

**TOWNSHIP OF HOLMDEL
RESOLUTION NO. 2026-76**

**RESOLUTION OF THE COMMITTEE OF THE TOWNSHIP OF HOLMDEL
ADOPTING AN “AFFIRMATIVE MARKETING PLAN” FOR THE TOWNSHIP OF
HOLMDEL**

WHEREAS, in accordance with P.L. 2024, Chapter 2 and the New Jersey Uniform Housing Affordability Controls (“UHAC”) (N.J.A.C. 5:80-26.1 et seq.), the Township of Holmdel is required to adopt an Affirmative Marketing Plan to ensure that all affordable housing units created are affirmatively marketed to very low-, low- and moderate-income households, particularly those living and/or working within Housing Region 4, the Housing Region encompassing the Township of Holmdel.

NOW, THEREFORE, BE IT RESOLVED, that the Township Committee of the Township of Holmdel, County of Monmouth, State of New Jersey, does hereby adopt the following Affirmative Marketing Plan:

Affirmative Marketing Plan

- A. The Affirmative Marketing Plan is a regional marketing strategy designed to attract buyers and/or renters of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, English-speaking ability, marital or familial status, gender, affectional or sexual orientation, disability, age or number of children, source of lawful income, or any other characteristic described in the New Jersey Law Against Discrimination, to housing units which are being marketed by a developer or sponsor of affordable housing. The Affirmative Marketing Plan is also intended to target those potentially eligible persons who are least likely to apply for affordable units in that region. It is a continuing program that directs all marketing activities toward the Housing Region in which the municipality is located and covers the entire period of the deed restriction for each restricted housing unit. The Township of Holmdel is located in Housing Region 4, consisting of Mercer, Monmouth and Ocean Counties.
- B. The Township of Holmdel has a plan to address both its Prior Round Obligation (1987-2025) and its Fourth Round Obligation (2025-2035). This Affirmative Marketing Plan shall apply to all developments that contain or will contain very low-, low- and moderate-income units, including those that are part of the municipality’s Housing Element and Fair Share Plan, and those that may be constructed in future developments not yet anticipated by the Housing Element and Fair Share Plan.

- C. The Affirmative Marketing Plan shall be implemented by the Administrative Agent under contract to the Township of Holmdel, or the Administrative Agent of any specific developer approved by the municipality.
- D. All of the costs of advertising and affirmatively marketing affordable housing units shall be borne by the developers/sellers/owners of affordable unit(s), and all such advertising and affirmative marketing shall be subject to approval and oversight by the designated Administrative Agent.
- E. The implementation of the Affirmative Marketing Plan for a development that includes affordable housing shall commence at least 120 days prior to expected occupancy. The implementation of the Affirmative Marketing Plan shall continue until all very low-, low- and moderate-income housing units are initially occupied and for as long as the affordable units remain deed restricted such that qualifying new tenants and/or purchasers continues to be necessary.
- F. The Affirmative Marketing Plan is a continuing program that shall be followed throughout the entire period of affordability restrictions. In implementing the Affirmative Marketing Plan, the Administrative Agent, whether acting on behalf of the Township of Holmdel or on behalf of a specific developer, shall meet the following requirements at a minimum:
 - 1. The primary marketing and advertising must be employed at the start of the marketing program and continue until all units are leased or sold or until the number of applications received is at least three times the number of units. Additional advertising and publicity shall be on an "as needed" basis. The developer/owner shall disseminate all public service announcements and pay for display advertisements. The developer/owner shall provide proof of all publications to the Administrative Agent. All press releases and advertisements shall be approved in advance by the Administrative Agent.
 - 2. The advertisements shall, at a minimum, include:
 - a. The name and location of the housing project;
 - b. An address sufficient to find directions to the housing units;
 - c. A range of prices or rents for the affordable housing units;
 - d. The sizes, as measured in number of bedrooms of the affordable housing units;
 - e. The types (that is, family, age-restricted, or supportive) and number of affordable units available;
 - f. The number of units available to very low-, low-, and moderate-income households;
 - g. The accessibility features, if any, of the affordable housing units;
 - h. The maximum income permitted to qualify for the affordable housing units;

- i. The population(s), if any, given preference in the selection process pursuant to N.J.A.C. 5:80-26.17(k)2;

 - n. Contact information, including an email address and phone number that are regularly monitored by the administrative agent;
 - o. The name of the sales agent and/or rental manager; and

3. Affirmative fair marketing of affordable units must be completed in accordance with the requirements set forth in UHAC at N.J.A.C. 5:80-26.16 in all media and outlets required by the rules.
4. Each affordable housing development must complete worksheet substantially in the form of the model affirmative marketing worksheet published by the state.
5. Affordable units must be listed on the New Jersey Housing Resource Center's website (www.njhrc.gov) in accordance with N.J.A.C. 5:80-26.16(f)1 at least 60 days before the random selection.

- G. The municipality's Administrative Agent shall develop, maintain and update a list of community contact person(s) and/or organizations(s) in Mercer, Monmouth and Ocean Counties that will aid in the affirmative marketing program with particular emphasis on contacts that will reach out to groups that are least likely to apply for housing within the region, including major regional employers.

II. RANDOM SELECTION

Describe the random selection process that will be used once applications are received. The Administrative Agent will assign random numbers to each applicant through a computerized random number generator. After the list of applications submitted during the initial lottery period is exhausted, the priority of preliminary applications is established by the date the household submitted their preliminary application (Interest Date).

In addition to the random number assigned to the household and/or the interest date, there are other factors impacting waiting priority which are described below:

- **Regional Preference:** Applicants that indicated that they lived or work in the Affordable Housing Region will be contacted first. Once those applicants are exhausted, applicants outside the region, but still within the state, will be contacted.
- **State Preference:** Subordinate to regional preference, applicants that indicated that they lived or work in the State of New Jersey will be contacted. Once those applicants are exhausted, applicants outside the state will be contacted.
- **Veterans Preference:** If there is an executed agreement between the developer or landlord and the Township, duly quailed veterans will also be given preference according to the terms of the agreement.
- **Household Size:** Whenever possible, there will be at least one person for each bedroom. If the waiting list is exhausted and there are no in region or in state households with a person for each bedroom size, units will be offered to smaller sized households that do not have a person for each bedroom. The Administrative Agent cannot require an applicant household to take an affordable unit with a greater number of bedrooms, as long as overcrowding is not a factor. A household can be eligible for more than one unit category.
