## **FAIR HOUSING AFFIRMATIVE MARKETING PROCESS**

### **For the Township of Waterford**

For Affordable Housing in (REGION 5)

(Sections II through IV are consistent for all affordable housing developments and programs within the municipality. Sections that differ must be described in the approved contract between the municipality and the administrative agent and in the approved Operating Manual.)

## **II. RANDOM SELECTION**

1. **Description of the random selection process that will be used once applications are received.**

### **INITIAL RANDOMIZATION**

In carrying out the affirmative marketing process, the administrative agent shall comply with the Housing Affordability Controls rules at N.J.A.C. 5:80-26 (UHAC) Adopted November 6, 2025, and all provisions of the Fair Chance in Housing Act, N.J.S.A. 46:8-52 through 64.

The Affirmative Marketing process will begin approximately four months prior to expected occupancy. At this time, the applicant waitlist opens, and the affordable units are posted on the New Jersey Housing Resource Center (NJHRC) website. During this four-month (120-day) period, the property is advertised and interested applicants have the opportunity to submit Preliminary Applications.

After a minimum of 60 days from the date that the units are posted on the NJHRC website, a lottery randomization takes place. No random selection may be conducted prior to 60 days following the initial advertisement on the New Jersey Housing Resource Center. All preliminary applications received during the affirmative marketing period are included in this lottery randomization, which will establish the applicant waitlist. The lottery date will be included in all affirmative marketing materials. The random selection is conducted prior to households being certified for eligibility.

If the units are Supportive Housing units, within one business day of listing the affordable housing units on the New Jersey Housing Resource Center, the Administrative Agent will notify the local Continuum of Care of any rental housing units for individuals with special needs that are reserved for individuals and families that are homeless and of any permanent supportive housing rental units.

All applicants are included in the lottery and randomized regardless of household size or, desired number of bedrooms. The process is as follows:

The lottery will be conducted by the Administrative Agent with at least two professionals present. The applicant pool will include all applicants who have applied. The Administrative Agent will utilize a computer program to randomly assign a number, which will then become the applicant's lottery number.

When a unit becomes available, the Administrative Agent will identify the applicants that match the number of bedrooms and affordability (very low, low, or moderate income). Those who work or live in Region 5 will be given preference and contacted for the unit first. Pursuant to the New Jersey Fair Housing Act (C.52:27D-311), a preference for up to 50 percent of the restricted units will be given to very low-, low- and moderate-income veterans duly qualified under N.J.A.C. 54:4-8.10 may also be exercised. If a veteran's preference is in effect, the veterans will be offered the unit prior to the general applicant pool.

Preliminary Applications received after the lottery date will be added to the applicant pool in the order they were received.

If the applicant pool becomes close to being depleted, the Administrative Agent will conduct additional marketing until units are filled.

The administrative agent will designate an experienced staff person to provide counseling services to low- and moderate-income applicants on subjects such as budgeting, credit issues, mortgage qualification, rental lease requirements, and landlord/tenant law. Alternatively, the administrative agent or municipality may contract with a HUD-certified housing counselor or an otherwise experienced entity approved by the NJ Department of Community Affairs to provide such counseling services.
