INTRODUCTION

This Housing Rehabilitation Program Operating Manual has been prepared to assist in the administration of the Borough of Woodbine Housing Rehabilitation Program. It will serve as a guide to the program staff and applicants.

This manual describes the basic content and operation of the program, examines program purposes and provides the guidelines for implementing the program. It has been prepared with a flexible format allowing for periodic updates of its sections, when required, due to revisions in regulations and/or procedures.

This manual explains the steps in the rehabilitation process. It describes the eligibility requirements for participation in the program, program criteria, funding terms and conditions, cost estimating, contract payments, record keeping and overall program administration.

The Housing Rehabilitation Program will be administered by the Borough of Woodbine and their Housing Rehabilitation Program Consultant for Owner-Occupied and Rental Rehabilitation.

The following represents the procedures developed to offer an applicant the opportunity to apply for the program.

A. Fair Housing and Equal Housing Opportunities

It is unlawful to discriminate against any person making application to participate in the rehabilitation program or rent a unit regarding race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, familial status, disability, nationality, sex, gender identity or expression or source of lawful income used for mortgage or rental payments. For more information on discrimination or if anyone feels they are a victim of discrimination, please contact the New Jersey Division on Civil Rights at 1-866-405-3050 or <http://www.state.nj.us/lps/dcr/index.html>.

ELIGIBLE PARTICIPANTS

A. Categories of Participants

Owner-occupied housing units are eligible to receive funding for rehabilitation provided that the occupants of the units are determined to be low- or moderate-income households and that the units are determined to be substandard.

B. Income Limits for Participation

The occupants of the units must have incomes that now fall within the income guidelines established for the County of Cape May, these limits are revised annually.

C. Program Area

This is a municipal-wide program. The rehabilitation property must be in the Borough of Woodbine.

D. Certification of Substandard

The purpose of the program is to bring substandard housing up to code. Substandard units are those units requiring repair or replacement of at least one major system. A major system is one of the following:

1. Roof
2. Plumbing (including wells)
3. Heating
4. Electrical
5. Sanitary plumbing (including septic systems)
6. Load bearing structural systems.
7. Lead paint abatement
8. Weatherization (building insulation for attic, exterior walls and crawl space, siding to improve energy efficiency, replacement storm windows and storm doors and replacement windows and doors)

Code violations will be determined by an inspection conducted by a program inspector.

AVAILABLE BENEFITS

A. Program Financing

Up to \$25,000 per unit may be available for improvements to eligible owner-occupied properties, the minimum average per unit rehabilitation hard costs shall be \$10,000 in accordance with N.J.A.C. 5:93-5.2(h)(2). If a particular unit requires more than \$25,000, the Municipality will approve on a case-by-case basis, keeping with the requirement dictating that the minimum average per unit rehabilitation hard cost shall be \$10,000.

B. Owner-occupied Units – Program Financing/Program Affordability Controls

Loans will be a ten-year interest-free, deferred payment loan secured by a mortgage payable upon transfer of title. After the Five-Year Anniversary of the Loan Signing, 20% of the mortgage loan principal will be forgiven for each of the remaining five years. If the title has not transferred after ten years, the entire loan is considered forgiven.

Should an owner-occupant die before repayment of the loan, the balance of the loan which has not been forgiven, will be due at the time of settlement of the estate. However, if the household inheriting the unit is income eligible and agrees to occupy the unit or even if not income-eligible agrees to rent the unit only to income-eligible households, the terms of the funding agreement shall be transferred to the inheriting household.

If an owner-occupied housing unit is sold prior to the end of the controls on affordability, the portion of the loan which has not been forgiven, shall be recaptured and used to rehabilitate another housing unit, unless the unit is sold to a low- or moderate-income household at an affordable price.

Funding for owner-occupied units will be secured by a mortgage and mortgage note to the municipality.

C. Subordination

The Borough of Woodbine may agree to subordinate a loan if the mortgage company supplies an appraisal showing that the new loan plus the balance on the old loan does not exceed 95% of the appraised value of the unit.

In order for the Municipality to approve the request, the Municipality must be subordinate to no more than two loans and there must be sufficient equity in the property. Subordination requests will only be considered for the following reasons: *1) to reduce monthly mortgage payments; 2) debt consolidation; and 3) additional home improvement funds to maintain Code and/or Certificate of Occupancy Codes.*

ELIGIBLE PROPERTY IMPROVEMENTS

A. Eligible Improvements

Housing rehabilitation funds may be used only for repairs or system replacements necessary to bring a substandard unit into compliance with municipal health, safety and building codes, applicable code violations, as well as any other cosmetic work that is reasonable and deemed necessary or is related to the necessary repairs.

At least one major system must be replaced or included in the repairs, which include one of the following:

1. Roof
2. Plumbing (including wells)
3. Heating
4. Electrical
5. Sanitary plumbing (including septic systems)
6. Load bearing structural systems
7. Lead paint abatement

8. Weatherization (building insulation for attic, exterior walls and crawl space, siding to improve energy efficiency, replacement storm windows and storm doors and replacement windows and doors)

The related work may include, but not be limited to the following:

1. Interior trim work,
2. Interior and/or exterior doors
3. Interior and/or exterior hardware
4. Window treatment
5. Interior stair repair
6. Exterior step repair or replacement
7. Porch repair
8. Wall surface repair
9. Painting
10. Exterior rain carrying system repair

B. Ineligible Improvements

Work not eligible for program funding includes but is not limited to luxury improvements (improvements which are strictly cosmetic), additions, conversions (basement, garage, porch, attic, etc.), repairs to structures separate from the living units (detached garage, shed, barn, etc.), furnishings, pools and landscaping. If determined unsafe, stoves may be replaced. The replacement or repair of other appliances is prohibited. Rehabilitation work performed by property owners shall not be funded under this program.

C. Rehabilitation Standards

Upon rehabilitation, housing deficiencies shall be corrected, and the unit shall comply with the New Jersey State Housing Code, N.J.A.C. 5:28. For construction projects that require the issuance of a construction permit pursuant to the Uniform Construction Code, the unit must also comply with the requirements of the Rehabilitation Subcode (N.J.A.C. 5:23-6). In these instances, the more restrictive requirements of the New Jersey State Housing Code or the Rehabilitation Subcode shall apply. For projects that require construction permits, the rehabilitated unit shall be considered complete at the date of final approval pursuant to the Uniform Construction Code.

D. Certification of Standard

All code deficiencies noted in the inspection report must be corrected and rehabilitated. Units must be in compliance with the standards proscribed in sub-section C above upon the issuance of a certificate of completion or occupancy. The program inspector must certify any structure repaired as a whole or in part with rehabilitation funds to be free of any code violations.

E. Emergency Repairs

A situation relating to safety and/or health hazard for the occupants would constitute an emergency. The program inspector will confirm the need for such work. In emergency cases, the formal solicitation process will not be followed. A minimum of three (3) estimates will be obtained, when possible, for the "emergency" work. However, eligibility, as stated in Section I, subsection B, must be determined prior to

soliciting estimates. Application for additional non-emergency work may be made in accordance with the procedures outlined in this Operating Manual. The funding for the emergency work and any additional rehabilitation may not exceed the program financing provisions in Section II, sub-section A.

OVERVIEW OF ADMINISTRATIVE PROCEDURES

A. Application

Property owners interested in participating in the housing rehabilitation program may submit preliminary applications to the program staff. Preliminary applications are available at the following locations:

Borough of Woodbine
501 Washington Ave, Woodbine
609-861-2153

Upon request, the program staff will mail a preliminary application to an interested property owner.

Applications will be processed in the order of receipt. Only emergency situations shall be handled out of the order of receipt.

B. Income Eligibility and Program Certification

For the households seeking a determination of income eligibility, all wage earners 18 years of age or older in the household must submit appropriate documentation to document the household income, as further described below.

1. Copy of the deed to the property.
2. Proof that property taxes and water and sewer bills are current.
3. Proof of property insurance, including liability, fire and flood insurance where necessary.

If after reviewing the income documentation submitted an applicant is determined to be ineligible, the applicant will receive a letter delineating the reasons for the determination of ineligibility. An applicant may be determined ineligible if the applicant's income exceeds the program income limits.

The program staff will arrange for a title search of all properties entering the program.

After the initial interview and the program staff has substantiated that the occupant is income-eligible, and the title search is favorable, the Eligible Certification Form will be completed and signed

Upon confirmation of income eligibility of the applicant or the applicant's tenants, the program staff will send a letter, including the Eligible Certification Form, to the applicant certifying the applicant. Eligibility will remain valid for six months. If the applicant has not signed a contract for rehabilitation within six months of the date of the letter certifying eligibility, the applicant will be required to reapply for certification.

C. Housing Inspection/Substandard Certification

Once determined eligible, the program staff will arrange for the program inspector to inspect the entire residential property.

The program inspector will inspect the house, take photographs, and certify that at least one major system is substandard. All required repairs would be identified.

D. Ineligible Properties

If after review of the property documentation submitted and the inspection report and/or work write-up an applicant's property is determined to be ineligible, the program staff will send a letter delineating the reasons for the determination of ineligibility. An applicant's property may be determined to be ineligible for any one of the following reasons:

1. Title search is unfavorable.
2. Property does not need sufficient repairs to meet eligibility requirements.
3. Real estate taxes are in arrears.
4. Proof of property insurance not submitted.
5. Property is listed for sale.
6. Property is in foreclosure.

The Borough of Woodbine may disqualify properties requiring excessive repairs to meet municipal housing standards. The estimated or bid cost of repairs must exceed 50 percent of the estimated after-rehabilitation value of the property for the municipality to exclude the property.

If after reviewing the property documentation submitted and the inspection report and/or work write-up an applicant's property is determined to be eligible, the inspector will then certify that the dwelling is substandard by completing and signing the Certificate of Substandard Form and submitting this to the program staff.

E. Cost Estimate

The program inspector will prepare a Work Write-up and Cost Estimate. This estimate will include a breakdown of each major work item by category as well as by location in the house. It will contain information as to the scope and specific details on the materials to be used. A Cost Estimate will be computed and included within the program documentation. The program staff will review the Preliminary Work Write-up with the property owner. Only required repairs to units occupied by income eligible households will be funded through the housing rehabilitation program.

F. Contractor Bidding Negotiations

After the unit and the unit occupant have been certified as eligible, the program staff will provide a bid request to a list of approved, pre-qualified trade contractors for bidding. Program staff will review the proposals and provide the property owner with a list of contractors who have submitted eligible bids for the work. Eligible bids will be those that:

1. Satisfy with the specifications of the Work Write-Up
2. Have no math errors
3. Have been submitted by an eligible contractor
4. Are no more than 20% above or below the Program Cost Estimator's final cost estimate for the work, unless an exception has been recommended by the Cost Estimator and approved by the Program Director.

5. Have been submitted by a contractor who, in the opinion of the Program Director, has the ability to perform the designated tasks within a responsible period of time as is specified in the Contract documents.

The program staff and property owner will then review these bids. The lowest responsible trade contractor shall then be selected. If the property owner wishes to use a contractor other than the lowest responsible bidder, the property owner shall pay the difference between the lowest bid price and the bid price of the selected contractor. Property owners may seek proposals from non-program participating contractors. However, the Municipality must pre-approve the contractor prior to submitting a bid.

G. Contract Signing/Pre-Construction Conference

Program staff will provide the property owner with the bids to review. The program staff will then call a Pre-Construction Conference. Documents to be executed at the Pre-construction Conference include Contractors Agreement(s), Mortgage and Mortgage Note. The property owner, program staff representative and contractor will execute the appropriate documents and copies will be provided as appropriate. A staff member will outline project procedures to which property owner must adhere. A Proceed to Work Order, guaranteeing that the work will commence within fifteen (15) calendar days of the date of the conference and be totally completed within ninety (90) days from the start of work, will be issued to each contractor at this Conference.

H. Progress Inspections

The program inspector will make periodic inspections to monitor the progress of property improvements. This is necessary to ensure that the ongoing improvements are in accordance with the scope of work outlined in the work write-up. It is the contractor's responsibility to notify the Building Inspector before closing walls on plumbing and electrical improvements.

I. Change Orders

If it becomes apparent during construction that additional repairs are necessary or the described repair needs to be amended, the program inspector will inspect the areas in need of repair and prepare a change order describing the work to be done. The applicant and the contractor will review the change order with the program staff and agree on a price. Once all parties approve of the change order and agree on the price, they will sign documents amending the contract agreement to include the change order.

J. Payment Schedule

The contract will permit two payments if the project costs more than \$12,000. First payment is made when the project is one-half completed. Final payment upon completion.

The contractor will submit a payment request. The applicant will sign a payment approval if both the applicant and program inspector are satisfied with the work performed. The municipality will then release the payment. Final payment will be released once all final inspections are made, a Certificate of Occupancy is issued (if applicable) and the program staff receives Lien Releases and a Property Owner Sign-off letter.

K. Resolution of Disputes/Appeal Process

Should any dispute arise respecting the true meaning of the Work Write-Up, or should any dispute arise respecting the true value of the extra work or of the work omitted, or of improper workmanship or materials, or of any loss sustained by the Homeowner, the Homeowner may request a hearing before the Municipality. Such a request must be made in writing to the Program Administrator and shall state the nature of the dispute. All parties to the dispute shall be notified in writing of the date and location of the hearing. An arbitration committee, consisting of three members, shall convene and the final decision rests with the arbitration committee, with no further recourse on the part of the property owner.

L. Final Inspection

Upon notification by the contractor that all work is complete and where required a Certificate of Occupancy has been issued, a final inspection shall be conducted and photographs taken. The property owner and the necessary contractors shall be present at the final inspection to respond to any final punch list items.

M. Record Mortgage Documentation

Program staff will file the executed Mortgage with the County Clerk.

N. File Closing

After the final payment is made, the applicant's file will be closed by the program staff.

This Rehabilitation Program Operating Manual has been prepared to assist in the administration of the Borough of Woodbine Rental Rehabilitation Program. It will serve as a guide to the program staff and applicants.

This manual describes the basic content and operation of the program, examines program purposes and provides the guidelines for implementing the program. It has been prepared with a flexible format allowing for periodic updates of its sections, when required, due to revisions in regulations and/or procedures.

This manual explains the steps in the rehabilitation process. It describes the eligibility requirements for participation in the program, program criteria, funding terms and conditions, cost estimating, contract payments, record keeping and overall program administration.

The Rental Rehabilitation Program will be administered by the Borough of Woodbine and Triad Associates, the Borough's Housing Rehabilitation Program Consultant. The Administrative Agent for the rental units is Triad Associates.

The following represents the procedures developed to offer an applicant the opportunity to apply to the program.

B. Fair Housing and Equal Housing Opportunities

It is unlawful to discriminate against any person making application to participate in the rehabilitation program or rent a unit with regard to race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, familial status, disability, nationality, sex, gender identity or expression or source of lawful income used for mortgage or rental payments. For more information on discrimination or if anyone feels they are a victim of discrimination, please contact the New Jersey Division on Civil Rights at 1-866-405-3050 or <http://www.state.nj.us/lps/dcr/index.html>.

ELIGIBLE PARTICIPANTS

A. Categories of Participants

Renter-occupied housing units are eligible to receive funding for rehabilitation provided that the occupants of the units are determined to be low- or moderate-income households and that the units are determined to be substandard. Owners of rental properties do not have to be low- or moderate-income households. If a structure contains two or more units and an owner, who is not income eligible, occupies one unit funding may be provided for the rehabilitation of the rest of the units if income-eligible households occupy those units. Units that are currently vacant will be rented through the Borough Administrative Agent. Rents must be affordable to low- or moderate-income households.

NOTE: Pursuant to N.J.A.C. 5:97-6.2(b)6 - rental units may not be excluded from a municipal rehabilitation program. If a county administers the municipal rehabilitation program and the county program does not include rehabilitation of rental units, the municipality will need to supplement the county program with its own rehabilitation program for rental units.

B. Income Limits for Participation

The occupants of the units must have incomes that now fall within the income guidelines established for the *County of Cape May* by the Superior Court. These limits are revised annually as figures become available and can be found in the appendices. Units that are vacant at the time of rehabilitation must be rented through the Borough's Administrative Agent, Triad Associates, to a qualified applicant.

NOTE: The program will strive to provide that low-income households occupy at least 50 percent of the units rehabilitated.

C. Program Area

This is a municipal-wide program. The rehabilitation property must be located in the Borough of Woodbine.

D. Certification of Substandard

The purpose of the program is to bring substandard housing up to code. Substandard units are those units requiring repair or replacement of at least one major system. A major system is any one of the following:

1. Roof
2. Plumbing (including wells)
3. Heating
4. Electrical
5. Sanitary plumbing (including septic systems)
6. Load bearing structural systems
7. Lead paint abatement
8. Weatherization (building insulation for attic, exterior walls and crawl space, siding to improve energy efficiency, replacement storm windows and storm doors and replacement windows and doors)

Code violations will be determined by an inspection conducted by a program inspector.

AVAILABLE BENEFITS

A. Program Financing

The average per unit rehabilitation costs shall be \$10,000. The landlords are required to provide at least 50% of the total rehabilitation costs needed for each unit to meet the New Jersey State Housing Code, N.J.A.C. 5:28 and each unit must meet the major system repair or replacement requirement upon completion.

The maximum loan available per unit from the Borough is \$10,000. If a particular unit requires more than \$10,000 investment the will review and approve on a case-by-case basis.

B. Renter-occupied Units - Program Financing/Program Affordability Controls

Eligible landlords of one-four-unit buildings may be eligible for an interest free loan which will be due if title to the property is transferred within (10) ten years of the loan date. Upon the (10) ten year loan anniversary, the full amount of the loan is forgiven. The landlords are required to provide at least 50% of the total rehabilitation costs needed for each unit to meet the New Jersey State Housing Code, N.J.A.C. 5:28 and each unit must meet the major system repair or replacement requirement. At the time the application is submitted, owners must submit proof of their share through bank statements, credit lines, etc. Title searches and property appraisals will be required to determine if there is sufficient equity in the property to cover the cost of the loan. The landlords will be expected to pay for the costs of the title searches and provide up to date property appraisals. In addition to the interest free loan, a ten-year deed restriction, attached to the mortgage and note, will be used to control the contract rent and ongoing tenant eligibility on rental units that receive assistance. The loan will be due upon transfer of title to the property if the property is sold within 10 years. After 10 years the lien is forgiven; however, the deed restrictions shall remain in effect for ten years from the date the units are certified as standard. There are no monthly payments. The deed restriction and mortgage documents will be recorded in the county deed book.

In situations where the non-income eligible owner(s) of eligible rental units occupies a unit in the structure to be rehabilitated, repairs to shared systems (i.e.: roof, heating, foundations, etc.) will be prorated with the owner(s) receiving no financial assistance for the owner's share.

If a unit is vacant upon initial rental subsequent to rehabilitation, or if a renter-occupied unit is re-rented prior to the end of controls on affordability, the deed restriction shall require the unit to be rented to a low- or moderate- income household at an affordable price and affirmatively marketed pursuant to the N.J.A.C. 5:97-9. Rents in rehabilitated units may increase annually based on the standards in N.J.A.C. 5:97-9.

C. Subordination

Borough of Woodbine may agree to subordinate a loan if the mortgage company supplies an appraisal showing that the new loan plus the balance on the old loan does not exceed 95% of the appraised value of the unit.

C. Rehabilitation Standards

Upon rehabilitation, housing deficiencies shall be corrected, and the unit shall comply with the New Jersey State Housing Code, N.J.A.C. 5:28. For construction projects that require the issuance of a construction permit pursuant to the Uniform Construction Code, the unit must also comply with the requirements of the Rehabilitation Subcode (N.J.A.C. 5:23-6). In these instances, the more restrictive requirements of the New Jersey State Housing Code or the Rehabilitation Subcode shall apply. For projects that require construction permits, the rehabilitated unit shall be considered complete at the date of final approval pursuant to the Uniform Construction Code.

D. Certification of Standard

All code deficiencies noted in the inspection report must be corrected and rehabilitated. Units must be in compliance with the standards proscribed in sub-section C above upon issuance of a certificate of completion or occupancy. The program inspector must certify any structure repaired in whole or in part with rehabilitation funds to be free of any code violations.

E. Emergency Repairs

A situation relating to a safety and/or health hazard for the occupants would constitute an emergency. A municipal inspector will confirm the need for such work. In emergency cases, the formal solicitation process will not be followed. A minimum of three (3) estimates will be obtained, when possible, for the "emergency" work. However, eligibility, as stated in Section I, subsection B, must be determined prior to soliciting estimates. Application for additional non-emergency work may be made in accordance with the procedures outlined in this Operating Manual. The funding for the emergency work and any additional rehabilitation may not exceed the program financing provisions in Section II, sub-section A.

OVERVIEW OF ADMINISTRATIVE PROCEDURES

A. Application/Interview

Property owners interested in participating in the housing rehabilitation program may submit preliminary applications to the program staff. Preliminary applications are available at the following locations:

Borough of Woodbine
501 Washington Ave, Woodbine
609-861-2153

Upon request, the program staff will mail a preliminary application to an interested property owner.

Applicants for rental rehabilitation funding must provide a list of tenants and the rents paid by each. The program staff will contact the tenants to provide evidence of income eligibility of the occupants of the units.

Applications will be processed in the order of receipt. Only emergency situations shall be handled out of the order of receipt.

B. Income Eligibility and Program Certification

Property owners of renter-occupied units must submit the following documentation:

- Copy of the deed to the property.
- Proof that property taxes and water and sewer bills are current.
- Proof of property insurance, including liability, fire and flood insurance, were necessary.

If after reviewing the income documentation submitted by the applicant's tenants, the tenant is determined to be ineligible, the applicant will receive a letter delineating the reasons for the determination of ineligibility. An applicant may be determined ineligible if each tenant's income exceeds current income limits.

The program staff will arrange for a title search of all properties entering the program.

Upon confirmation of income eligibility of the applicant's tenants, the program staff will send a letter to the applicant certifying the applicant's and or tenant's eligibility. Eligibility will remain valid for six months. If the applicant has not signed a contract for rehabilitation within six months of the date of the letter certifying eligibility, the applicant will be required to reapply for certification.

C. Housing Inspection/Substandard Certification

Once determined eligible, the program staff will arrange for a qualified program inspector to inspect the entire residential property.

The program inspector will inspect the house, take photographs, and certify that at least one major system is substandard. All required repairs would be identified.

D. Ineligible Properties

If after review of the property documentation submitted and the inspection report and/or work write-up an applicant's property is determined to be ineligible, the program staff will send a letter delineating the reasons for the determination of ineligibility. An applicant's property may be determined to be ineligible for any one of the following reasons:

- Title search is unfavorable.
- Property does not need sufficient repairs to meet eligibility requirements.
- Real estate taxes are in arrears.
- Proof of property insurance not submitted.
- Property is listed for sale.
- Property is in foreclosure.
- Total debt on the property will exceed the value of the property.

Borough of Woodbine may disqualify properties requiring excessive repairs to meet municipal housing standards. The estimated or bid cost of repairs must exceed 50 percent of the estimated after-rehabilitation value of the property for the municipality to exclude the property if after review of the property documentation submitted and the inspection report and/or work write-up an applicant's property is determined to be eligible, the inspector will then certify that the dwelling is substandard by completing and signing the Certificate of Substandard Form and submitting this to the program staff.

E. Cost Estimate

The program inspector will prepare a Work Write-up and Cost Estimate. This estimate will include a breakdown of each major work item by category as well as by location in the house. It will contain information as to the scope and specific details on the materials to be used. A Cost Estimate will be computed and included within the program documentation. The program staff will review the Preliminary Work Write-up with the property owner.

Only required repairs to units occupied by income eligible households will be funded through the housing rehabilitation program. If the property owner desires work not fundable through the program, including work on a non-eligible rental unit in a multi-unit building or improvements not covered by the program, such work may be added to the work write-up if the property owner provides funds to be deposited in the municipality's Housing Trust Fund prior to the commencement of the rehabilitation of the property equivalent to *(110 percent or a higher percentage)* of the estimated cost of the elective work. Such deposited funds not expended at the time of the issuance of a certificate of completion/occupancy will be returned to the property owner with accrued interest.

F. Contractor Bidding Negotiations

After the unit and the unit occupant have been certified as eligible, the program staff will provide bid requests to the approved contractors on bid list. The program staff and property owner will then review these bids. The lowest responsible trade contractor shall then be selected. If the property owner wishes to use a contractor other than the lowest responsible bidder, the property owner shall pay the difference between the lowest bid price and the bid price of the selected contractor.

Property owners may seek proposals from non-program participating contractors. However, the Borough's must pre-approve the contractor prior to submitting a bid.

G. Contract Signing/Pre-Construction Conference

Program staff will meet with the property owner to review all bids by the various trades. This review will include a Final Work Write-up and Cost Estimate. The Contractor Agreement will be prepared by the program staff, as well as the Borrower's Agreement covering all the required terms and conditions.

The program staff will then call a Pre-Construction Conference. Documents to be executed at the Pre-construction Conference include Contractors Agreement(s), a Restricted Covenant, Mortgage and Mortgage Note. The property owner, program staff representative, and contractor will execute the appropriate documents and copies will be provided as appropriate. A staff member will outline project procedures to which property owner must adhere. A Proceed to Work Order, guaranteeing that the work will commence within fifteen (15) calendar days of the date of the conference and be totally completed within ninety (90) days from the start of work, will be issued to each contractor at this Conference.

H. Progress Inspections

The program staff will make periodic inspections to monitor the progress of property improvements. This is necessary to ensure that the ongoing improvements are in accordance with the scope of work

outlined in the work write-up. It is the contractor's responsibility to notify the Building Inspector before closing up walls on plumbing and electrical improvements.

I. Change Orders

If it becomes apparent during the course of construction that additional repairs are necessary or the described repair needs to be amended, the program staff will have the qualified professional(s) inspect the areas in need of repair and prepare a change order describing the work to be done. The applicant and the contractor will review the change order with the program staff and agree on a price. Once all parties approve of the change order and agree on the price, they will sign documents amending the contract agreement to include the change order. Additionally, if the applicant is not funding the additional cost, new financing documents will be executed reflecting the increase.

J. Payment Schedule

The contract will permit two payments to the contractor. First payment is made when the project is halfway completed. Second (final) payment upon completion. The contractor will submit a payment request. The applicant will sign a payment approval if both the applicant and housing/building inspector are satisfied with the work performed. The municipality will then release the payment.

Final payment will be released once all final inspections are made, a Certificate of Occupancy is issued (if applicable) and the program staff receives a Property Owner Sign-off letter.

K. Appeal Process

If an applicant does not approve a payment that the housing/building inspector has approved, the disputed payment will be appealed to the Borough's Council for a hearing. The Council will decide if the payment shall be released to the contractor or the contractor must complete additional work or correct work completed before the release of the payment. The municipality's decision will be binding on both the applicant and the contractor

L. Final Inspection

Upon notification by the contractor that all work is complete and where required a Certificate of Occupancy has been issued, a final inspection shall be conducted and photographs taken. The program staff (or a representative), the property owner, and the necessary contractors shall be present at the final inspection to respond to any final punch list items.

M. Record Restricted Covenant and Mortgage Documentation

Program staff will file the executed Restricted Covenant and Mortgage with the County Clerk.

N. File Closing

After the final payment is made, the applicant's file will be closed by the program staff.

CONTRACTOR RELATED PROCEDURES

A. Contractor Selection

Contractors must apply to the program staff to be placed on the pre-approved contractors list. Contractors seeking inclusion on the list must submit references from at least three recent general contracting jobs. Contractors also must submit documentation proving financial stability. Contractors must carry workmen's compensation coverage and liability insurance of at least \$100,000/\$300,000 for bodily injury or death and \$50,000 for property damage. Only program tradesmen will be permitted to perform specialty work such as plumbing, heating and electrical.

B. Number of Proposals Required

The property owner will select a minimum of three general contractors from a list of pre-approved contractors. Property owners may not select contractors who do not appear on the list.³ The approved work write-up will be submitted to the selected contractors by the program staff. Contractors must visit the property and submit bids within 14 days. The contract will be awarded to the lowest bidder⁴, provided that the housing/building inspector or the professional who drafted the work write-up certifies that the work can be completed at the price bid and that the bid is reasonably close to the cost estimate. Bids must fall within 20 percent of the cost estimate.

C. Contractor Requirements

Upon notification of selection, the contractor shall submit all required insurance certification to the program staff. A contract signing conference will be called by the program staff to be attended by the property owner and contractor. At the time of Agreement execution, the contractor shall sign a Certification of Work Schedule prepared by the program staff.

MAINTENANCE OF RECORDS

A. Files To Be Maintained on Every Applicant

The program staff will maintain files on every applicant. All files will contain a preliminary application. If an applicant's preliminary application is approved, and the applicant files a formal application, the file will contain at a minimum:

- Application Form
- Tenant Information Form (Rental Units Only)
- Income Verification
- Letter of Certification of Eligibility or Letter of Determination of Ineligibility

³ The program permits a property owner to seek proposals from non-program participating contractors. However, Program Staff must pre-approve the contractor prior to submitting a bid.

INTRODUCTION: Rental Procedures

This Operating Manual has been prepared to assist in the administration of a For-Rent Program for the Borough of Woodbine. It will serve as a guide to the program staff. This manual describes the basic content and operation of the program, examines program purposes and provides the guidelines for implementing the program. It has been prepared with a flexible format allowing for periodic updates of its sections, when required, due to revisions in regulations and/or procedures. This manual explains the steps in the initial rental process and in the re-rental process. It describes the eligibility requirements for participation in the program, record keeping and overall program administration.

Implementation of any procedure, even if it is not included in this Operating Manual, shall be in accordance with the Federal Fair Housing Act and Equal Opportunities laws¹, the Uniform Housing Affordability Controls (UHAC) NJAC 5:80-26.1 et seq.², the substantive rules and the affordable housing regulations of the Borough of Woodbine (hereafter referred to as the "Regulations"). In accordance with the Federal Fair Housing Act and Equal Opportunities laws it is unlawful to discriminate against any person making application to buy or rent a home with regard to age, race, religion, national origin, sex, handicapped or familial status.

What is Affordable housing?

Affordable housing, unlike market-rate housing, is subject to affordability controls that restrict the price for a specified duration as mandated by relevant regulations. This duration typically spans 30 years or more. A rental unit is considered "affordable" under State regulations if the household pays 35% or less of its gross income on housing costs. In age-restricted units, households can spend up to 40% of their household income on housing expenses. Regulations for ownership, or for sale affordable housing, permit buyers to spend up to 33% of their gross household income on housing expenses.

Housing expenses are defined differently for ownership (for sale) Affordable Housing and rental housing.

In the case of ownership (for sale) Affordable Housing expenses are defined as:

- Primary mortgage principal, and interest.
- Local real estate taxes.
- Condominium or association dues, if any; and
- Homeowners insurance.

The following constitutes housing expenses for rental units:

- Rent; and
- Tenant-paid utilities.

Affordable housing is priced to be affordable to households earning up to 80% of the regional area median income by household size.

Who Qualifies for Affordable Housing?

To be eligible for affordable housing in New Jersey, a household’s income must be below the income limit for the region in which the affordable housing is located, either for low or moderate levels:

- A *moderate-income household* earns between 50 percent and 80 percent of the area median income by household size.
- A *low-income household* is classified as earning less than 50 percent of the area median income by household size.
- The Fair Housing Act included an additional requirement for *very low-income households*, classified as earning less than 30 percent of the area’s median income by household size.

The 2008 New Jersey Fair Housing Act amendments require municipalities to provide at least 13% of affordable units post-2008 in their fair share plans to very low-income households earning 30 percent or less of median income by household size.

The six housing regions consist of up to four counties:

Region	Counties
1	Bergen, Hudson, Passaic, Sussex
2	Essex, Morris, Union, Warren
3	Hunterdon, Middlesex, Somerset
4	Mercer, Monmouth, Ocean
5	Burlington, Camden, Gloucester
6	Atlantic, Cape May, Cumberland, Salem

The Regional Income Limits Chart provides income limits for each of the six housing regions. Median incomes, and therefore income limits, differ by region. Income limits are updated annually in the Spring of each year.

Applicants do not have to currently live in the region if they are interested in applying for an affordable unit. An applicant’s income qualification is determined by the Regional Income Limits for where the unit is located rather than where the applicant currently lives.

Other Affordable Housing Programs and Opportunities

A wide variety of organizations and agencies administer affordable housing. Under the Fair Housing Act's jurisdiction, each New Jersey community has a Municipal Housing Liaison responsible for helping the local affordable housing program. Individuals interested in applying for affordable housing should contact the Municipal Housing Liaison in the community they are interested in living in. Some communities administer their affordable housing and have their own application process. If not, the Municipal Housing Liaison can direct applicants to developers, nonprofit agencies, State agencies, or consultants that may administer affordable housing within the community.

The *New Jersey Housing and Mortgage Finance Agency* have established New Jersey's Housing Resource Center, an online, searchable database of affordable housing in the State. The Housing Resource Center provides a listing of available, affordable housing. Available units are listed with contact and application information. Visit the Housing Resource Center at www.njhrc.gov.

The *Affordable Housing Professionals of New Jersey* maintains a web page with a comprehensive list of affordable housing opportunities in New Jersey. Please visit <https://ahpnj.org/housing-search> for more information.

Fair Housing and Equal Housing Opportunities

It is unlawful to discriminate against any person making an application to buy or rent a home with regard to race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, familial status, disability, nationality, sex, gender identity or expression or source of lawful income used for mortgage or rental payments.

AFFIRMATIVE MARKETING

Overview of the Requirements of an Affirmative Marketing Plan

All affordable units are required to be affirmatively marketed using the Affirmative Marketing Plan. An Affirmative Marketing Plan is a regional marketing strategy designed to attract households of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, familial status, disability, nationality, sex, gender identity or expression or source of lawful income used for mortgage or rental payments to housing units which are being marketed by an Administrative Agent or a developer, sponsor, owner or property manager of affordable housing. The primary objectives of an Affirmative Marketing Plan are to identify households who are least likely to apply for affordable housing and to target households throughout the entire housing region in which the units are located.

Every Affirmative Marketing Plan must include all of the following:

- Publication of at least one advertisement in a newspaper of general circulation within the housing region; and
- Publication on at least one housing search website, plus one additional digital strategy such as digital paid ads, social media or an additional housing search website.
- At least one additional regional marketing strategy, such as advertisements in a local publication, mailings to major employers, or community and regional organizations such as non-profit, religious, and civic organizations.

Online Advertising

To comply with the rules of the Fair Housing Act the developer, owner, or Administrative Agent of affordable units must affirmatively market units through newspaper, digital marketing, and housing search websites. To stay current with changes in technology and how the public searches for housing, the owner, developer, property manager, or other administrative entity will be required to post rental units onto the NJHMFA's Housing Resource Center (HRC) under P.L. 2020, c.51, effective November 1, 2020. Any affordable units listed for the first time, existing units expected to become available and open waiting lists for current and future units must be listed on the HRC. All postings should include a link to an online fillable pre-application or downloadable application and information on obtaining a paper application.

For each affordable housing rental opportunity within the Borough, the Affirmative Marketing Plan must include the following information:

- The address of the project and development name, if any
- The number of rental units
- The price ranges of the rental units
- The number of bedrooms in the units
- The name and contact information of the Administrative Agent
- A description of the Random Selection method that will be used to select applicants for affordable housing and the date on which the first Random Selection will be conducted.
- Disclosure of required application fees, if any.

Advertisements must contain the following information for each Affordable Housing opportunity:

- The location of and directions to the units
- A range of prices for the housing units
- The number of bedrooms in the units
- The maximum income permitted to qualify for the housing units
- The locations of applications for the housing units
- The website where interested households may complete a pre-application
- The name and contact information of the Administrative Agent
- A description of the Random Selection method that will be used to select applicants for affordable housing and the date on which the first Random Selection will be conducted.

It is also recommended that the following information be included in the advertisements:

- Last date applications will be accepted.
- A statement concerning the availability of credit, budget, and homeownership counseling services.
- If already adopted by ordinance, a statement concerning regional or veteran preference.
- "Visit www.njhrc.gov for more affordable housing opportunities."

Implementation of the Affirmative Marketing Plan

The affirmative marketing process for affordable units should begin at least four months before expected occupancy. In implementing the marketing program, the Administrative Agent shall undertake all the strategies outlined in the Affirmative Marketing Plan. Advertising and outreach shall occur during the first week of the marketing program and each month after that until all the units have been rented. The Administrative Agent shall market and advertise each project separately during each project's initial affirmative marketing. Applications for affordable housing shall be available in several locations through the Affirmative Marketing Plan. The period when applications will be accepted will be posted with the applications. Applications shall be mailed to prospective applicants upon request.

MATCHING HOUSEHOLDS WITH AVAILABLE UNITS

The Administrative Agent uses a two-step process to match available units with potential tenants and buyers of affordable homes. First, anyone interested in buying or renting an affordable unit must complete a pre-application. The pre-application is brief and designed to collect only the information necessary to assess a household's income and bedroom requirements for available units. Pre-applications may be submitted online or via paper.

Once a pre-applicant has been part of a random selection and has been potentially matched with an available unit, they will be required to complete a full application. The application collects detailed information on each household member, including their income, assets, and other information necessary to determine the household's eligibility according to the UHAC regulations.

The Random Selection Process

UHAC requires communities to include a “random selection” among interested applicants when an affordable housing unit is available. Random selection ensures “that no preference is given to one applicant over another except for purposes of matching household income and size with an appropriately priced and sized affordable unit.” The initial Random Selection for a given project may be conducted no sooner than sixty (60) days following the start of the Affirmative Marketing Plan.

The Affirmative Marketing Plan details the specific steps of the random selection process.

Identifying Candidates for Available Units

The Administrative Agent will use the following process to test each applicant against the available unit(s) in the order of their random selection.

1. Regional Preference Test. If applicable, pre-applicants that live or work in the Borough of Woodbine will be considered first as per the Borough Affirmative Housing Ordinance establishing a preference for pre-applicants that live or work within the COAH Region.
2. Veteran Preference Test. If applicable to the available unit(s), pre-applicants who served in time of war or other emergency, as defined in section 1 of P.L.1963, c. 171 (C.54:4-8.10) and who apply within 90 days of the initial marketing period shall receive preference for the rental of the agreed-upon percentage of affordable units.
3. Bedroom Test. Next, the number of bedrooms in the available unit(s) will be tested against the random selection list. If the first pre-applicant qualifies for a unit with a different number of bedrooms, they will be skipped, and the next pre-applicant will be evaluated. Once a match is made between the available unit(s) and a pre-applicant, the following criteria will be tested.
4. Income Test. The first pre-applicant on the random selection list that meets the bedroom test will then be tested to ensure their reported income is sufficient to afford the housing expenses of the available unit. See *Maximum Monthly Expenses*.
5. If the database record for the pre-applicant is more than six months old, the AA will contact the pre-applicant to update their gross household income, household size, and bedroom requirement. Any changes will be made to the random selection list and the pre-applicant database.

Confirming the Interest of a Candidate

A pre-applicant that passes the Regional Preference, Veteran Preference (if applicable), Bedroom, and Income Tests is considered a viable candidate for the available unit and will be contacted to determine their interest in the available unit. The Administrative Agent will provide the candidate with essential information about the unit, including current rent (or sales price). Other information may include amenities, parking availability, HOA/association dues, real estate taxes, and potential availability date. If the candidate is interested in the unit, they will be instructed by the Administrative Agent to contact the Landlord, Property Manager, or seller of the unit to visit the unit. Prospective buyers must provide a mortgage pre-approval letter before visiting an available unit before they are referred to the seller to view the unit.

If the candidate is interested in moving forward after seeing the unit, the Administrative Agent will make the full application available. Prospective buyers and renters are given 48 hours to decide if they want to move forward after visiting an available unit. Before completing a full application, prospective tenants must first meet the Landlord's tenant selection criteria. The candidate will be instructed to complete the full application and attach all the required source documents listed on the application.

Full Application & Income Certification Process

An applicant who has confirmed their interest in buying or renting an available, Affordable Housing unit will be required to complete a full application and provide the required documentation listed in the application for household certification. Those documents include the following:

The application must be complete and signed before the Administrative Agent reviews an application. In addition, all applicable source documents are required before reviewing the application.

It may be necessary for the Administrative Agent to collect additional information and documentation from the applicant beyond the items listed above. The Administrative Agent will notify applicant households in writing of certification or denial within 20 days of the determination.

Once approved, a certified household for an ownership unit will have a contract of sale drawn up and executed with the seller. Then, the certified household will move through the purchasing process to closing with the guidance of their lender and chosen title company.

See *Household Certification* for more information on how eligibility is determined.

HOUSEHOLD CERTIFICATION PROCESS

Before any household can rent or buy an affordable unit, the Administrative Agent must certify the household as eligible. Certification of a household involves verifying two critical pieces of data: 1) Household size and composition, including gender, and 2) The total household income. The certification process begins once the applicant submits a completed full application along with all required documentation. After the eligibility documents and supporting data have been collected, the Administrative Agent will review the information and calculate the household's income to determine eligibility.

Procedure for Income-Eligibility Certification

The Administrative Agent shall require each member of an applicant household who is 18 or older to provide documentation to verify their income. The household shall have ten (10) business days from the first notification to submit all required documents. Income verification documentation includes, but is not limited to, the following for every member of a household who is 18 years of age or older:

- Copies of driver's license or state IDs for all adults in the household
- Copies of social security cards for all members of the household
- Copies of birth certificates for all members of the household.
- Four (4) most recent consecutive pay stubs for each source of income for every working member of the household. Proof of employment income may include documentation of bonuses, overtime, or tips, or a letter from the employer stating the current annual income. For self-employed applicants, a current certified Profit and Loss Statement and Balance Sheet are required.
- Copies of full Federal and State income tax returns (all pages) and W2s for the preceding three (3) tax years for each working adult in the household.
- A letter or appropriate reporting form verifying monthly benefits, such as
 - Social Security income including children
 - Unemployment
 - Welfare or TANF
 - Disability or Worker's Compensation
 - Pension income
 - Where applicable, the most recent award letter for SSI or SSD.
- A notarized letter, court order, or statement verifying any other sources of income claimed by the applicant, such as alimony or child support.
- Six (6) consecutive months of complete statements (all pages) for all savings and checking accounts. This includes bank statements, passbooks, and income reports from banks or other financial institutions that hold or manage trust funds, money market accounts, certificates of deposit, stocks, or bonds.
- Evidence or reports of income from directly held assets, such as real estate or businesses.
- Other documentation that may be necessary to document any other source of income fully must be provided upon request.

The following is a list of various types of wages, payments, rebates, and credits. Those considered as part of the household's income are listed under Income. Sources not considered part of the household's income are listed under Not Income.

The following is a list of various types of wages, payments, rebates, and credits. Those considered as part of the household's income are listed under Income. Sources not considered part of the household's income are listed under Not Income.

Income

- Wages, salaries, tips, commissions
- Alimony
- Regularly scheduled overtime
- Pensions
- Social security
- Unemployment compensation
- Temporary Assistance to Needy Families (TANF)
- Verified regular child support
- Disability
- Net income from business or real estate
- Interest income from assets such as savings, certificates of deposit, money market accounts, mutual funds, stocks, bonds
- Imputed interest (using a current average annual rate of two percent) from non-income-producing assets, such as equity in real estate. Rent from real estate is considered income after deducting any mortgage payments, taxes, and property owner's insurance.
- Rent from real estate is considered income
- Any other forms of regular income reported to the Internal Revenue Service

Not Income

- Income received on behalf of foster children
- Rebates or credits received under low-income energy assistance programs
- Food stamps
- Relocation assistance benefits
- Income of live-in attendants
- Scholarships
- Student loans
- Personal property such as automobiles, clothing, household items
- Lump-sum additions to assets such as inheritances, lottery winnings, gifts, insurance settlements
- Part-time income of persons enrolled as full-time students
- Court-ordered payments for alimony or child support paid to another household shall be deducted from gross annual income

Student Income

Only the full-time income from a full-time job held by a full-time student is considered income. A full-time student is a household member enrolled in a degree-seeking program for 12 or more credit hours per semester. Part-time income is a job of less than a 35-hour per week.

The Real Estate Asset Limit

If an applicant's primary residence has no mortgage debt and is valued at or above the regional asset limit as published annually by the New Jersey Housing and Mortgage Finance Agency (NJHMFA) with the Annual Regional Income Limits Chart (see Appendix A), the household will be determined ineligible for certification.

However, if the applicant's existing monthly housing costs, including taxes, homeowner insurance, and condominium or homeowner association fees, exceed 38 percent of the household's eligible monthly income, the household will be exempt from the asset limit.

An applicant must provide a recent Market Value Appraisal or Realtor Comparative Market Analysis on the home they own unless the applicant has mortgage debt on the house or can demonstrate that the existing monthly housing costs exceed 38 percent of the household's eligible monthly income in which case the applicant is exempt from the asset limit.

Before obtaining a professional appraisal, the applicant should review the property's tax appraisal and current market value and compare them to the asset limit to avoid unnecessary expenses. The statewide asset limit is \$300,000. For instance, if homes are commonly sold in the applicant's neighborhood for over \$300,000, it is unlikely that an appraisal will determine a value below the asset limit.

Income from Real Estate

If real estate owned by an applicant for affordable housing is a rental property, the rent is considered income. After deducting any mortgage payments, real estate taxes, property owner insurance, and reasonable property management expenses as reported to the Internal Revenue Service, the remaining amount shall be counted as income.

If an applicant owns real estate with mortgage debt, which is not to be used as rental housing, the Administrative Agent should determine the imputed interest from the property's value. The Administrative Agent should deduct outstanding mortgage debt from the documented market value established by a market value appraisal. Then, based on current money market rates, interest will be imputed on the determined value of real estate. The imputed interest will be added to the household's annual income.

Maximum Monthly Expenses

The percentage of funds that a household can contribute toward housing expenses is limited. However, an applicant may qualify for an exception based on the household's current housing cost (see below). Therefore, the Administrative Agent will strive to place an applicant in a unit with a monthly housing cost equal to or less than the applicant's current housing cost.

Maximum Monthly Expenses for Tenants

A certified household cannot lease a restricted rental unit requiring more than 35 percent of the verified household income (40 percent for age-restricted units) to pay rent and utilities. However, at the discretion of the Administrative Agent, this limit may be exceeded if:

- The household currently pays more than 35 percent (40 percent for a household seeking age-restricted units) of its gross household income for rent, and the proposed rent will reduce the household's housing costs;
- The household consistently paid more than 35 percent (40 percent for households eligible for age-restricted units) of eligible monthly income for rent in the past and has proven its ability to pay.
- The household is currently in substandard or overcrowded living conditions.
- The household documents the existence of assets with which the household proposes to supplement the rent payments or
- The household documents proposed third-party assistance from an outside source, such as a family member in a form acceptable to the Administrative Agent and the Owner of the unit; and
- The household receives budget counseling.

Housing Counseling

The Administrative Agent is responsible for providing referrals for counseling as a part of the Affirmative Marketing Plan and during the application process. Although housing counseling is recommended, a household must only attend counseling if their monthly housing expense exceeds UHAC standards. A HUD-approved housing counseling agency, or one approved by the NJ Department of Banking and Insurance, meets UHAC's requirements for an experienced Housing Counseling Agency. If the Administrative Agent is not authorized by HUD or the NJ Department of Banking and Insurance, the Agent will make referrals to one of the HUD-approved housing counseling agencies in New Jersey. This counseling to low- and moderate-income housing applicants will focus on budgeting, credit issues, and mortgage qualification and is free of charge. A list of non-profit counselors approved by HUD and the New Jersey Department of Banking and Insurance is included on DCA's website and is available from the Administrative Agent.

The Applicant Interview

The prospective applicant may meet with the Administrative Agent to review the certification and random selection processes in detail and ask any questions they may have about the project or the process. The Administrative Agent is prepared to complete the certification process via virtual meeting, telephone, mail, and email. If an interview is to be conducted, the Administrative Agent will attempt to achieve the following objectives:

- Confirm and update all information provided on the application.
- Explain program requirements, procedures for verifying information, and penalties for providing false information. Ask the head of household, co-head, spouse, and household members over 18 to sign the Authorization for Release of Information forms and other verification requests.
- Review the applicant's identification and financial information and documentation, ask questions to clarify the application information, and obtain any additional information needed to verify the household's income.
- Make sure the applicant has reported all sources for earned and benefit income and assets (including assets disposed of for less than fair market value in the past two years). In addition, the applicant must give a written certification as to whether any household member did or did not dispose of any assets for less than the fair market value during the past two years.

Approving or Rejecting a Household

Administrative Agents must notify applicant households of their eligibility within twenty (20) days of the Administrative Agent's determination. Households with a verified total household income that exceeds 80 percent of the current Regional Income Limit (Appendix A) for the appropriate family size are ineligible to buy or rent an affordable unit. A letter rejecting the household's application shall be mailed or emailed to the household.

Similarly, households with a verified total household income that is within the income limits but too low to afford any units administered by the Administrative Agent shall be sent a letter rejecting the household's application and referring them to housing counseling.

Households with a verified total household income of less than 80 percent shall be issued a letter certifying eligibility. This certification is valid for 180 days. If the Administrative Agent cannot place the household in a restricted unit after 180 days, an extension may be granted once the household's eligibility is verified.

Once the applicant is certified and matched to an available unit, the Administrative Agent must secure from the applicant a signed and notarized acknowledgment of their requirements and responsibilities of renting or owning a restricted unit. In addition, UHAC's Disclosure Statement shall be forwarded to the applicants.

In addition to non-eligibility based on income, the Administrative Agent may deny certification because of the household's failure or inability to document household composition, income, assets, sufficient funds for a down payment, or any other required facts and information. A household may also be denied certification if the Administrative Agent determines the applicant made a willful or material misstatement of fact.

Dismissal of Applications

Applications can be dismissed for one or more of the following reasons:

- The application is not signed or submitted on time.
- The applicant commits fraud, or the application is not truthful or complete.
- The applicant cannot or does not provide documentation to verify their income or other required information when due.
- The household income does not meet a particular property's minimum or maximum income requirements.
- The applicant household owns a primary residence with no mortgage on the property valued at or above the regional asset limit as published annually.
- The applicant fails to respond to any inquiry promptly.
- The applicant is non-cooperative or abusive with the staff, property manager, or landlord.
- The applicant changes address or other contact information without informing the Administrative Agent in writing.
- The applicant does not meet the credit standard or other lawful requirements set forth by managers of rental properties.
- The applicant fails to verify attendance in a credit counseling program when required to do so by the program rules.
- The applicant does not promptly respond to periodic update inquiries.
- The applicant fails to sign the Compliance Certification, Certificate for Applicant, and Lease Document, as may be required.
- The applicant, once approved, fails to sign the lease promptly.

Applicants who are dismissed must re-apply. A minimum period of six months applies where the applicant has been denied for fraud, uncooperative behavior, or other serious matters.

Applicants will be removed from the applicant pool once approved for an affordable unit. Applicants are not removed from the applicant pool if they do not respond to a Notice of Availability.

ROLES AND RESPONSIBILITIES

Key Roles

The *Municipal Housing Liaison (MHL)* is a Borough of Woodbine employee. The MHL serves as the main point of contact for residents, developers, and stakeholders interested in learning more about the Borough's efforts to create affordable housing. The *Administrative Agent (AA)* is responsible for the overall administration of affordable housing portfolio and various related affordable housing programs. The Administrative Agent is a private consultant:

Responsibilities of the Municipal Housing Liaison

The Municipal Housing Liaison is responsible for coordinating all the activities of the municipal government as it relates to the creation and administration of affordable housing units, in conjunction with the Borough's Affordable Housing Attorney, where appropriate (see Responsibilities of the Affordable Housing Attorney). The primary purpose of the Municipal Housing Liaison is to ensure that all affordable housing projects are established and administered according to applicable regulations. The duties of the Municipal Housing Liaison include the following:

- Monitor the status of all restricted units, regardless of any arrangements the Borough's may have with one or more Administrative Agents, it is the Municipal Housing Liaison's responsibility to know the status of all restricted units in the community.
- Serve as Borough's primary point of contact for all inquiries from the State, Administrative Agents, developers, affordable housing sponsors, owners, property managers, and interested households. In addition, the Municipal Housing Liaison serves as the primary point of contact on affordable housing issues. Therefore, interested applicants should be provided with information on the types of affordable units within the Borough's and, where applicable, the name of the Administrative Agent who manages the units and the contact information for the Administrative Agent.
- Compile, verify, and submit annual reporting. Administrative Agents are responsible for collecting much of the data that is ultimately included in an annual monitoring report. However, the Municipal Housing Liaison's responsible for collecting and verifying this data and consolidating it into the annual report.

- Coordinate meetings with Administrative Agents and Developers/Affordable Housing Sponsors/Owners. When a new affordable unit or series of units is in the planning process, the Municipal Housing Liaison should coordinate a meeting between the Administrative Agent and the developer, affordable housing sponsor, or owner. This initial meeting aims to develop a clear division of labor between the parties and to transmit any components of the Operating Manual – including copies of all related local ordinances.

The Municipal Housing Liaison, in conjunction with the Affordable Housing Attorney, must have the affordable housing provisions of any Master Deed and Public Offering reviewed for consistency with UHAC regulations before they are recorded and submitted to DCA for approval.

Responsibilities of an Administrative Agent

The primary responsibility of an Administrative Agent is to establish and enforce affordability controls and ensure that units in their portfolio are rented to eligible households. Administrative Agents must:

- Secure written acknowledgment from all developers, affordable housing sponsors, and owners that no restricted unit can be offered or in any other way committed to any person other than a household duly certified by the Administrative Agent.
- Create and adhere to an Operating Manual. Administrative Agents are required to follow the policies and procedures of an Operating Manual, as applicable to the scope of services they have been contracted to perform.
- Implement the Affirmative Marketing Plan. The Administrative Agent, the developer, the affordable housing sponsor, or the owner could be responsible for implementing the Affirmative Marketing Plan. This responsibility should be discussed with the Municipal Housing Liaison, Administrative Agent, developer, affordable housing sponsor, or owner at the first meeting. Affirmative marketing includes conducting regional outreach and advertising for available affordable units. Advertising costs have been delegated to the developer in accordance with the adopted Affirmative Marketing Plan.
- Accept applications from interested households. Interested households will contact the Administrative Agent in response to marketing initiatives or by referral from the Municipal Housing Liaison. The Administrative Agent will supply applicants with applications, provide additional information on available units, and accept completed applications.
- Conduct a random selection of applicants for the rental of restricted units. The Administrative Agent is responsible for conducting the random selection in accordance with the Affirmative Marketing Plan and any related local ordinances and as described in the Operating Manual.

- Create and maintain a pool of applicant households. This includes contacting households in the applicant pool to determine continued interest and household size and income changes.
- Determine the eligibility of households. Collecting application materials and documentation from applicant households and analyzing it for eligibility is the responsibility of an Administrative Agent. A written determination of a household's eligibility must be provided within twenty (20) days of the Administrative Agent's determination of eligibility or non-eligibility. Whether or not the household is eligible for a unit, it is an Administrative Agent's responsibility to secure all information provided by the household in individual files and maintain strict confidentiality of all information regarding that household. In addition, an Administrative Agent is required to ensure that all certified applicants execute a Disclosure Statement acknowledging the rights and requirements of renting or owning an affordable unit.
- Establish and maintain effective communication with property managers and landlords. Property managers and landlords of restricted units should be instructed and regularly reminded that the Administrative Agent is their primary point of contact. The Administrative Agent must immediately inform all property managers and landlords of any changes to the Administrative Agent's contact information or business hours. Property managers and landlords should be instructed to contact the Administrative Agent immediately:
 - Immediately upon learning that an affordable rental unit will be vacated.
 - For review and approval of annual rental increases.
 - Provide annual notification of maximum rents. Each year, when AHPNJ releases its low-and moderate-income limits, rental households must be notified of the new maximum rent that may be charged for their unit. The Administrative Agent's contact information must be included in the notification if the tenant is overcharged.
- Serve as the custodian of all legal documents. An Administrative Agent is responsible for maintaining the originals of all legal instruments for the units in their portfolio. In addition, throughout the duration of a control period, an Administrative Agent must maintain a file containing its affordability control documents. This includes but is not limited to, the recorded Declarations of Covenants, Conditions, Restrictions, Deed Restrictions, Deeds, Recapture Mortgages, and Recapture Mortgage Notes.
- Serve as point of contact on all matters relating to affordability controls. It is recommended that the Administrative Agent develop a system to be notified by lenders when a unit is at risk of foreclosure. In the event of a foreclosure, the Administrative Agent should work with the foreclosing institution to ensure that the affordability controls are maintained. The Administrative Agent should seek the attorney's counsel on legal matters threatening the durability of affordability controls.
- Provide annual activity reports to the Municipal Housing Liaison for use in the annual required monitoring report. An Administrative Agent is responsible for collecting the reporting data on each unit in the Administrative Agent's portfolio.
- Maintain and distribute information on HUD-approved Housing Counseling Programs.

Responsibilities of the Affordable Housing Attorney

The Affordable Housing Attorney assists the Borough of Woodbine developing, administrating, and enforcing affordability controls, including but not limited to the following:

- Assisting the Municipal Housing Liaison with reviewing the affordable housing provisions of any Master Deed and Public Offering for consistency with UHAC regulations before they are recorded and submitted to DCA for approval.
- Providing all reasonable and necessary assistance to support the Administrative Agent's efforts to ensure compliance with the housing affordability controls, including reviewing legal documents and legal actions required on foreclosures and violations.

Responsibilities of Developers

When a new affordable unit or series of units is in the planning process, the affordable housing developer should contact the Municipal Housing Liaison, who shall coordinate a meeting with the Administrative Agent, where applicable, and the developer, affordable housing sponsor, or owner.

This initial meeting aims to develop a clear division of labor between the parties and to transmit any components of the Operating Manual – including copies of all related local ordinances- that the Borough's has already adopted.

The Administrative Agent will secure from the developer's written acknowledgment that no restricted unit can be offered or in any other way committed to any person other than a household duly certified by the Administrative Agent.

Responsibilities of Owners of Rental Affordable Rental Units

Open and direct communication between the Owners of affordable rental units, the Municipal Housing Liaison, and the Administrative Agent is essential to the ongoing administration of affordability controls. Although the Administrative Agent is required to serve as the primary point of contact with households, the Owner must provide the Municipal Housing Liaison and Administrative Agent with information on vacancies. Owners of rental developments are also responsible for working with the Administrative Agent to ensure that the Municipal Housing Liaison has all the necessary information to complete the annual reporting.

Responsibilities of Landlords and Property Managers

Landlords and property managers must place a notice in all rental properties annually informing residents of the rent increase for the year and the contact information for the Administrative Agent.

APPLICATION PROCESS AND FEES

In compliance with the Fair Chance in Housing Act (FCHA), N.J.S.A. 46:8-52 to -64 effective January 1, 2022, criminal background information may be obtained after a conditional offer is made. Potential renters must be made aware that criminal background information will be obtained before a final rental offer is made. The application process for vacant rental units are as follows:

1. The Administrative Agent will conduct pre-screening for income eligibility and availability of applicants in the Applicant Pool and refer applicants, in lottery number order, to the leasing/management office;
2. Upon receipt of referral, the leasing/management staff can run a credit check and accept an application. This cannot include criminal background checks. Application fees required for candidates for affordable housing units may not exceed the fees charged to market candidates in the same project. If the application is approved, the landlord shall inform Triad of the determination.
3. Triad will conduct a full income certification and send the certification back to the leasing/management office. If approved, a landlord can make a conditional offer for the unit and conduct a criminal background check. If denied, the applicant and leasing/management staff will be notified in writing by Triad.
4. If an applicant is denied based on their criminal background check (according to the Fair Chance in Housing Act criteria) both the applicant and Triad shall be notified in writing that a decision was made not to proceed with renting the unit to the applicant, to include a detailed explanation for the denial. If approved, a landlord can enter a lease and send the executed lease and certification back to Triad for our records.

DETERMINING AFFORDABLE RENTS

Development Considerations and Compliance Issues

There are several regulations that must be considered from the *development perspective* before the rents of individual units can be calculated. The following is a summary of the requirements for affordable projects.

Bedroom Distribution. The standards on the distribution of unit sizes for affordable developments require that:

- The combined number of efficiency and one-bedroom units may be no greater than 20 percent of the total low- and moderate-income units;
- At least 30 percent of all low- and moderate-income units must be two-bedroom units;
- At least 20 percent of all low- and moderate-income units are three-bedroom units; and the remainder has been allocated

Pricing by Household Size. Initial rents are based on targeted “model” household sizes for each size home as determined by the number of bedrooms. Initial rents must adhere to the following rules. These maximum sales prices and rents are based on the Annual Regional Income Limits Chart at the time of occupancy.

The below rules are only to be used for setting initial rents. They are not guidelines for matching household sizes with unit sizes. The pricing of age-restricted units may not exceed affordability based on a two-person household.

Affordability	Size of Unit	Household Size Used to Determine Maximum Rent
A studio shall be affordable to a one-person household	Studio/Efficiency	1
A one-bedroom unit shall be affordable to a one-and one-half person household	1 Bedroom	1.5
A two-bedroom unit shall be affordable to a three-person household	2 Bedrooms	3
A three-bedroom unit shall be affordable to a four-and one-half person household	3 Bedrooms	4.5
A four-bedroom unit shall be affordable to a six-person household	4 Bedrooms	6

Determining Initial Rents

To determine the affordable rents the Administrative Agent uses the approved UHAC Affordable Housing calculators provided by the New Jersey Housing and Mortgage Finance Agency (NJHMFA).

Additional Regulations for Rental Developments

In addition to the regulations covered earlier in the Section Development Considerations and Compliance Issues, rental projects must also comply with the following regulations:

Split Between Low- and Moderate-income Rental Units. At least 50 percent (of the affordable units within each bedroom distribution (unit size) must be low-income units and at least 13 percent of the affordable units within each bedroom distribution must be affordable to households earning no more than 30 percent of the regional median income. The remainder of the affordable units must be affordable to moderate-income households.

Affordability Average. The average rent for all affordable units cannot exceed 52 percent of the regional median income. At least one rent for each bedroom type must be offered for both low-income and moderate-income units. Calculation of the affordability average is available on DCA's website.

Maximum Rent. The maximum rent of restricted rental units within each affordable development shall be affordable to households earning no more than 60 percent of the regional median income.

Determining Rent Increases

Annual rent increases are permitted in affordable units. Rent increases are permitted at the anniversary of tenancy according to New Jersey Housing and Mortgage Finance Agency's Annual Regional Income Limits Chart, available on New Jersey Housing and Mortgage Finance Agency's website. These increases must be filed with and approved by the Administrative Agent. Property managers or landlords who have charged less than the permissible increase may use the maximum allowable rent with the next tenant with permission of the Administrative Agent. The maximum allowable rent would be calculated by starting with the rent schedule approved as part of initial lease-up of the development and calculating the annual approved increase from the initial lease-up year to the present. Rents may not be increased more than once a year, may not be increased by more than one increment at a time, and may not be increased at the time of new occupancy if this occurs less than one year from the last rental. No additional fees may be added to the approved rent without the express written approval of the Administrative Agent.

VIOLATION, DEFAULTS AND REMEDIES

In the event of a threatened breach of any of the regulations governing the affordable unit by an Owner of a rental development, the Administrative Agent shall have all the remedies provided at law or equity, including the right to seek injunctive relief or specific performance, it being recognized by both parties that it will cause irreparable harm to the municipality, in light of the public policies set forth in the Fair Housing Act and the obligation for the provision of low- and moderate-income housing. Upon the occurrence of a breach of any of the regulations governing the affordable units by an Owner of a rental development, the municipality shall have all remedies provided at law or equity, including but not limited to foreclosure, acceleration of all sums due under a mortgage,

recoupment of any funds from a sale in the violation of the regulations, injunctive relief to prevent further violation of the regulations, entry on the premises, and specific performance.

Appeals

Appeals from all decisions of an Administrative Agent shall be made in writing to the Commissioner of the Executive Director of the NJ Housing Mortgage and Finance Agency:

NJ HMFA
Executive Director 637 South Clinton Avenue
P.O. Box 18550
Trenton, NJ 08625
