TOWNSHIP OF FRELINGHUYSEN 2026 AFFORDABLE HOUSING TRUST FUND SPENDING PLAN

December 23, 2025

Committee Approval: January 21, 2026

1) INTRODUCTION

The Township of Frelinghuysen has prepared a Housing Element and Fair Share Plan in accordance with the Municipal Land Use Law (NJSA 40:55D-1 et seq.), the Amended Fair Housing Act (NJSA 52:27D-301), and the applicable affordable housing regulations (NJAC 5:91-1 et seq., NJAC 5:93-1 et seq., NJAC 5:97 et seq., and NJAC 5:99 et seq.). A development fee ordinance creating a dedicated revenue source for affordable housing was originally approved by the Council on Affordable Housing on March 20, 2009¹ and adopted by the municipality via Ordinance 2009-09 on May 20, 2009. The ordinance establishes the Township of Frelinghuysen's affordable housing trust fund for which this spending plan is prepared.

2) REVENUES FOR CERTIFICATION PERIOD

As of November 30, 2025, the Township of Frelinghuysen has collected \$198,289.13 and expended \$33,108.94, resulting in a balance of \$165,180.19. All development fees, payments in lieu of constructing affordable units on site, funds from the sale of units with extinguished controls, and interest generated by the fees are deposited in a separate interest-bearing affordable housing trust fund in Provident Bank for the purposes of affordable housing. These funds shall be spent in accordance with NJAC 5:99-2.3, as described in the sections that follow.

To calculate a projection of revenue anticipated during the period of the fourth round (12.1.2025-2035), the Township of Frelinghuysen considered the following:

(a) Development fees:

1. Residential and non-residential projects which have had development fees imposed upon them at the time of preliminary or final development approvals;
2. All projects currently before the planning and zoning boards for development approvals that may apply for building permits and certificates of occupancy; and
3. Future development that is likely to occur based on historical rates of development.

¹ Date sourced from Affordable Housing Monitoring System, accessed May 14, 2025.

(b) Payment in lieu (PIL):

Actual and committed payments in lieu (PIL) of construction from developers as follows:

- No funds are anticipated at this time.

(c) Other funding sources:

Funds from other sources, including, but not limited to, the sale of units with extinguished controls, repayment of affordable housing program loans, rental income and proceeds from the sale of affordable units.

- No funds are anticipated at this time.

(d) Projected interest:

Interest on the projected revenue in the municipal affordable housing trust fund at the current average interest rate.

- The Township projects collecting \$542.91 between December 1, 2025 and 2035.

The Township of Frelinghuysen projects a total of \$96,998.84 in revenue to be collected between December 1, 2025 and 2035. This projected amount, when added to the Township's trust fund balance as of November 30, 2025, results in an anticipated total revenue of \$262,179.03 available to fund and administer its affordable housing plan. All interest earned on the account shall be used only for the purposes of affordable housing. See the table on the following page for a projection of the anticipated revenues.

*For purposes of projecting revenues, we have utilized historic residential Certification of Occupancy data and projected forward. Projections assume the estimated value of a new home is \$327,532.96. (This value was provided by the tax assessor and is the average home value within the Township.) The value is then multiplied by 1.5%.

3) ADMINISTRATIVE MECHANISM TO COLLECT AND DISTRIBUTE FUNDS

The following procedural sequence for the collection and distribution of development fee revenues shall be followed by the Township of Frelinghuysen:

(a) Collection of development fee revenues:

Collection of development fee revenues shall be consistent with the Township of Frelinghuysen's development fee ordinance for both residential and non-residential developments in accordance with NJAC 5:91, 5:93, and 5:99, the Amended Fair Housing Act, and the Municipal Land Use Law.

(b) Distribution of development fee revenues:

The Clerk forwards a resolution to the governing body recommending the expenditure of development fee revenues as set forth in this spending plan. The governing body reviews the request for consistency with the spending plan and adopts the recommendation by resolution. The release of the funds requires the adoption of the governing body resolution in accordance with the Court- and/or Program-approved spending plan. Once a request is approved by resolution, the Chief Financial Officer releases the requested revenue from the trust fund for the specific use approved in the governing body's resolution.

4) DESCRIPTION OF ANTICIPATED USE OF AFFORDABLE HOUSING FUNDS

(a) Rehabilitation and new construction programs and projects.

See section (b) below.

(b) Affordability Assistance (NJAC 5:99-2.5(a)).

Municipalities are required to "set aside a portion of all development fees collected and interest earned for the purpose of providing affordability assistance to very-low, low-, and moderate-income households in affordable units included in the municipality's fair share plan". The regulations do not specify a certain percentage that must be attained, but for purposes of this document, a goal of 20% has been set. The actual affordability assistance expenditures are calculated on an ongoing basis in the online Affordable Housing Monitoring System platform.

According to the chart on the following page, the Township of Frelinghuysen has set a goal of 20% of all fees and interest earned to be reserved for affordability assistance. This goal translates to \$59,057.59. The Township proposes the following programs to meet its affordability assistance goal:

- **Accessory Apartment Units.** The Township seeks to create accessory apartment units for farm employees on properties with a tax classification of 3A or 3B or on preserved farmland. Frelinghuysen contains 2,899 acres of preserved farmland, which totals 18.98% of the Township's land area.² Moreover, 9,427.61 acres or 61.7% of the Township has a tax classification

² Email from Sandy Urgo, Vice President of Land Preservation and Stewardship, The Land Conservancy, dated April 23, 2025.

of farmland assessed.³ Frelinghuysen is requesting a waiver pursuant to NJAC 5:93-15.1 from affirmatively marketing the accessory apartment units and to allow the units to be reserved for farm employees and their families.

This mechanism aligns with S3353 signed by Governor Murphy on May 9, 2025. Bill S3353 directs the State Agricultural Development Committee to adopt agricultural management practice for housing resident farm employees on commercial farms, and establishes such housing as eligible for “Right to Farm” protection. The Bill defines commercial farm as a farm management unit of no less than five acres producing agricultural or horticultural products worth \$2,500 or more annually, a farm management unit less than five acres, producing agricultural or horticultural products worth \$50,000 or more annually, or a farm management unit that is a beekeeping operation worth \$10,000 or more annually. The Bill also adds a new definition for “resident farm employee”, which is a person who is employed by the owner or operator of a commercial farm to engage in agricultural production activities on a full-time basis on the commercial farm. Resident farm employee does not include a full-time, year-round equine-related farm employee or the owner of the farm, or any lineal descendant of the owner.⁴

The proposed accessory apartment program for farm works and their families provides housing in a rural area where housing options are limited. The accessory apartments become permanent fixtures within the community, providing housing alternatives in keeping with the draft State Plan and the goals of Frelinghuysen to support the agricultural industry. To incentivize the construction of or conversion of existing buildings to an affordable accessory apartment, Frelinghuysen will provide a one-time payment of \$35,000 per qualifying unit to aid with the construction and/or conversion of an existing building to the affordable accessory apartment. A maximum of five accessory apartment units will be funded by the Affordable Housing Trust Fund, which is dependent on the amount of development fees collected.

- **Future Very-Low-Income Opportunities.** Frelinghuysen is seeking a durational adjustment as part of its Fourth Round housing compliance. However, if the opportunity arises over the next decade to partner with an entity to construct supportive / special needs affordable housing opportunities, a 100% affordable development, or other innovative mechanism, Frelinghuysen would like to reserve funds to aid in bringing said units to fruition. It is anticipated that the program would be

structured to provide funding per unit or bed in exchange for a deed restricted unit / bed. This funding would be reserved for very-low-income units.

Up to \$41,679.03 will be available for this mechanism, which is dependent on development fees collected.

(c) Administrative Expenses (NJAC 5: 99-2.4(a)).

Municipalities are permitted to use affordable housing trust fund revenue for related administrative costs up to a 20% limitation, exclusive of funds collected to fund an RCA. The actual administrative expense maximum is calculated on an ongoing basis in the online Affordable Housing Monitoring System platform based on actual revenues.

The Township of Frelinghuysen projects that \$45,948.64 will be available from the affordable housing trust fund to be used for administrative purposes. Projected administrative expenditures, subject to the 20% cap, include, but are not limited to:

- Township Attorney, Engineer, and Planner fees related to attaining affordable housing compliance as well as consulting fees related to the administration and implementation of the Township's affordable housing program(s).
- Salaries and benefits for municipal employees for administration and implementation of the housing plan and program(s).
- Fees for the Administrative Agent.
- Municipal Housing Liaison and Administrative Agent training and on-going continuing education.

5) EXPENDITURE SCHEDULE

The Township of Frelinghuysen intends to use affordable housing trust fund revenues for the creation of accessory apartment units and very-low-income housing opportunities. It should be noted that the amount spent in a given year for any line item may actually span multiple years in reality. The chart on the following page provides an estimated timeline for expenditure and does not restrict the Township from spending the money sooner or later in the Fourth Round period, nor does it prohibit the Township from spending more or less money in one year assuming the funds are in place to make said expenditure.

6) EXCESS OR SHORTFALL OF FUNDS

The Township currently has sufficient funds to cover four of the five accessory apartments. If sufficient development fees are not received for the fifth accessory apartment, then said funding will be sourced from the general fund.

In the event more funds than anticipated are collected or projected funds exceed the amount necessary to implement the Fair Share Plan, the Township will use those excess funds toward affordability assistance.

7) SUMMARY

The Township of Frelinghuysen intends to spend affordable housing trust fund revenues pursuant to NJAC 5:99-2.3 and consistent with the housing programs outlined in the Fourth Round Housing Plan Element and Fair Share Plan.

The Township of Frelinghuysen has a balance of \$165,180.19 as of November 30, 2025, and anticipates an additional \$96,998.84 in revenues through 2035, for a total of \$262,179.03. This Spending Plan demonstrates the Township's **commitment to expend** \$262,179.03 through December 31, 2035, including a commitment to expend with respect to the following:
