2. The process is as follows:</p> <ul style="list-style-type: none"> • After advertising is implemented, applications are accepted for 60 days. • At the end of the period, sealed applications are selected one-by-one through a lottery (unless fewer applications are received than the number of available units, then all eligible households will be placed in a unit). • An applicant pool is created by listing applicants in the order selected. • Applications are reviewed for income-eligibility. Ineligible households are informed that they are being removed from the applicant pool or given the opportunity to correct and/or update income and household information. • Eligible households are matched to available units based upon the number of bedrooms needed (and any other special requirements, such as the need for an accessible unit). • If there are sufficient names remaining in the pool to fulfill re-rental needs anticipated over the next two years, the applicant pool shall be closed; however, if insufficient applicants remain on the list to cover the subsequent two years, the list may be kept open. • When the applicant pool is close to being depleted, the Administrative Agent will re-open the pool and conduct a new random selection process after fulfilling the affirmative marketing requirements. The new applicant pool will be added to the remaining list of initial applicants. • A Regional Preference for COAH Region 3 is required in accordance with the municipal ordinance.
