noted herein.
- E. The Affirmative Marketing Process shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing Process, the Administrative Agent should consider the use of language translations where appropriate.
- F. Applications for affordable housing or notices thereof, if offered online, shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; Borough Hall and Woodcliff Lake Public Library ; and the developer's rental or sales office. The developer shall mail applications to prospective applicants upon request and shall make applications available through a secure online website address.
- G. In addition to other Affirmative Marketing strategies, the Administrative Agent shall provide specific notice of the availability of affordable housing units on the New Jersey Housing Resource Center website. Additional notice shall be provided to FSHC; the Latino Action Network; the New Jersey State Conference of the NAACP; Bergen County NAACP; Urban League of Bergen County, Bergen County Housing Coalition; and the Supportive Housing Association. Any other entities, including developers or persons or companies retained to implement the Affirmative Marketing Process, shall comply with this paragraph.
- H. In implementing the Affirmative Marketing Process, the Administrative Agent shall provide a list of HUD-certified housing counselors or otherwise experienced entities approved by the Division providing counseling services on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.

- I. The Affirmative Marketing Process for available affordable units shall begin at least four months (120 days) prior to the expected date of occupancy and may begin before construction commences. For owner-occupied units, affirmative marketing advertising and outreach activities must continue until all of the marketed units have been sold, except that paid advertising may cease when the number of applications received is at least three times the number of units to be sold. For rental units, affirmative marketing advertising and outreach activities must continue, as long as applications are being accepted, except that paid advertising may cease when the number of applications received is at least three times the number of units to be filled.
- J. Applications must be accepted for no less than 45 days following the initial advertisement on the New Jersey Housing Resource Center, except for the resale of owner-occupied units, in which case, applications must be accepted for no less than 30 days.
- K. The cost to affirmatively market the affordable units shall be the responsibility of the developer, sponsor or owner, with the exception of Affirmative Marketing for resales.

380-24. Selection of Occupants of Affordable Housing Units.

- A. The Administrative Agent shall use a random selection process to select occupants of very low-, low- and moderate-income housing.
- B. A pool of interested households will be maintained in accordance with the provisions of N.J.A.C. 5:80-26.16.

380-25. Occupancy Standards.

- A. In referring certified households to specific restricted units, to the extent feasible, and without causing an undue delay in occupying the unit, the Administrative Agent shall strive to:
 - (1) Ensure each bedroom is occupied by at least one person, except for age-restricted and supportive and special needs housing units;
 - (2) Provide a bedroom for every two adult occupants;
 - (3) With regard to occupants under the age of 18, accommodate the household's requested arrangement, except that such arrangement may not result in more than two occupants under the age of 18 occupying any bedroom; and
 - (4) Avoid placing a one-person household into a unit with more than one bedroom.

380-26. Control Periods for Restricted Ownership Units and Enforcement Mechanisms.

- A. Control periods for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.6, as may be amended and supplemented, and each restricted ownership unit shall remain subject to the controls on affordability for a period of at least 30 years subject to the requirements of N.J.A.C. 5:80-26.6, as may be amended and supplemented.
- B. Rehabilitated housing units that are improved to code standards shall be subject to affordability controls for a period of not less than 10 years (crediting towards present need only).

- C. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit. The date of commencement shall be identified in the deed restriction.
- D. If existing affordability controls are being extended, the extended control period for a restricted ownership unit commences on the effective date of the extension, which is the end of the original control period.
- E. After the end of any control period, the restricted ownership unit remains subject to the affordability controls set forth in this subchapter until the owner gives notice of their intent to make an exit sale, at which point:
 - (1) If the Borough exercises the right to extend the affordability controls on the unit, no exit sale occurs and a new control period commences; or
 - (2) If the Borough does not exercise the right to extend the affordability controls on the unit, the affordability controls terminate following the exit sale.
- F. Prior to the issuance of any building permit for the construction/rehabilitation of restricted ownership units, the developer/owner and the Borough shall record a preliminary instrument provided by the Administrative Agent.
- G. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the nonrestricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.
- H. At the time of the initial sale of the unit and upon each successive price-restricted sale, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obliging the purchaser, as well as the purchaser's heirs, successors, and assigns, to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this Ordinance, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.
- I. The affordability controls set forth in this Ordinance shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to price-restricted ownership units.

380-27. Price Restrictions for Restricted Ownership Units and Resale Prices.

- A. Price restrictions for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.7, as may be amended and supplemented, including:
 - (1) The initial purchase price and affordability percentage for a restricted ownership unit shall be set by the Administrative Agent.
 - (2) The Administrative Agent shall approve all resale prices, in writing and in advance of the resale, to assure compliance with the standards set forth in N.J.A.C 5:80-26.7.
 - (a) If the resale occurs prior to the one-year anniversary of the date on which title to the unit was transferred to a certified household, the maximum resale price for a is the most recent non-exempt purchase price.

- (b) If the resale occurs on or after such anniversary date, the maximum resale price is the most recent non-exempt purchase price increased to reflect the cumulative annual percentage increases to the regional median income, effective as of the same date as the regional median income calculated pursuant to N.J.A.C. 5:80-26.3
 - (3) The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of anticipated capital improvements. Eligible capital improvements shall be:
 - (a) those that render the unit suitable for a larger household or the addition of a bathroom.
 - (b) The maximum resale price may be further increased by an amount up to the cumulative dollar value of approved capital improvements made after the last non-exempt sale for improvements and/or upgrades to the unit, excluding capital improvements paid for by the entity favored on the recapture note and recapture lien described at N.J.A.C. 5:80-26.6(d);
 - (4) No increase for capital improvements is permitted if the maximum resale price prior to adjusting for capital improvements already exceeds whatever initial purchase price the unit would have if it were being offered for purchase for the first time at the initial affordability percentage. All adjustments for capital improvements are subject to 10-year, straight-line depreciation.
- B. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase but shall be separate and apart from any contract of sale for the underlying real estate. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price of the air conditioning equipment, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The seller and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

380-28. Buyer Income Eligibility.

- A. Buyer income eligibility for restricted ownership units shall be established pursuant to N.J.A.C. 5:80-26.17, as may be amended and supplemented, such that very low-income ownership units shall be reserved for occupancy by households with a gross household income less than or equal to 30% of median income, low-income ownership units shall be reserved for occupancy by households with a gross household income less than or equal to 50% of median income and moderate-income

ownership units shall be reserved for occupancy by households with a gross household income less than 80% of median income.

- B. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the Borough, and subject to the Division's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low-income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit. Similarly, the administrative agent may permit low-income purchasers to buy very-low-income units in housing markets where, as determined by the Division, units are reserved for very-low-income purchasers, but there is an insufficient number of very-low-income purchasers to permit prompt occupancy of the units. In such instances, the purchased unit must be maintained as a very low-income unit and sold at a very-low-income price point such that on the next resale the unit will still be affordable to very-low-income households and able to be purchased by a very-low-income household. A very-low-income unit that is seeking bonus credit pursuant to N.J.S.A. 52:27D-311.k(9) must first be advertised exclusively as a very-low-income unit according to the Affirmative Marketing requirements at N.J.A.C. 5:80-26.16, then advertised as a very-low-income or low-income unit for at least 30 additional days prior to referring any low-income household to the unit.
- C. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.
- D. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, property taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 35 percent of the household's eligible monthly income; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
- (1) The household currently pays more than 35% (40% for households eligible for age-restricted units) of its gross household income for housing expenses, and the proposed housing expenses will reduce its housing costs;
 - (2) The household has consistently paid more than 35% (40% for households eligible for age-restricted units) of eligible monthly income for housing expenses in the past and has proven its ability to pay; or
 - (3) The household is currently in substandard or overcrowded living conditions;

- (4) The household documents the existence of assets, within the asset limitation otherwise applicable, with which the household proposes to supplement the rent payments

380-29. Limitations on Indebtedness Secured by Ownership Unit; Subordination.

- A. Prior to incurring any indebtedness to be secured by a restricted ownership unit, the owner shall apply to the Administrative Agent for a determination in writing that the proposed indebtedness complies with the provisions of this Section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.
- B. With the exception of original purchase money mortgages, neither an owner nor a lender shall at any time during the control period cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95% of the maximum allowable resale price of that unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C. 5:80-26.7(c).

380-30. Control Periods for Restricted Rental Units.

- A. Control periods for units that meet the definition of prior round units shall be pursuant to the 2001 UHAC rules originally adopted October 1, 2001, 33 N.J.R. 3432, and amended December 20, 2004, 36 N.J.R. 5713 and shall remain subject to the requirements of this ordinance for a period of at least 30 years as applicable unless otherwise indicated.
- B. Other than for prior round units, control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.12, as may be amended and supplemented, and each restricted rental unit shall remain subject to the requirements of this Ordinance for a period of at least 40 years. Restricted rental units created as part of developments receiving 9% Low-Income Housing Tax Credits must comply with a control period of not less than a 30-year compliance period plus a 15-year extended use period for a total of 45 years.
- C. The affordability control period for a restricted rental unit shall commence on the first date that a unit is issued a certificate of occupancy following the execution of the deed restriction or, if affordability controls are being extended, on the effective date of the extension, which is the end of the original control period.
- D. Rehabilitated renter-occupied housing units that are improved to code standards shall be subject to affordability controls for a period of not less than 10 years.
- E. Prior to the issuance of any building permit for the construction/rehabilitation of restricted rental units, the developer/owner and the Borough shall record a preliminary instrument provided by the Administrative Agent.
- F. Deeds of all real property that include restricted rental units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property. The deed restriction shall be recorded by the developer with the county records office, and provided as filed and recorded, to the Administrative Agent within 30 days of the receipt of a certificate of occupancy.

- G. A restricted rental unit shall remain subject to the affordability controls of this Ordinance despite the occurrence of any of the following events:
- (1) Sublease or assignment of the lease of the unit;
 - (2) Sale or other voluntary transfer of the ownership of the unit;
 - (3) The entry and enforcement of any judgment of foreclosure on the property containing the unit; or
 - (4) The end of the control period, until the occupant household vacates the unit, or is certified as over-income and the controls are released in accordance with UHAC.

380-31. Rent Restrictions for Rental Units; Leases and Fees.

- A. The initial rent for a restricted rental unit shall be set by the Administrative Agent.
- B. A written lease shall be required for all restricted rental units, except for units in an assisted living residence, and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be retained on file by the Administrative Agent.
- C. No additional fees, operating costs, or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.
 - (1) Operating costs, for the purposes of this section, include certificate of occupancy fees, move-in fees, move-out fees, mandatory internet fees, mandatory cable fees, mandatory utility submetering fees, and for developments with more than one and a half off-street parking spaces per unit, parking fees for one parking space per household.
- D. Any fee structure that would remove or limit affordable unit occupant access to any amenities or services that are required or included for market-rate unit occupants is prohibited. Application fees (including the charge for any credit check) shall not exceed 5% of the monthly rent of the applicable restricted unit to be applied to the costs of administering the controls applicable to the unit as set forth in this Ordinance.
- E. Fees for unit-specific, non-communal items that are charged to market-rate unit tenants on an optional basis, such as pet fees for tenants with pets, storage spaces, bicycle-share programs, or one-time rentals of party or media rooms, may also be charged to affordable unit tenants, if applicable.
- F. Pet fees may not exceed \$30.00 per month and associated one-time payments for optional fees pertaining to pets, such as a pet cleaning fee, are prohibited.
- G. Fees charged to affordable unit tenants for other optional, unit-specific, non-communal items shall not exceed the amounts charged to market-rate tenants.
- H. For any prior round rental unit leased before December 20, 2024, elements of the existing fee structure that are consistent with prior rules, but inconsistent with 5:80-26.13(c)1, may continue until the occupant household's current lease term expires or that occupant household vacates the unit, whichever occurs later.

380-32. Tenant Income Eligibility.

- A. Tenant income eligibility shall be determined pursuant to N.J.A.C. 5:80-26.14, as may be amended and supplemented, and shall be determined as follows:
 - (1) Very low-income rental units shall be reserved for households with a gross household income less than or equal to 30% of the regional median income by household size.
 - (2) Low-income rental units shall be reserved for households with a gross household income less than or equal to 50% of the regional median income by household size.
 - (3) Moderate-income rental units shall be reserved for households with a gross household income less than 80% of the regional median income by household size.
- B. The Administrative Agent shall certify a household as eligible for a restricted rental unit when the household is a very low-income, low-income or moderate-income household, as applicable to the unit, and the rent proposed for the unit does not exceed 35% (40% for age-restricted units) of the household's eligible monthly income as determined pursuant to N.J.A.C. 5:80-26.17, as may be amended and supplemented; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
 - (1) The household currently pays more than 35% (40% for households eligible for age-restricted units) of its gross household income for rent, and the proposed rent will reduce its housing costs;
 - (2) The household has consistently paid more than 35% (40% for households eligible for age-restricted units) of eligible monthly income for rent in the past and has proven its ability to pay;
 - (3) The household is currently in substandard or overcrowded living conditions;
 - (4) The household documents the existence of assets with which the household proposes to supplement the rent payments; or
 - (5) The household documents reliable anticipated third-party assistance from an outside source such as a family member in a form acceptable to the Administrative Agent and the owner of the unit.
- C. The applicant shall file documentation sufficient to establish the existence of any of the circumstances in 2.a. through 2.e. above with the Administrative Agent, who shall counsel the household on budgeting.

380-33. Municipal Housing Liaison.

- A. The Municipal Housing Liaison shall be approved by municipal resolution.
- B. The Municipal Housing Liaison shall be approved by the Division, or is in the process of getting approval, and fully or conditionally meets the requirements for qualifications, including initial and periodic training as set forth in in N.J.A.C. 5:99-1 et seq.
- C. The Municipal Housing Liaison shall be responsible for oversight and administration of the affordable housing program, including the following responsibilities, which may not be contracted out to the Administrative Agent:

- (1) Serving as the primary point of contact for all inquiries from the Affordable Housing Dispute Resolution Program, the State, affordable housing providers, administrative agents and interested households.

- (9) Coordinating with the Administrative Agent, municipal attorney and municipal Construction Code Official to ensure that permits are not issued unless the document required in C.8. above has been duly recorded.
- (10) Listing on the municipal website contact information for the MHL and Administrative Agents.

380-34. Administrative Agent.

- A. All municipalities that have created or will create affordable housing programs and/or affordable units shall designate or approve, for each project within its HEFSP, an administrative agent to administer the affordable housing program and/or affordable housing units in accordance with the requirements of the FHA, NJAC 5:99-1 et seq. and UHAC.
- B. The fees for administrative agents shall be paid as follows:
 - (1) Administrative agent fees related to rental units shall be paid by the developer/owner.
 - (2) Administrative agent fees related to initial sale of units shall be paid by the developer.
 - (3) Administrative agent fees related to resales shall be paid by the seller of the affordable home.

- B. After providing written notice of a violation to an owner, developer or tenant of an affordable unit and advising the owner, developer or tenant of the penalties for such violations, the Borough may take the following action against the owner, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - (1) The Borough may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the owner, developer or tenant is found by the Court to have violated any provision of the regulations governing affordable housing units the owner, developer or tenant shall be subject to one or more of the following penalties, at the discretion of the Court:
 - (a) A fine of not more than \$500 or imprisonment for a period not to exceed 90 days, or both, unless otherwise specified below, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
 - (b) In the case of an owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Affordable Housing Trust Fund of the gross amount of rent illegally collected;

- (c) In the case of an owner who has rented his or her affordable unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.
- C. The Borough shall have the authority to levy fines against the owner of the development for instances of noncompliance with NJHRC advertising requirements (N.J.S.A. 52:27D-321.6.e.(2)), following written notice to the owner. The fine for the first offense of noncompliance shall be \$5,000, the fine for the second offense of noncompliance shall be \$10,000, and the fine for each subsequent offense of noncompliance shall be \$15,000.
- D. The Borough may file a court action in the Superior Court seeking a judgment, which would result in the termination of the owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the first purchase money mortgage and shall constitute a lien against the low- or moderate-income unit.
- (1) Such judgment shall be enforceable, at the option of the Borough, by means of an execution sale by the Sheriff, at which time the affordable unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any first purchase money mortgage and prior liens and the costs of the enforcement proceedings incurred by the Borough, including attorney's fees. The violating owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
 - (2) The proceeds of the Sheriff's sale shall first be applied to satisfy the first purchase money mortgage lien and any prior liens upon the low- or moderate-income unit. The excess, if any, shall be applied to reimburse the Borough for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the Borough in full as aforesaid, the violating owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the Borough in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus shall be placed in escrow by the Borough for the owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the owner shall make a claim with the Borough for such. Failure of the owner to claim such balance within the two year period shall automatically result in a forfeiture of such balance to the Borough. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the Borough, whether such balance shall be paid to the owner or forfeited to the Borough.
 - (3) Foreclosure due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as they apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The owner determined to be in violation of the provisions of this plan and from whom title

and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

- (4) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the first purchase money mortgage and any prior liens, the Borough may acquire title to the affordable unit by satisfying the first purchase money mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the first purchase money mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the affordable unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess that would have been realized from an actual sale as previously described.
 - (5) Failure of the low- or moderate-income unit to be either sold at the Sheriff's sale or acquired by the Borough shall obligate the owner to accept an offer to purchase from any qualified purchaser that may be referred to the owner by the Borough, with such offer to purchase being equal to the maximum resale price of the low- or moderate-income unit as permitted by the regulations governing affordable housing units.
 - (6) The affordable unit owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the owner.
- E. It is the responsibility of the municipal housing liaison and the administrative agent(s) to ensure that affordable housing units are administered properly. All affordable units must be occupied within a reasonable amount of time and be re-leased within a reasonable amount of time upon the vacating of the unit by a tenant. If an administrative agent or municipal housing liaison becomes aware of or suspects that a developer, landlord, or property manager has not complied with these regulations, it shall report this activity to the Division. The Division must notify the developer, landlord, or property manager, in writing, of any violation of these regulations and provide a 30-day cure period. If, after the 30-day cure period, the developer, landlord, or property manager remains in violation of any terms of this subchapter, including by keeping a unit vacant, the developer, landlord, or property manager may be fined up to the amount required to construct a comparable affordable unit of the same size and the deed-restricted control period will be extended for the length of the time the unit was out of compliance, in addition to the remedies provided for in this section. For the purposes of this subsection, a reasonable amount of time shall presumptively be 60 days, unless a longer period of time is required due to demonstrable market conditions and/or failure of the municipal housing liaison or the administrative agent to refer a certified tenant.
- F. Banks and other lending institutions are prohibited from issuing any loan secured by owner occupied real property subject to the affordability controls set forth in this subchapter if such loan would be in excess of amounts permitted by the restriction documents recorded in the deed or mortgage book in the county in which the

property is located. Any loan issued in violation of this subsection is void as against public policy.

G. The Agency and the Department hereby reserve, for themselves and for each administrative agent appointed pursuant to this subchapter, all of the rights and remedies available at law and in equity for the enforcement of this subchapter, including, but not limited to, fines, evictions, and foreclosures as approved by a county-level housing judge.

H. Appeals

(1) Appeals from all decisions of an administrative agent appointed pursuant to this subchapter must be filed, in writing, with the municipal housing liaison. A decision by the municipal housing liaison may be appealed to the Division. A written decision of the Division Director upholding, modifying, or reversing an administrative agent's decision is a final administrative action.

Repealer

All ordinances or code provisions or parts thereof inconsistent with this Ordinance are hereby repealed to the extent of such inconsistency.

Severability

If any section, subsection, paragraph, sentence or any other part of this Ordinance is adjudged unconstitutional or invalid, such judgment shall not affect, impair or invalidate the remainder of this Ordinance.

Effective Date

This ordinance shall take effect upon its passage and publication, as required by law.

- B. Extension of Controls Program (for ownership units per N.J.A.C. 5:97-6.14 and UHAC at N.J.A.C. 5:80-26.6(h) through (k) and (m); and for rental units per N.J.A.C. 5:97-6.14 and N.J.A.C. 5:80-26.12(h) through (k)).
 - (1) An extension of affordability controls program is established to maintain and extend the affordability of deed restricted units scheduled to come out of their affordability control period, subject to N.J.A.C. 5:97-6.14 and UHAC, including the following:
 - (a) The affordable unit meets the criteria for prior cycle (April 1, 1980 - December 15, 1986) or post December 15, 1986 credits set forth in N.J.A.C. 5:97.
 - (b) The affordability controls for the unit are scheduled to expire in the current round; or in the next round of housing obligations if the municipal election to extend controls is made no earlier than one year before the end of the current round;
 - (c) The Borough shall obtain a continuing certificate of occupancy or a certified statement from the municipal building inspector stating that the restricted unit meets all code standards.
 - (d) If a unit requires repair and/or rehabilitation work in order to receive a continuing certificate of occupancy or certified statement from the municipal building inspector, the Borough shall fund and complete the work.
 - (e) The Borough shall adhere to the process for extending controls pursuant to UHAC for extending ownership units and rental units, either inclusionary or 100% affordable developments.
 - (f) The deed restriction for the extended control period shall be filed with the County Clerk.
- C. Assisted Living Residence (per N.J.A.C. 5:97-6.11).
 - (1) An assisted living residence is a facility licensed by the New Jersey Department of Health to provide apartment-style housing and congregate dining and to assure that assisted living services are available. All or a designated number of apartments in the facility shall be restricted to low- and moderate-income households.

- (2) The unit of credit shall be the apartment. However, a two-bedroom apartment shall be eligible for two units of credit if it is restricted to two unrelated individuals.
 - (3) A recipient of a Medicaid waiver shall automatically qualify as a low- or moderate-income household.
 - (4) Assisted living units are considered age-restricted housing in a HEFSP and shall be included with the maximum number of units that may be age-restricted.
 - (5) Low- and moderate-income residents cannot be charged any upfront fees.
 - (6) The units shall comply with UHAC with the following exceptions:
 - (a) Affirmative marketing (N.J.A.C. 5:80-26.16); provided that the units are restricted to recipients of Medicaid waivers;
 - (b) The deed restriction may be on the facility, rather than individual apartments or rooms;
 - (c) Low/moderate income split and affordability average (N.J.A.C. 5:80-26.4); only if all of the affordable units are affordable to households at a maximum of 60 percent of median income; and
 - (7) Tenant income eligibility (N.J.A.C. 5:80-26.14); up to 80 percent of an applicant's gross income may be used for rent, food and services based on occupancy type and the affordable unit must receive the same basic services as required by the Agency's underwriting guidelines and financing policies. The cost of non-housing related services shall not exceed one and two-thirds times the rent established for each unit.
- D. Supportive Housing and Group Homes (per N.J.A.C. 5:97-6.10).
- (1) The following provisions shall apply to group homes, residential health care facilities, and supportive shared living housing:
 - (a) The unit of credit shall be the bedroom. However, the unit of credit shall be the unit if occupied by a single person or household.
 - (b) Housing that is age-restricted shall be included with the maximum number of units that may be age-restricted pursuant to the Act.
 - (c) Occupancy shall not be restricted to youth under 18 years of age.
 - (d) In affordable developments with 20 or more restricted units that are supportive housing, two-bedroom units must compose at least five percent of those restricted units.
 - (e) The bedrooms and/or units shall comply with UHAC with the following exceptions:
 - [1] Affirmative marketing; however, group homes, residential health care facilities, permanent supportive housing, and supportive shared living housing shall be affirmatively marketed to broadest possible population of qualified individuals with special needs in accordance with a plan approved by the sponsoring program;
 - [2] Affordability average and bedroom distribution (N.J.A.C. 5:80-26.4).
 - (f) With the exception of units established with capital funding through a 20-year operating contract with the Department of Human Services, Division of Developmental Disabilities, group homes, residential health care facilities, supportive shared living housing and permanent supportive housing shall have

the appropriate controls on affordability in accordance with the Act. In the event that a supportive housing provider is unable to record or execute a long-term deed restriction, the units shall be subject to annual recertification by the Municipal Housing Liaison to confirm continued occupancy and compliance with this Section.

- (g) Objective standards shall be applied in the selection of tenants for supportive housing units and shall be designed to ensure that individuals are not excluded in an arbitrary or capricious manner.
- (h) The following documentation shall be submitted by the sponsor to the Borough prior to marketing the completed units or facility:
 - [1] An Affirmative Marketing Plan; and
 - [2] If applicable, proof that the supportive and/or special needs housing is regulated by the New Jersey Department of Health and Senior Services, the New Jersey Department of Human Services or another State agency in accordance with the requirements of this section, which includes validation of the number of bedrooms or units in which low- or moderate-income occupants reside.
- (i) The sponsor/owner shall complete annual monitoring as directed by the MHL.

380-21. Regional Income Limits.

- A. Administrative agents shall use the current regional income limits for the purpose of pricing affordable units and determining income eligibility of households.
- B. Regional income limits are based on regional median income, which is established by a regional weighted average of the "median family incomes" published by HUD. The procedure for computing the regional median income is detailed in N.J.A.C. 5:80-26.3.
- C. Updated regional income limits are effective as of the effective date of the regional Section 8 income limits for the year, as published by HUD, or 45 days after HUD publishes the regional Section 8 income limits for the year, whichever comes later. The new income limits may not be less than those of the previous year.

380-22. Maximum Initial Rents And Sales Prices.

- A. In establishing rents and sales prices of affordable housing units, the Administrative Agent shall follow the procedures set forth in UHAC N.J.A.C. 5:80-26.4.
- B. The average rent for all restricted units within each affordable housing development shall be affordable to households earning no more than 52 percent of regional median income.
- C. The maximum rent for restricted rental units within each affordable housing development shall be affordable to households earning no more than 60% of regional median income. The maximum rent may be increased to no more than 70 percent of regional median income for moderate-income units within affordable developments where very-low-income units compose at least 13 percent of the restricted units; however, the number of units with rent affordable to households earning 70 percent of regional median income may not exceed the number of very-low-income units in excess of 13 percent (rounded up) of the restricted units.

- D. The developers and/or municipal sponsors of restricted rental units shall establish at least one rent for each bedroom type for both low-income and moderate-income units. Very low-income units, if required, should be distributed between each bedroom count as proportionally as possible to the total number of restricted units within each bedroom count, and shall be part of the low-income requirement.
- E. The maximum sales price of restricted ownership units within each affordable housing development shall be affordable to households earning no more than 70% of median income, and each affordable housing development must achieve an affordability average that does not exceed 55% for all restricted ownership units. In achieving this affordability average, moderate-income ownership units must be available for at least three different prices for each bedroom type, and low-income ownership units must be available for at least two different prices for each bedroom type when the number of low- and moderate-income units permits.
- F. The master deeds and declarations of covenants and restrictions for affordable developments may not distinguish between restricted units and market-rate units in the calculation of any condominium or homeowner association fees and special assessments to be paid by low- and moderate-income purchasers and those to be paid by market-rate purchasers. Notwithstanding the foregoing sentence, condominium units subject to a municipal ordinance adopted before December 20, 2004, which ordinance provides for condominium or homeowner association fees and/or assessments different from those provided for in this subsection are governed by the ordinance.
- G. In determining the initial sales prices and rents for compliance with the affordability average requirements for restricted family units, the following standards shall be met:
 - (1) A studio or efficiency unit shall be affordable to a one-person household;
 - (2) A one-bedroom unit shall be affordable to a one and one-half person household;
 - (3) A two-bedroom unit shall be affordable to a three-person household;
 - (4) A three-bedroom unit shall be affordable to a four and one-half person household;
 - and
 - (5) A four-bedroom unit shall be affordable to a six-person household.
- H. In determining the initial rents and sales prices for compliance with the affordability average requirements for restricted units in assisted living facilities and age-restricted and special needs and supportive housing developments, the following standards shall be met:
 - (1) A studio or efficiency unit shall be affordable to a one-person household;
 - (2) A one-bedroom unit shall be affordable to a one and one-half person household;
 - and
 - (3) A two-bedroom unit shall be affordable to a two-person household or to two one-person households. Where pricing is based on two one-person households, the developer shall provide a list of units so priced to the Municipal Housing Liaison and the Administrative Agent.
- I. The initial purchase price for all restricted ownership units shall be calculated so that the monthly carrying cost of the unit, including principal and interest (based on a mortgage loan equal to 95 percent of the purchase price and the Freddie Mac 30-Year

Fixed Rate-Mortgage rate of interest), property taxes, homeowner and private mortgage insurance and condominium or homeowner association fees do not exceed 30 percent of the eligible monthly income of the appropriate size household as determined pursuant to N.J.A.C. 5:80-26.7, as may be amended and supplemented; provided, however, that the price shall be subject to the affordability average requirement of N.J.A.C. 5:80-26.4, as may be amended and supplemented.

- J. The initial rent for a restricted rental unit shall be calculated so that the total monthly housing expense, including an allowance for tenant-paid utilities, does not exceed 30 percent of the gross monthly income of a household of the appropriate size whose income is targeted to the applicable percentage of median income for the unit, as determined pursuant to N.J.A.C. 5:80-26.3, as may be amended and supplemented. The rent shall also comply with the affordability average requirement of N.J.A.C. 5:80-26.4, as may be amended and supplemented.
- K. At the anniversary date of the tenancy of the certified household occupying a restricted rental unit, following a minimum 90-day notice provided to the occupant household, the rent may be increased to an amount commensurate with the annual percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U), specifically U.S. Bureau of Labor Statistics Series CUUR0100SAH, titled "Housing in Northeast urban, all urban consumers, not seasonally adjusted." The maximum allowable rent increase for the year will be effective as of the same date as the regional median income limits determined pursuant to N.J.A.C. 5:80-26.3 and published by the Agency. This rent increase may not exceed five percent in any one year and notice thereof must be filed with the administrative agent. If the landlord has charged a tenant less than the initial maximum allowable rent for a restricted unit, the landlord may, with the approval of the administrative agent, use the maximum allowable rent instead of the current rent in performing this multiplication to establish the rent for the next tenant under a new lease. LIHTC units are not governed by the provisions of this section, but rather by the provisions of the State's Qualified Allocation Plan, N.J.A.C. 5:80-33.1 through 33.40.

380-23. Affirmative Marketing.

- A. The Borough shall adopt, by resolution, an Affirmative Marketing Plan, subject to approval of the Superior Court, compliant with N.J.A.C. 5:80-26.16, as may be amended and supplemented.
- B. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, English-speaking ability, marital or familial status, gender, affectional or sexual orientation, disability, age (except for "housing for older persons" as defined at N.J.S.A. 10:5-1 et seq., and age-restricted units as permitted pursuant to 42 U.S.C. §§ 3601 et seq.), number of children, source of lawful income, or any other characteristic described in the New Jersey Law Against Discrimination, N.J.S.A. 10:5-1 through 50, to housing units which are being marketed by a developer, sponsor or owner of affordable housing. The Affirmative Marketing Plan is intended to target those potentially eligible persons who are least likely to apply for affordable

units in that region. It is a continuing program that directs all marketing activities toward Housing Region 1 and is required to be followed throughout the period of deed restriction.

- C. The Affirmative Marketing Plan provides the following preferences, provided that units that remain unoccupied after these preferences are exhausted may be offered to households without regard to these preferences.
 - (1) Where the Borough has entered into an agreement with a developer or residential development owner to provide a preference for very-low-, low-, and moderate-income veterans who served in time of war or other emergency, pursuant to N.J.S.A. 52:27D-311.j, there shall be a preference for veterans for up to 50 percent of the restricted rental units in a particular project.
 - (2) There shall be a regional preference for all households that live and/or work in Housing Region 1 comprised of Hudson, Bergen, Passaic, and Sussex Counties.
- D. The Borough has the ultimate responsibility for adopting the Affirmative Marketing Plan and for the proper administration of the Affirmative Marketing Process, including the marketing of initial sales and rentals and resales and re-rentals. The Administrative Agent designated by the Borough shall implement the Affirmative Marketing Process to ensure the Affirmative Marketing of all affordable units, except for units in affordable programs that are exempt from Affirmative Marketing as noted herein.
- E. The Affirmative Marketing Process shall describe the media to be used in advertising and publicizing the availability of housing. In implementing the Affirmative Marketing Process, the Administrative Agent should consider the use of language translations where appropriate.
- F. Applications for affordable housing or notices thereof, if offered online, shall be available in several locations, including, at a minimum, the County Administration Building and/or the County Library for each county within the housing region; Borough Hall and Woodcliff Lake Public Library ; and the developer's rental or sales office. The developer shall mail applications to prospective applicants upon request and shall make applications available through a secure online website address.
- G. In addition to other Affirmative Marketing strategies, the Administrative Agent shall provide specific notice of the availability of affordable housing units on the New Jersey Housing Resource Center website. Additional notice shall be provided to FSHC; the Latino Action Network; the New Jersey State Conference of the NAACP; Bergen County NAACP; Urban League of Bergen County, Bergen County Housing Coalition; and the Supportive Housing Association. Any other entities, including developers or persons or companies retained to implement the Affirmative Marketing Process, shall comply with this paragraph.
- H. In implementing the Affirmative Marketing Process, the Administrative Agent shall provide a list of HUD-certified housing counselors or otherwise experienced entities approved by the Division providing counseling services on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law.

- I. The Affirmative Marketing Process for available affordable units shall begin at least four months (120 days) prior to the expected date of occupancy and may begin before construction commences. For owner-occupied units, affirmative marketing advertising and outreach activities must continue until all of the marketed units have been sold, except that paid advertising may cease when the number of applications received is at least three times the number of units to be sold. For rental units, affirmative marketing advertising and outreach activities must continue, as long as applications are being accepted, except that paid advertising may cease when the number of applications received is at least three times the number of units to be filled.
- J. Applications must be accepted for no less than 45 days following the initial advertisement on the New Jersey Housing Resource Center, except for the resale of owner-occupied units, in which case, applications must be accepted for no less than 30 days.
- K. The cost to affirmatively market the affordable units shall be the responsibility of the developer, sponsor or owner, with the exception of Affirmative Marketing for resales.

380-24. Selection of Occupants of Affordable Housing Units.

- A. The Administrative Agent shall use a random selection process to select occupants of very low-, low- and moderate-income housing.
- B. A pool of interested households will be maintained in accordance with the provisions of N.J.A.C. 5:80-26.16.

380-25. Occupancy Standards.

- A. In referring certified households to specific restricted units, to the extent feasible, and without causing an undue delay in occupying the unit, the Administrative Agent shall strive to:
 - (1) Ensure each bedroom is occupied by at least one person, except for age-restricted and supportive and special needs housing units;
 - (2) Provide a bedroom for every two adult occupants;
 - (3) With regard to occupants under the age of 18, accommodate the household's requested arrangement, except that such arrangement may not result in more than two occupants under the age of 18 occupying any bedroom; and
 - (4) Avoid placing a one-person household into a unit with more than one bedroom.

380-26. Control Periods for Restricted Ownership Units and Enforcement Mechanisms.

- A. Control periods for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.6, as may be amended and supplemented, and each restricted ownership unit shall remain subject to the controls on affordability for a period of at least 30 years subject to the requirements of N.J.A.C. 5:80-26.6, as may be amended and supplemented.
- B. Rehabilitated housing units that are improved to code standards shall be subject to affordability controls for a period of not less than 10 years (crediting towards present need only).

- C. The affordability control period for a restricted ownership unit shall commence on the date the initial certified household takes title to the unit. The date of commencement shall be identified in the deed restriction.
- D. If existing affordability controls are being extended, the extended control period for a restricted ownership unit commences on the effective date of the extension, which is the end of the original control period.
- E. After the end of any control period, the restricted ownership unit remains subject to the affordability controls set forth in this subchapter until the owner gives notice of their intent to make an exit sale, at which point:
 - (1) If the Borough exercises the right to extend the affordability controls on the unit, no exit sale occurs and a new control period commences; or
 - (2) If the Borough does not exercise the right to extend the affordability controls on the unit, the affordability controls terminate following the exit sale.
- F. Prior to the issuance of any building permit for the construction/rehabilitation of restricted ownership units, the developer/owner and the Borough shall record a preliminary instrument provided by the Administrative Agent.
- G. Prior to the issuance of the initial certificate of occupancy for a restricted ownership unit and upon each successive sale during the period of restricted ownership, the Administrative Agent shall determine the restricted price for the unit and shall also determine the nonrestricted, fair market value of the unit based on either an appraisal or the unit's equalized assessed value without the restrictions in place.
- H. At the time of the initial sale of the unit and upon each successive price-restricted sale, the initial purchaser shall execute and deliver to the Administrative Agent a recapture note obliging the purchaser, as well as the purchaser's heirs, successors, and assigns, to repay, upon the first non-exempt sale after the unit's release from the restrictions set forth in this Ordinance, an amount equal to the difference between the unit's non-restricted fair market value and its restricted price, and the recapture note shall be secured by a recapture lien evidenced by a duly recorded mortgage on the unit.
- I. The affordability controls set forth in this Ordinance shall remain in effect despite the entry and enforcement of any judgment of foreclosure with respect to price-restricted ownership units.

380-27. Price Restrictions for Restricted Ownership Units and Resale Prices.

- A. Price restrictions for restricted ownership units shall be in accordance with N.J.A.C. 5:80-26.7, as may be amended and supplemented, including:
 - (1) The initial purchase price and affordability percentage for a restricted ownership unit shall be set by the Administrative Agent.
 - (2) The Administrative Agent shall approve all resale prices, in writing and in advance of the resale, to assure compliance with the standards set forth in N.J.A.C 5:80-26.7.
 - (a) If the resale occurs prior to the one-year anniversary of the date on which title to the unit was transferred to a certified household, the maximum resale price for a is the most recent non-exempt purchase price.

- (b) If the resale occurs on or after such anniversary date, the maximum resale price is the most recent non-exempt purchase price increased to reflect the cumulative annual percentage increases to the regional median income, effective as of the same date as the regional median income calculated pursuant to N.J.A.C. 5:80-26.3
 - (3) The owners of restricted ownership units may apply to the Administrative Agent to increase the maximum sales price for the unit on the basis of anticipated capital improvements. Eligible capital improvements shall be:
 - (a) those that render the unit suitable for a larger household or the addition of a bathroom.
 - (b) The maximum resale price may be further increased by an amount up to the cumulative dollar value of approved capital improvements made after the last non-exempt sale for improvements and/or upgrades to the unit, excluding capital improvements paid for by the entity favored on the recapture note and recapture lien described at N.J.A.C. 5:80-26.6(d);
 - (4) No increase for capital improvements is permitted if the maximum resale price prior to adjusting for capital improvements already exceeds whatever initial purchase price the unit would have if it were being offered for purchase for the first time at the initial affordability percentage. All adjustments for capital improvements are subject to 10-year, straight-line depreciation.
- B. Upon the resale of a restricted ownership unit, all items of property that are permanently affixed to the unit or were included when the unit was initially restricted (for example, refrigerator, range, washer, dryer, dishwasher, wall-to-wall carpeting) shall be included in the maximum allowable resale price. Other items may be sold to the purchaser at a reasonable price that has been approved by the Administrative Agent at the time of the signing of the agreement to purchase but shall be separate and apart from any contract of sale for the underlying real estate. The purchase of central air conditioning installed subsequent to the initial sale of the unit and not included in the base price may be made a condition of the unit resale provided the price of the air conditioning equipment, which shall be subject to 10-year, straight-line depreciation, has been approved by the Administrative Agent. Unless otherwise approved by the Administrative Agent, the purchase of any property other than central air conditioning shall not be made a condition of the unit resale. The seller and the purchaser must personally certify at the time of closing that no unapproved transfer of funds for the purpose of selling and receiving property has taken place at the time of or as a condition of resale.

380-28. Buyer Income Eligibility.

- A. Buyer income eligibility for restricted ownership units shall be established pursuant to N.J.A.C. 5:80-26.17, as may be amended and supplemented, such that very low-income ownership units shall be reserved for occupancy by households with a gross household income less than or equal to 30% of median income, low-income ownership units shall be reserved for occupancy by households with a gross household income less than or equal to 50% of median income and moderate-income

ownership units shall be reserved for occupancy by households with a gross household income less than 80% of median income.

- B. Notwithstanding the foregoing, the Administrative Agent may, upon approval by the Borough, and subject to the Division's approval, permit a moderate-income purchaser to buy a low-income unit if and only if the Administrative Agent can demonstrate that there is an insufficient number of eligible low-income purchasers in the housing region to permit prompt occupancy of the unit and all other reasonable efforts to attract a low-income purchaser, including pricing and financing incentives, have failed. Any such low-income unit that is sold to a moderate-income household shall retain the required pricing and pricing restrictions for a low-income unit. Similarly, the administrative agent may permit low-income purchasers to buy very-low-income units in housing markets where, as determined by the Division, units are reserved for very-low-income purchasers, but there is an insufficient number of very-low-income purchasers to permit prompt occupancy of the units. In such instances, the purchased unit must be maintained as a very low-income unit and sold at a very-low-income price point such that on the next resale the unit will still be affordable to very-low-income households and able to be purchased by a very-low-income household. A very-low-income unit that is seeking bonus credit pursuant to N.J.S.A. 52:27D-311.k(9) must first be advertised exclusively as a very-low-income unit according to the Affirmative Marketing requirements at N.J.A.C. 5:80-26.16, then advertised as a very-low-income or low-income unit for at least 30 additional days prior to referring any low-income household to the unit.
- C. A certified household that purchases a restricted ownership unit must occupy it as the certified household's principal residence and shall not lease the unit; provided, however, that the Administrative Agent may permit the owner of a restricted ownership unit, upon application and a showing of hardship, to lease the restricted unit to another certified household for a period not to exceed one year.
- D. The Administrative Agent shall certify a household as eligible for a restricted ownership unit when the household is a low-income household or a moderate-income household, as applicable to the unit, and the estimated monthly housing cost for the particular unit (including principal, interest, property taxes, homeowner and private mortgage insurance and condominium or homeowner association fees, as applicable) does not exceed 35 percent of the household's eligible monthly income; provided, however, that this limit may be exceeded if one or more of the following circumstances exists:
- (1) The household currently pays more than 35% (40% for households eligible for age-restricted units) of its gross household income for housing expenses, and the proposed housing expenses will reduce its housing costs;
 - (2) The household has consistently paid more than 35% (40% for households eligible for age-restricted units) of eligible monthly income for housing expenses in the past and has proven its ability to pay; or
 - (3) The household is currently in substandard or overcrowded living conditions;

- (4) The household documents the existence of assets, within the asset limitation otherwise applicable, with which the household proposes to supplement the rent payments

380-29. Limitations on Indebtedness Secured by Ownership Unit; Subordination.

- A. Prior to incurring any indebtedness to be secured by a restricted ownership unit, the owner shall apply to the Administrative Agent for a determination in writing that the proposed indebtedness complies with the provisions of this Section, and the Administrative Agent shall issue such determination prior to the owner incurring such indebtedness.
- B. With the exception of original purchase money mortgages, neither an owner nor a lender shall at any time during the control period cause or permit the total indebtedness secured by a restricted ownership unit to exceed 95% of the maximum allowable resale price of that unit, as such price is determined by the Administrative Agent in accordance with N.J.A.C. 5:80-26.7(c).

380-30. Control Periods for Restricted Rental Units.

- A. Control periods for units that meet the definition of prior round units shall be pursuant to the 2001 UHAC rules originally adopted October 1, 2001, 33 N.J.R. 3432, and amended December 20, 2004, 36 N.J.R. 5713 and shall remain subject to the requirements of this ordinance for a period of at least 30 years as applicable unless otherwise indicated.
- B. Other than for prior round units, control periods for restricted rental units shall be in accordance with N.J.A.C. 5:80-26.12, as may be amended and supplemented, and each restricted rental unit shall remain subject to the requirements of this Ordinance for a period of at least 40 years. Restricted rental units created as part of developments receiving 9% Low-Income Housing Tax Credits must comply with a control period of not less than a 30-year compliance period plus a 15-year extended use period for a total of 45 years.
- C. The affordability control period for a restricted rental unit shall commence on the first date that a unit is issued a certificate of occupancy following the execution of the deed restriction or, if affordability controls are being extended, on the effective date of the extension, which is the end of the original control period.
- D. Rehabilitated renter-occupied housing units that are improved to code standards shall be subject to affordability controls for a period of not less than 10 years.
- E. Prior to the issuance of any building permit for the construction/rehabilitation of restricted rental units, the developer/owner and the Borough shall record a preliminary instrument provided by the Administrative Agent.
- F. Deeds of all real property that include restricted rental units shall contain deed restriction language. The deed restriction shall have priority over all mortgages on the property. The deed restriction shall be recorded by the developer with the county records office, and provided as filed and recorded, to the Administrative Agent within 30 days of the receipt of a certificate of occupancy.

- G. A restricted rental unit shall remain subject to the affordability controls of this Ordinance despite the occurrence of any of the following events:
 - (1) Sublease or assignment of the lease of the unit;
 - (2) Sale or other voluntary transfer of the ownership of the unit;
 - (3) The entry and enforcement of any judgment of foreclosure on the property containing the unit; or
 - (4) The end of the control period, until the occupant household vacates the unit, or is certified as over-income and the controls are released in accordance with UHAC.

380-31. Rent Restrictions for Rental Units; Leases and Fees.

- A. The initial rent for a restricted rental unit shall be set by the Administrative Agent.
- B. A written lease shall be required for all restricted rental units, except for units in an assisted living residence, and tenants shall be responsible for security deposits and the full amount of the rent as stated on the lease. A copy of the current lease for each restricted rental unit shall be retained on file by the Administrative Agent.
- C. No additional fees, operating costs, or charges shall be added to the approved rent (except, in the case of units in an assisted living residence, to cover the customary charges for food and services) without the express written approval of the Administrative Agent.
 - (1) Operating costs, for the purposes of this section, include certificate of occupancy fees, move-in fees, move-out fees, mandatory internet fees, mandatory cable fees, mandatory utility submetering fees, and for developments with more than one and a half off-street parking spaces per unit, parking fees for one parking space per household.
- D. Any fee structure that would remove or limit affordable unit occupant access to any amenities or services that are required or included for market-rate unit occupants is prohibited. Application fees (including the charge for any credit check) shall not exceed 5% of the monthly rent of the applicable restricted unit to be applied to the costs of administering the controls applicable to the unit as set forth in this Ordinance.
- E. Fees for unit-specific, non-communal items that are charged to market-rate unit tenants on an optional basis, such as pet fees for tenants with pets, storage spaces, bicycle-share programs, or one-time rentals of party or media rooms, may also be charged to affordable unit tenants, if applicable.
- F. Pet fees may not exceed \$30.00 per month and associated one-time payments for optional fees pertaining to pets, such as a pet cleaning fee, are prohibited.
- G. Fees charged to affordable unit tenants for other optional, unit-specific, non-communal items shall not exceed the amounts charged to market-rate tenants.
- H. For any prior round rental unit leased before December 20, 2024, elements of the existing fee structure that are consistent with prior rules, but inconsistent with 5:80-26.13(c)1, may continue until the occupant household's current lease term expires or that occupant household vacates the unit, whichever occurs later.

380-32. Tenant Income Eligibility.

- A. Tenant income eligibility shall be determined pursuant to N.J.A.C. 5:80-26.14, as may be amended and supplemented, and shall be determined as follows:
 - (1) Very low-income rental units shall be reserved for households with a gross household income less than or equal to 30% of the regional median income by household size.
 - (2) Low-income rental units shall be reserved for households with a gross household income less than or equal to 50% of the regional median income by household size.

380-36. Enforcement of Affordable Housing Regulations

- A. Upon the occurrence of a breach of any of the regulations governing the affordable unit by an owner, developer or tenant, the Borough shall have all remedies provided at law or equity, including but not limited to foreclosure, tenant eviction, municipal fines, a requirement for household recertification, acceleration of all sums due under a mortgage, recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.
- B. After providing written notice of a violation to an owner, developer or tenant of an affordable unit and advising the owner, developer or tenant of the penalties for such violations, the Borough may take the following action against the owner, developer or tenant for any violation that remains uncured for a period of 60 days after service of the written notice:
 - (1) The Borough may file a court action pursuant to N.J.S.A. 2A:58-11 alleging a violation, or violations, of the regulations governing the affordable housing unit. If the owner, developer or tenant is found by the Court to have violated any provision of the regulations governing affordable housing units the owner, developer or tenant shall be subject to one or more of the following penalties, at the discretion of the Court:
 - (a) A fine of not more than \$500 or imprisonment for a period not to exceed 90 days, or both, unless otherwise specified below, provided that each and every day that the violation continues or exists shall be considered a separate and specific violation of these provisions and not a continuation of the initial offense;
 - (b) In the case of an owner who has rented his or her low- or moderate-income unit in violation of the regulations governing affordable housing units, payment into the Affordable Housing Trust Fund of the gross amount of rent illegally collected;

- (c) In the case of an owner who has rented his or her affordable unit in violation of the regulations governing affordable housing units, payment of an innocent tenant's reasonable relocation costs, as determined by the Court.
- C. The Borough shall have the authority to levy fines against the owner of the development for instances of noncompliance with NJHRC advertising requirements (N.J.S.A. 52:27D-321.6.e.(2)), following written notice to the owner. The fine for the first offense of noncompliance shall be \$5,000, the fine for the second offense of noncompliance shall be \$10,000, and the fine for each subsequent offense of noncompliance shall be \$15,000.
- D. The Borough may file a court action in the Superior Court seeking a judgment, which would result in the termination of the owner's equity or other interest in the unit, in the nature of a mortgage foreclosure. Any judgment shall be enforceable as if the same were a judgment of default of the first purchase money mortgage and shall constitute a lien against the low- or moderate-income unit.
- (1) Such judgment shall be enforceable, at the option of the Borough, by means of an execution sale by the Sheriff, at which time the affordable unit of the violating owner shall be sold at a sale price which is not less than the amount necessary to fully satisfy and pay off any first purchase money mortgage and prior liens and the costs of the enforcement proceedings incurred by the Borough, including attorney's fees. The violating owner shall have the right to possession terminated as well as the title conveyed pursuant to the Sheriff's sale.
 - (2) The proceeds of the Sheriff's sale shall first be applied to satisfy the first purchase money mortgage lien and any prior liens upon the low- or moderate-income unit. The excess, if any, shall be applied to reimburse the Borough for any and all costs and expenses incurred in connection with either the court action resulting in the judgment of violation or the Sheriff's sale. In the event that the proceeds from the Sheriff's sale are insufficient to reimburse the Borough in full as aforesaid, the violating owner shall be personally responsible for the full extent of such deficiency, in addition to any and all costs incurred by the Borough in connection with collecting such deficiency. In the event that a surplus remains after satisfying all of the above, such surplus shall be placed in escrow by the Borough for the owner and shall be held in such escrow for a maximum period of two years or until such earlier time as the owner shall make a claim with the Borough for such. Failure of the owner to claim such balance within the two year period shall automatically result in a forfeiture of such balance to the Borough. Any interest accrued or earned on such balance while being held in escrow shall belong to and shall be paid to the Borough, whether such balance shall be paid to the owner or forfeited to the Borough.
 - (3) Foreclosure due to violation of the regulations governing affordable housing units shall not extinguish the restrictions of the regulations governing affordable housing units as they apply to the low- and moderate-income unit. Title shall be conveyed to the purchaser at the Sheriff's sale, subject to the restrictions and provisions of the regulations governing the affordable housing unit. The owner determined to be in violation of the provisions of this plan and from whom title

and possession were taken by means of the Sheriff's sale shall not be entitled to any right of redemption.

- (4) If there are no bidders at the Sheriff's sale, or if insufficient amounts are bid to satisfy the first purchase money mortgage and any prior liens, the Borough may acquire title to the affordable unit by satisfying the first purchase money mortgage and any prior liens and crediting the violating owner with an amount equal to the difference between the first purchase money mortgage and any prior liens and costs of the enforcement proceedings, including legal fees and the maximum resale price for which the affordable unit could have been sold under the terms of the regulations governing affordable housing units. This excess shall be treated in the same manner as the excess that would have been realized from an actual sale as previously described.
 - (5) Failure of the low- or moderate-income unit to be either sold at the Sheriff's sale or acquired by the Borough shall obligate the owner to accept an offer to purchase from any qualified purchaser that may be referred to the owner by the Borough, with such offer to purchase being equal to the maximum resale price of the low- or moderate-income unit as permitted by the regulations governing affordable housing units.
 - (6) The affordable unit owner shall remain fully obligated, responsible and liable for complying with the terms and restrictions of governing affordable housing units until such time as title is conveyed from the owner.
- E. It is the responsibility of the municipal housing liaison and the administrative agent(s) to ensure that affordable housing units are administered properly. All affordable units must be occupied within a reasonable amount of time and be re-leased within a reasonable amount of time upon the vacating of the unit by a tenant. If an administrative agent or municipal housing liaison becomes aware of or suspects that a developer, landlord, or property manager has not complied with these regulations, it shall report this activity to the Division. The Division must notify the developer, landlord, or property manager, in writing, of any violation of these regulations and provide a 30-day cure period. If, after the 30-day cure period, the developer, landlord, or property manager remains in violation of any terms of this subchapter, including by keeping a unit vacant, the developer, landlord, or property manager may be fined up to the amount required to construct a comparable affordable unit of the same size and the deed-restricted control period will be extended for the length of the time the unit was out of compliance, in addition to the remedies provided for in this section. For the purposes of this subsection, a reasonable amount of time shall presumptively be 60 days, unless a longer period of time is required due to demonstrable market conditions and/or failure of the municipal housing liaison or the administrative agent to refer a certified tenant.
- F. Banks and other lending institutions are prohibited from issuing any loan secured by owner occupied real property subject to the affordability controls set forth in this subchapter if such loan would be in excess of amounts permitted by the restriction documents recorded in the deed or mortgage book in the county in which the

property is located. Any loan issued in violation of this subsection is void as against public policy.

G. The Agency and the Department hereby reserve, for themselves and for each administrative agent appointed pursuant to this subchapter, all of the rights and remedies available at law and in equity for the enforcement of this subchapter, including, but not limited to, fines, evictions, and foreclosures as approved by a county-level housing judge.

H. Appeals

(1) Appeals from all decisions of an administrative agent appointed pursuant to this subchapter must be filed, in writing, with the municipal housing liaison. A decision by the municipal housing liaison may be appealed to the Division. A written decision of the Division Director upholding, modifying, or reversing an administrative agent's decision is a final administrative action.

Repealer

All ordinances or code provisions or parts thereof inconsistent with this Ordinance are hereby repealed to the extent of such inconsistency.

Severability

If any section, subsection, paragraph, sentence or any other part of this Ordinance is adjudged unconstitutional or invalid, such judgment shall not affect, impair or invalidate the remainder of this Ordinance.

Effective Date

This ordinance shall take effect upon its passage and publication, as required by law.

All affordable units to be produced pursuant to this section shall comply with the Borough's Affordable Housing Ordinance, the Uniform Housing Affordability Controls ("UHAC") (N.J.A.C. 5:80-26.1 et seq.), the Borough's Housing Element and Fair Share Plan, as may be amended from time to time, and any applicable Order of the Court, including a Judgment of Compliance and Response Order. This shall include but is not limited to:

- a. The requirement that at least thirteen percent (13%) of the affordable units within each bedroom distribution shall be required to be for very-low-income households earning thirty percent (30%) or less of median income,
- b. The bedroom distribution of very-low, low- and moderate- income affordable units shall be as follows:
 - i. No more than 20% of the very-low, low- and moderate-income units shall be one-bedroom units.
 - ii. At least 20% of the very-low, low- and moderate-income units shall be three-bedroom units.
 - iii. At least 30% of the very-low, low- and moderate-income units shall be two-bedroom units.
- c. Recording of appropriate affordability controls of not less than forty (40) years for rental units and not less than thirty (30) years for sale units, and
- d. Minimum unit sizes by square footage as required by UHAC for affordable housing units.
- e. The affordable units shall be affirmatively marketed in accordance with UHAC and applicable law. The affirmative marketing shall include the community and regional organizations identified by the Borough, and it shall also include posting of all affordable units on the New Jersey Housing Resource Center website in accordance with applicable law.
- f. The affordable units shall be integrated with the market-rate units, and the affordable units shall not be concentrated in separate building(s) or in separate area(s) or floor(s) from the market-rate units. In buildings with multiple dwelling units of similar tenure, this shall mean that the affordable units shall be generally distributed within each building with market units. The residents of the affordable units shall have full and equal access to all of the amenities, common areas, and recreation areas and facilities as the residents of the market-rate units.
