Re: Amended Housing Element and Fair Share Plan

Dear Mr. Bodek:

At the request of Mr. Rinaldo, Esq. and the Planning Board, I was assigned to present the Planning Board's findings concerning the adoption of the Amended Housing Element and Fair Share Plan, dated February 24, 2026. On March 10, 2026, the Planning Board formally adopted the Amended Housing Plan element of the Master Plan through a verbal vote. A written resolution documenting this action has not yet been prepared.

Should you have any questions, please contact us.

Very truly yours,
